Philadelphia

The Imperial System and Its Results. may be regarded as threatening Metz. The the nation. "The noblest and dearest occusituation of the Emperor is almost hopeless. pation of kings," wrote Louis, "is to extend the is Cæsar, not King; he must have victory, the boundaries of their realms." He had, in-[From the London Speciator.] Germany stands at the head of the world. He is Cæsar, not King; ne must nave victory, or be dethroned; he dare not pursue the path of safety, fall back on Chalons, and calling all the jargon of annexation, nor, interesting the fight before Metz, and he has with him at the most but five corps, 150,000 men, and such valuforgenerits as he may have reor the past four weeks, we have predicted to unwilling ears, has been pursued, and so far, been utterly successful. The Germans have third of her army has been scattered; her generals have abandoned Alsace and the passes of ceived by rail. These may have been considerable wanted a name. What has been wittily termed he Vosges; her Emperor is shut up in Metz, rable; but Metz was so badly provisioned that the vested interest in her neighbors' weakwith the German cavalry in sight of the fortifications, awaiting attack from an army double the number of his own; her capital in gloomy wrath is waiting the signal to overthrow the dynasty, and "Vive l'Empereur!" has ceased to appear at the bottom of official decrees. Unless we mistake utterly the position of affairs, the strength of the armies in the field, and the with the German cavalry in sight of the fortifistrength of the armies in the field, and the tion with which may be by this time interpreted; and may be by this time interpreted; and, most fatal sign of all, it is doubtful if the toesin now sounding through France ways recollect that he was as great in misfora military massacre, will have perished in a military massacre, will have perished in a military rout; General Trochu will be add intemilitary rout; General Trochu will be face to face will "yield." The citizens have been disarmed to make Casarism easy; for eighteen years with the well-known figure, so fascinating and so terrible, France risen in revolution.

It is the tocsin now sounding through France was as great in misfortune as he was in prosperity—that, although to make Casarism easy; for eighteen years scarcely a man outside the army has seen a was fully determined to die at the head of his generals rather than allow the allies to capture and so terrible, France risen in revolution.

Paris as About says, of volition; and the first town | Paris. The attack on Wissembourg was, as we asserted last week, the signal for the general invasion. Germany had been gathering herself for eighteen days, during which the roll of the triangle for eighteen days, during which the roll of the triangle for the general invasion. Germany had been gathering herself for eighteen days, during which the roll of fight where he is, and as he is; and it is with a deep sigh for clorious France, though with the roll of fight where he is, and as he is; and it is with a deep sigh for clorious France, though with the roll of fight where he is, and as he is; and it is with a deep sigh for clorious France, though with the roll of fight where he is, and as he is; and it is with a deep sigh for clorious France, though with the roll of fight where he is, and it is with a deep sigh for clorious France, though with the roll of fight where he is, and it is with a deep sigh for clorious France, though with the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll of fight where he is, and it is with a deep sigh for clorious France, the roll o deep sigh for glorious France, though with no regret for him, that we state our conshould flock from workshop, home, or pastime, on the 4th was gathered along the line stretchng from the Rhine to Luxembourg in three viction that even French heroism cannot to swell the host that is now invading France avert the result. Metz and the empire must fall together, and, as we believe, reflecting on the demoralization of surprise produced by the arge groups. The army of the South, comnanded by the Crown Prince Fritz, and numpering some 140,000 men, lay at Landau, heavy woods. The army of the Centre—or, as the German scall it, of the King, under the direct command of General Steinmetz, lay around Zweibrucken, and numbered about will be offered to French patriotism in the fall of the empire—which produced alike the war 120,000 men. The army of the North (we use geographical instead of military terms deand the want of preparedness to meet it—on could hardly fail to arouse the same feelings edly) under Prince Frederick Charles, was the fear with which the announcement of a re- which were rife during the war of liberation. public will be received by the peasantry, who In illustration of the above, we subjoin a copy posted between Saar-Louis and Merzig, in strength as yet entirely unknown, but probably equal to that of the other two commands. Before them lay the French army, scattered in eight corps, each of which ought to have been 42,000 strong, and was probably but 30,000; disconnected from one another, in want of supplies, and in one case at least of wart of supplies, and in one case at least of the contents in the contents of the peasantry, who are hoarding gold in all directions—and, above are hoarding gold in all directions—and, above and in flustration of the above, we subjoin a copy of an appeal addressed in March, 1814, "to the men and youths of Rhineland by Justus Grüner, Governor-General at Treves, exhorting them to enrol themselves as volunteers and fight for their common country." This document was insued just before the invasion of the above, we subjoin a copy of an appeal addressed in March, 1814, "to the men and youths of Rhineland by Justus Grüner, Governor-General at Treves, exhorting them to enrol themselves as volunteers and fight for their common country." This document was insued to the above, we subjoin a copy of an appeal addressed in March, 1814, "to the men and youths of Rhineland by Justus Grüner, Governor-General at Treves, exhorting them to enrol themselves as volunteers and fight for their common country." This document is the produced by the peasantry, who are hoarding gold in all directions—and, above are hoarding gold in all directions want of supplies, and in one case at least of of Germany and of all that title implies, and | France by the allies. ammunition, with generals at almost open vawith payment of the expenses of the war, not yet heavy-the new government of France can | The reign of implety is at an end. It aimed at and with a Commander-in-Chief, whose brain, avoid accepting peace. Guerilla war is impos- the despite its immense power, works too slowly sible against breech-loaders, for government subtly for the conduct of operations in the cannot keep stores of cartridges on every hillcannot keep stores of carringes on every finities side, nor can any possible rising enable the French to outnumber the Germans on the field. blooming regions of the Rhine, the Moselle and field, who is subject to fits of hypochondriac melancholy, and who, always indolent, is now French to outnumber the Germans on the field. incapable of harassing himself with details. Greater numbers than theirs could not be fed. The Imperial system had borne its fruits. For eighteen years the Emperor had been com-pelled to seek soldiers among his friends, to less the Prussian King yields to his press, denamper those who supported him, to depress nose who were independent, till with Ger people on earth scarcely possessed a general, he staff was controlled by a mere favorite whom no marshal would obey, and the Intend-SIR-FRANCIS-DRAKE'S HEIRS. ance had so utterly broken down that whole Drakes Who Are Geese. divisions were left for twenty-four hours with-The New York papers of yesterday contain out bread, and the massing of troops was deayed by fear that the men might starve. the following:

