PEACOCK, FETHERSTON & CO.

Wednesday, July 20, 1870

Persons leaving the city for the summer, and wishing to have the EVENING BUL-EETIN sent to them, will please send their address to the office. Price by mail, 75 cents per

new Minister from France, landed in New rather a stump oration, bidding for votes. reason why we should submit to exorbitant York; on Saturday he was presented to the When General Thomas says that "legislation President; at one o'clock this morning, in a fit | should be mainly for the poor, and not for the | price an article made at our own doors equal of temporary insanity, he shot himself through | rich, who can take care of themselves," he the heart. The causes of his derangement are adopts the cant of the commonest demagogue. not known, but it is known that he has been ill | He knows—better, perhaps, than the majority from the fearful heat of the country ever since of his very small audience—that such a he landed, and it is more than probable that proposition is both dangerous and unsound.

the agitating news from France has also He knows that no good citizen can lend him-

The news of this dreadful tragedy will create without doing harm to the State. He knows a profound sensation throughout this country that legislation is as essential for the as well as France. M. Prévost-Paradol was rich as for the poor, and that no man the first man of real ability that France has can "take care of himself" in this country, exsent here as her Minister since the time of the cept so far as his country's laws take care of and a true friend to the United States. He has General Thomas as it was unwise. been a steady opponent of the personal govern- The attempt to drag the Chinese question ment of Napoleon Third, and only gave in his | into the issues of the coming campaign, was of | adhesion to him after the concessions made to precisely the same spirit. General Thomas the people and the Legislature last autumn | bids for the votes of the trades'-unions, unquesand winter. One cannot help thinking that | tionably the most dangerous tyrannies now exthe shock of finding the Emperor violating his isting on this continent, by representing his implied pledges and making war on a trivial opponent as desirous of bringing labor down pretext has had something to do with the to "six dollars per month," through the agency

We have so recently published sketches of discussion of the Chinese question, it is the life and career of the deceased Minister, enough to say that General Thomas canthat we need not give one now. He was born | not possibly suppose that his opponent August 8th, 1829, so that he had not completed | could be guilty of the suicidal folly of his forty-first year. He was a widower, with committing himself to such a proposition. a daughter of about sixteen, and a son about He knows,—or if he does not, he certwelve years, who both accompanied him to tainly is not qualified to legislate upon the BROWN STONE RESIDENCE this country. The sympathies of all our people questions of our political and social economy, will be warmly offered to these children so -that the introduction of Chinese or any other suddenly made orphans and in such a terrible foreign labor into this free country cannot pro-THE FEELING IN FRANCE.

There can be no doubt that the war and the apprehension of a Prussian invasion have cause quite an "uprising" among the people of a large majority of the people. -Still the reports | unqualified Democratic platform, while he is | TREGO'S TEABERRY TOOTHWASH France, and the Emperor will be sustained by a large majority of the people. Still the reports sent by telegraph from Paris are not all to be credited. The press and the telegraph have been put under the most rigid censorship, and no facts are allowed to go abroad that might seem to indicate want of harmony among the whole people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the property of the people concerning the impending constitution of the people concerning the impenditution of the people concerning the i whole people concerning the impending con- sympathy and support of his old associates flict. A brief report of the anti-war speech by and friends, he has no reasonable M. Thiers was allowed to be sent, but it was prospect of gaining the prize accompanied with the statement that it had in pursuit of which he has embarked. The caused the utmost indignation among all Republican majority in the Fourth District, in

The reports of the Tribune's London corres-

But this, it must be remembered, represents pondent, Mr. G. W. Smalley, represent the anti-war feeling in Paris as being very strong. Republican constituency, and it will be more But Mr. Smalley is apt to exaggerate everything that has an anti-Napoleonic tendency. He is a friend of Gustave Flourens, and sympathizes with all the Red Republican movements. Still there are indications from other this crusade, not as defenders, apologists or adsources that the people are not a unit in favor of the war. The Herald's special London despatches say that the peace party in Paris made because he has no sound platform upon which to offer himself as an independent candidate, thousands of men marching through the streets. and because such speeches as that of Tuesday, waving white flags, and shouting " Vive la which was no doubt a specimen of what Paix!" The demonstration was put down by are to come, while they will not win him votes the police, but at one time there was serious enough to elect him, cannot fail to injure him danger of a collision with the troops. Other among those whose confidence and good disturbances of a similar kind, but not so opinion he cannot disregard, or afford to lose. serious, are reported. Yesterday Henri Rochefort's Murseillaise appeared for the first time for several weeks, but it was at once seized, A MEETING OF COUNCILS.
