The Company Also rooft RAFES INSIDE THEIR gold brocade, whose tears are dried with gold brocade, whose infantile accents reach the burst into the room; the door, which was opposite, was blown outwards, most provided for silvery moderate rates.

The Company Also rooft RAFES INSIDE THEIR gold brocade, whose infantile accents reach the gold brocade, whose infantile accents a provided for silvery moderate rates.

The Company Also rooft RAFES INSIDE THEIR is a jewel of price, whose every toy is a jewel of price, whose infantile accents reach the gold brocade, whose infantile accents a jewel of price, whose infantile accents reach the gold brocade, whose infantile accents reach the day of the price, whose infantile accents reach the gold brocade, whose infantile accents reach the gold brocade given, one being that delivered at New York, given, one being that delivered at New York, and three others, in New York and Boston, in 1898. The extracts from Dickens's letters are meagre, but notes to Lady Blessing to the brillar discovery quick and clever, and are included. Dickens as a Poet, the memoir by Sala, and Dean Stanley's funeral sermon conclude a collection that is very timely, genuine and touching.

We extract for our part the correspondence with that American writer whose genius was most similar to that of Dickens, and whem he is not similar to that of Dickens, and whem he is a jew of proider, whose tears are dried with gold procade, whose infantile accents reach the bone, which was opinion to the mouths of spiroted to the store, and posite, was blown outwards, most provided in Surgery and the splender of royal babydom—as the plant in the bound now of the store of the store of the store of t most similar to that of Dickens, and whem he

ranked highest: Dickens and Washington Irving. In the spring of 1841, some months before Mr. Dickens had decided upon his first visit to was then personally unknown to him, adand generous acknowledgment of his genius, and of the pleasure Dickens's writings had fforded him. Mr. Dickens's answer to that etter is the first of the three which follow. February, 1842, Mr. Dickens had the ince of his illustrious correspondent, who was nduced to overcome his objection to public speaking, and to take the chair at a banquet given in Dickens's honor by some of the citiens of New York. Irving, however, entirely broke down in his speech, and could do little more than propose the toast of the evening. probably never two men of more congenial mind and common sympathies than the author of the "Sketch Book" and th author of "Pickwick;" and it is pleasant to think that the chances of things should have

who could have given me the heartfelt plea- of the storm. Corn-fields and cane-patches sure you have, by your kind note of the 13th which the evening before were rich in all the could not believe that the noble mansion of a limit to its endurance; and who can tell of last month. There is no living writer—and beauty of tropical luxuriance, were brown and the day before was a heap of ruins—could whether the breaking of the popular back will there are very few among the dead-whose withered as though burned by fire. approbation I should feel so proud to earn. and with everything you have written upon age, and was on a visit to a planter, who, with the garden, and orchard, and neighboring Unless some monarchical Malthus seize the And with everything you have written upon my shelves, and in my thoughts, and in my shelves, and in my thoughts, and in my heart, of hearts, I may honestly and truly say so. If you could know how earnestly I write this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope this, you would be glad to read it—as I hope the ground the ground strewed with frag—the delds, I found the gr you will be, faintly guessing at the warmth of | limestone peculiar to the country, the walls bethe hand I autographically hold out to you over ing three to four feet in thickness. Is a quick, safe and effectual remedy for BLEED-ING, BLIND OR ITCHING PILES, CONSTIPATION OF THE BOWELS, &c. Its principal virtues are derived from its internal use, regulating the Liver and Kidneys, and importing health and vigor to the whole alimentary canal. It is specific in its action, completely controlling the circulation of the blood in the hemmorhoidal vessels.

It has the double, advantage of being harmless and pleasant to the insteady, while its operations are reliable and satisfactory. pleasant to the taste, while its operations are reliable and satisfactory.

The ufflicted can rely with the utmost confidence in this medicine, because the great success that it has mot with since its introduction is a sure indication of its real raine.
For inward and outward applications, if used as directed, it cannot fail to give the fullest satisfaction.

TELEGRAPHIC SUMMARY. Granville, failing to prevent war, sought, with as little success, guarantees for the safety of GENERALS SHERIDAN and Forsythe sailed secondary neutral powers.

A revolutionary intrigue is rife in Rome and for Europe yesterday. NICKERSON'S cordage factory, at Boston, was burned yesterday morning. Loss, \$05,000.

FORTY-THREE sallors of the Franklin, now at Flushing, Holland, are sick with varioloid.

BATTLE ISLAND flour mill, near Fulton, New York, was burned on Tuesday night.

Loss, \$05,000.

A revolutionary intrigue is the in Roine and the probable withdrawal of the French troops. A secret deposit of arms has been discovered in Genoa, and a large quantity of guns and amminition were seized by the government. The Pope is deeply alarmed at the projects of France and the plots of the party of action. The French prelates who were about the property of action. FORTY-THIRE sallors of the Franklin, now at Flushing, Holland, are sick with varioloid.

BATTLE ISLAND flour mill, near Fulton, New York, was burned on Tuesday night.

Loss, \$85,000.

