Ronse-Living in Trunks---Interlachen 

into uninteresting flatness, after leaving New- of its appearance, as well as to visit a beautiful burst suddenly upon our view. The rain we perhaps, in the hope of reaching their homes or burg, so it is with the Rhine after passing waterfall, which forms the terminus of one of had in the morning had fallen in snow upon Mayence. Beyond that point, it you chance to the many drives which surround Baden-Baden. the upper summits of the mountains. White, be reading an interesting book, there is nothing. What is called "The Forest" is an extensive fleecy clouds were slowly sailing over them. to call off your attention. You can read on as steadily as you please. We reached Heidel-native growth of trees left upon it, very much selves around their sides, while the glorious berg about four this afternoon. It is a large like our White Mountain or Adirondack sun was lighting up the whole scene with his old town, finely situated on the banks of the region. But there is more cultivation here in gladdening beams, making altogether a most Opens, June 1st. Closes, October 1st. river Neckar. The object of special interest to the valleys, with excellent roads following the magnificent prospect. Every nerve within me river Neckar. The object of special interest to tourists here is the grand old castle on the side of the hill behind the town. It is the largest We had a charming ride, only we met with of the hill behind the town. It is the largest to give very to give very black of the value and best preserved ruin of the kind in all this no adventure to give variety to it. We took and shouting aloud for very gladness, as I country. It was originally a palace, as well as another peep-in at the gambling saloon on re- stood and gazed upon the scene. What a a fortress, and was long the residence of the turning from our ride. It was in full blast by glorious land this is! I do not wonder at the ruling Counts of this Palatinate. It was begun in the thirteenth century, but afterwards greatly enlarged and improved. It has suffered ing in the gold at every turn of the wheel. I here it seems to me that the wealth of the much from the ravages of war, and about a wondered what the end of it would be. It is world would never have induced me to have Loretto Springs, Cambria County, Pa hundred years ago was struck by lightning and consumed. Since that time it has never been restored. But still it is in a state of excellent religious feeling there must be a fascination of the landscape, the rain of the morning had \_\_iyl tf restored. But still it is in a state of excellent preservation. A portion of it is inhabited by Baden this afternoon, and made our entrance in streams of silvery brightness down the sides from the top of the castle-tower is splendid. In the vault beneath the castle we saw the famous Heidelberg tun. It is the largest wine vessel in the world. It will hold eight hundred hogs-heads, or about three hundred thousand bottles of wine. There is a platform on the top of it, surrounded by a railing, and reached by was filled with wine, they used to have a dance mind for returning. It will allow me time to pleasantly situated on the stream by which the on this platform. But those days are passed. get home and arrange matters somewhat before waters of Lake Brienz empty themselves into The tun has not been filled for a hundred years, going to work on the following Sunday. I am Lake Thun. The clouds returned after the Security from Loss by Burglary, Roband never will be again. It only remains, with sorry to separate from my companion in re- rain of the morning, and the day's journey the grand old ruins to which it belongs, as an in-law and wife out in a week or two, and will frequent showers. But it has been a day of AND SAFE DEPOSIT COMPANY, 

is most delightfully situated in a beautiful val-ley, with a fine range of hills surrounding it. The hills are thickly wooded, and run off into ley, with a fine range of hills surrounding it. The hills are thickly wooded, and run off into the great Black Forest—the scene of so many strange legends among the Germans. This, you know, is one of the most popular places of summer resort on the Continent. The warm baths and the gambling establishments are its baths and the gambling establishments are its were all in attendance at these meetings, and badly damaged, and will need rebuilding. A chief objects of attraction. Almost every other house is an hotel. Besides this, nearly all the private houses have signs on them of furnished apartments to let. There is an almost endless variety of fine walks and drives from the town over the sides of the surrounding bills and interval of the side of the surrounding bills and the side of the surrounding around the side of the surrounding bills and the side of the surrounding bills and the side of the surrounding bills and the side of the surrounding around the side of the surrounding the side of the surrounding around the side of the surrounding the side of the s apartments to let. There is an almost entries variety of fine walks and drives from the town over the sides of the surrounding hills and into the deep shades of the adjoining Forest. There over the sides of the surrounding hins and into the deep shades of the adjoining Forest. There is a large and beautifully-arranged public gar-den, in the centre of which is a large band den, in the centre of which is a large band this evening. This is a would not have been very conjugate we left Basle after dinner, and arrived here this evening. This migratory mode of life be-this even den, in the centre of which is a large band playing during the day and evening. This is the chief point of attraction. And in this is the celebrated gambling establishment which forms the great feature of the town. We took a stroll through the garden this evening. It was brilliantly lighted up, and crowds of people brilliantly lighted up, and crowds of people were walking about or sitting round little tables, enjoying their coffee or their beer, to-gether with the music. We met here Mr. and Mrs. George B-, from Philadelphia, and the formation of the scenes about you; and, where there is a fond-scenes about you; and a scenes about Mrs. George B—, from Philadelphia, and ness for change, 1 can conceive of it being umvirate, Eli by name; but Eli is satisfied to theirs were the first familiar faces we have seen in all our long journeying. It was very pleas-in trunks. When the time comes to settle family's behests, and does not seek an office.

about as many ladies as gentlemen the French Revolution. It is a fine conception, admirably executed. The Dog Question. of youth and old age were represented in each Lucerne has only its situation and surround- We are not behind the world in all things. be youth and on age were represented in each eex; and every two or three minutes large sums were changing hands. One gentleman-said to be a wealthy count-literally covered the table with his gold. But the tide seemed the table with his gold. But the tide seemed the table with his gold. But the tide seemed the lake. Mt. Pilatus stands on one side of the Drinking Fountain Society, which is not disto set strongly against have last thousands town, and Mt. Rigi on the other, while be-posed to incur the expense of a separate basin for the animals without having it used.

While MacMahon admits a loss of 15,000 of While MacMahon admits a loss of 15,000 of buryness with the mitrailleuse are said to have 18,000 men engaged, Frossard's losses at Saar-been splendidly successful. The press gives a bruck are wholly unknown. Instead of intel-Premiums in course of transmisglowing account of the range and accuracy of ligence of the war, the government telegraphs ligence of the war, the government telegraphs from Metz that "showers fell last night."

ress have left Paris. The *Echo* asserts without qualification that was offered the Ministry of War, but refused unless called to power by the Corps Legislatif. that the Orleans princes are in Paris.

The Weekly Register has the same report, which, however, it gives with a caution to its readers not to place too much confidence in its correctness. Workmen in the factories of Lyous threaten the German employés with violence, and trouble is apprehended. Duruy, ex-Minister of Instruction, has joined the Garde Mobile. Paul de Cassaignac, editor of Le Pays, has entered a regiment of Zou-aves. Apprehensious that a famine would be added to the horrors of war in consequence of the late drought have been dissipated. PARIS, Aug. 12.—Journals of Metz publish Marshal MacMahon's report to the Emperor. The report says that the enemy, in greatly superior numbers, began the attack at seven o'clock on Saturday morning. The first attack having been repulsed about noon the enemy rous sharpshooters, protected by six guns in a IMPORTATIONS.
