DE CALLACHERS BLE VECETABLE CURE

Is a quick, safe and effectual remedy for BLEED-ING, BLIND OR ITCHING PILES, CONSTIPATION OF THE BOWELS, &c. Its principal virtues are derived from its internal use, regulating the Liver and Kidneys, and imparting health and vigor to the whole alimentary canal. It is specific in its action, completely controlling the circulation of the blood in the hemorrholdal vesselv.

It has the double advantage of being harmless and pleasant to the taste, while its operations are reliable and estificationy.

The afflicted can rely with the utmost confidence in this medicine, because the great success that it has met with since its introduction is a sure indication of its real value. For inward and outward applications, if used as directed, it cannot fall to give the fullest satisfaction.
