Removal of the Obstructions in the Jame River.

THE FRENCH MAILS FROM WASHINGTON,

Removal of Obstructions in the James

[Special Despatch to the Phila, Evening Bulletin.] WASHINGTON, August 15. The Engineers' Bureau is about beginning to clear the wreeks and obstructions of war out of the James river. At Drury's Bluff it has been ascertained that the following must be removed to put the river in good navigable order :

The wreck of the iron-clad ram Fredericksburg, sunk with armor, guns, &c., on board; iron gunboat Raleigh, 150 tons, sunk with guns, &c., on board; the war steamer Jamestown, wooden, 1.200 tons, sunk with guns, &c., on board; steamer Curtis Peck, 450 tons; schooners Wythe, 300 tons; Roach, 225 tons; Brig, 175 tons, and a small schooner of about eighty or one hundred tons; also, 18 or 20 cribs of timber and stone, each 22 feet square, averaging 18 feet high.

Soldiers' Graves. ... The Quartermaster-General's office is preparing to set out hedges of Osage orange around all National Cemeteries, and to construct substantial stone lodges at the entrance to each. Correction

A late statement in these despatches concerning our mail service to France contained one error in relation to printed matter by British steamers. Those carry only letters for France, and the postage of four cents covers only our inland and ocean. service. The remaining charge through England and in France is collected on dealternate Saturdays.