CHINA has sent an Ambassador to Paris to offer satisfaction for the recent outrages on French citizens.

NINETEEN persons were killed and many injured, by an explosion in a Welsh colliery, on Tuesday.

The annual meeting of the Grand Army of

THE annual meeting of the Grand Army of he Republic of the State of New York began at Buffalo yesterday.

THE Anti-Chinese Convention is now in session at San Francisco, delegates being present from all parts of the State.

Orleans, Strasburg, Nantes, vannes, Montauban, Sanbes, and Clermont.

A special correspondent of the Tribune writes from Berlin on Sunday that the Prussian head quarters is still at Berlin. Prince Frederick Charles is at present commanding the Army of the State.

Charles is at present commanding the Army of the Rhine. the Rhine.
It is considered certain in Berlin that Napofrom all parts of the State. THE Georgia House of Representatives has

refused to give seats to the representatives elected under the Governor's proclamation of THE Ocean Yacht Race has terminated in a Sandy Hook at 3.45 yesterday afternoon, the Dauntless passing the same point at 4.45 Dauntless passing the same point at 4.45. A MAN named Malone, supposed to be the nurderer of Colonel Buell, was arrested near at any point without risking a general engage-Leavenworth, on Tuesday. In capturing him he was shot by two men, and so badly wounded that he is not expected to recover.

The prolonged stay here of the officers of the general head-TERRIFIC thunderstorms occur in some portion of Canada almost every night, and do great damage. At St. Mary's, on Tuesday night, several buildings were unroofed and barns demolished, and the crops were bester.

hight, several buildings were unroofed and arns demolished, and the crops were beaten at to the ground.

Danish neutrality is reckoned as impregnable. Austria is now siding more with Prussia than with France. The French are flat to the ground. A DESPATCH from Heart's Content, dated 3.30 P. M., yesterday, announces that a fault n one of the Atlantic Cables, near that place was repaired at noon. The repair ship was to leave to remedy another defect, seventy-five released on 10,000 francs bail. In New York, 000 Prussian recruits have enrolled at the North German Consulate within the last five days, and 500 have gone to

Europe, paying their own passage. The German subscriptions in New York for the sick and wounded Prussian soldiers have reached over \$30.000. THE WAR IN EUROPE.

The country seems made for war, from the absence of fences to embarrass move from the absence of fences to embarrass move indeed, are the applications, that I from the absence of fences to embarrass movements. Water, fuel, and standing or shocked corn for forage are to be met with everywhere. There are many villages in which troops might, if necessary, sleep at night.

PARIS, July 27.—The Journal Officiel of to-Paris, the legislation of the United States, not a recruiting office." Again, we hear Baron de Schleinitz, Minister of Foreign Affairs, asday says: "We have intelligence that a rumor has been circulated on the other side of the Rhine that the Emperor has given orders that prisoners of war be treated with the utmost prisoners of war be treated with the utmost or in any manner interfering with our com rigor, and placed outside of the protection of the law of nations. This report is absurd, and so far is it from being true, that the Emperor desires to treat prisoners with the greatest humanity."

or in any manner interfering with our commerce."

Baron Schleinitz also writes to Baron Gerolt as follows:

"The indubitable fact of the state of the intestine warfare in which the Union is placed the protection of the state of the intestine warfare in which the Union is placed the protection of the state of the intestine warfare in which the Union is placed to the protection of the law of nations. This report is absurd, and so far is it from being true, that the Emperor desires to treat prisoners with the greatest humanity."

manity."

A circular from M. Ollivier, citing the discussion of the question in the Corps Legislatif, says that journals are only forbidden to mention the movements of troops or preparations for active operations. They have the right to speak of the events of the war in the light of speak of the events of the war in the light of speak of the events of the war in the light of the events of the war in the light of the events of the war in the light of the events of the war in the light of the events of the war in the light of the events of the war in the light of the events of the events of the war in the light of the events of the events of the war in the light of the events of th accomplished facts. The Journal adds, as a impaired.

impaired.

"By a series of treaties, by means of which matter of duty, a reminder to all persons that by the terms of article 47 of the penal code, any person giving intelligence to the enemy of the movements of the army, or giving aid in money between the two States have attained a prosecution of the two states have attained a prosecution. to the hostile forces, will be punished with death. The Journal reminds non-political newspapers that they are not entitled to print anything relative to the war.

Another circular from the Prime Minister calls upon the Bishops to offer further prayers to place France, her Chief, and the noble infant who goes to hattle at such a tender age. infant who goes to battle at such a tender age, under the protection of Him who holds in his hands the fate of battles and the destinies of the people. At a time when our heroic army is on the march; let us ask God to bless our arms and to grant that glorious and durable the grant that glorious and durable the grant that glorious and same and same and to grant that glorious and same and same and to grant that glorious and same and same and to grant that glorious and same and same and the grant that glorious and same and same and the grant that glorious and the grant that glorious and same and the grant that glorious and grant that glorious grant that glorious g peace may quickly follow the griefs and sa cri-fices of war.