Sir Francis Drake, the twelfth son men of the Rhine, the Moselle, and the Saar! dways the difficulty of French departments— of Sir Thomas Drake, of Yorkshire, entered probably knew much of this confusion, though the naval service of England at an early age, is at stake! Nobles and landowners! fight for mot all, and at all events the attack began on attained great renown and amassed a fortune your dignity, wealth, and possessions. CitiThursday, the 4th. Bursting through this woods upon the Geis Hill, where 8,000 was, according to English custom, strictly enwas, according to English custom, strictly enyour citizenship. Peasants! your fields and woods upon the Geis Hill, where 8,000 | was, according to Engish custom, street, onen, commanded by General Abel Douay, tailed, and descended to the oldest son, until lay in innocence ignorant of his presence, the Crown Prince carried the eminence, the Crown Prince carried the eminence, to the Proposals will be made for the entire work degree! your trade and sciences, to the Proposals will be made for the entire work degree! your trade and sciences, issue and customs will again be called into beand despute the neroic energy of the rench, who, outgeneralled and outnumbered, still charged as if mere valor would stop bullets, and 7,000 pounds of silver plate. The American heirs claim to be the lineal descendants of Wissembourg, and poured without—halt upon—the male—branch cut of the manor house at Walton, a miniature of queen Elizabeth set in diamonds, gold plate, and 7,000 pounds of silver plate. The American heirs claim to be the lineal descendants of wissembourg, and poured without—halt upon—the male—branch cut of the foreight to reject ing, the very life of the nation will again be called into being, the very life of the nation will be renewed. Parents! Thank God that you have lived to see this glorious day. Bless your children who bid that, does not conform in every respect to and despite the heroic efforts of the French, ter the manor house at Walton, a miniature of Wissembourg, and poured without halt upon his route to Nancy. General MacMahon, to whose corps Donay's division belonged, had whose corps Donay whose corp whose corps Doday's division belonged, had American descendants list came to this control to send forth yours to the now war, that they been consulting with the Emperor when he been consulting with the Emperor when he been consulting with the Emperor when he had settled in New Hampshire, may fight for the cause, for your honor, for he had settled here.

All proposals will require to be made on the cause, for your honor, for he had settled here. eard the news; and, it is said, extorted per where shortly after another branch of the famthe German force upon the road, he hurried up his own corps and part of De Failly's—the Turcos belonged to the latter, and the Emperor speaks of De Failly's "rally"—and advanced to Douay's support, when he encountered on the Douay's support, when he encountered on the documents in Doctor's Commons, that faith waves, there victory is certain, honor in-6th, near Woerth, the army of the Crown Prince. He had, as we believe, 40,000 men, but, as the Emperor says, 33,000; while his Jersey, and advised them to prosecute, without that shortly before enemy had quite 100,000 available, and the battle became a massacre. Again and again the Mr. Adams was Minister at the Court of St. sued, Napoleon had said: "Quant aux Alle-French charged down the slopes, sometimes James, they addressed a memorial embodying mands, ils sont assez nombreux, mais ils ne vacutting the German battalions, says an eye-wit the above facts, and asked that the customary ness, "as a scythe cuts" wheat," but always
meeting the same heavy, continuous, remorselish their claims. He referred them to estable them to Sernon. On a soulevé les nations contre moi, less fire. The terrible defect of French troops, geant Fisher as being the best searcher of extheir inability to resist the temptation to hasty | tinct title in England. That gentleman acfiring offered by the breech-loaders, began to cordingly undertook the arduous task, and tell; the Germans, brave as themselves, but traced through some twenty lines down to the educated, and therefore cooler, pressed steadily present day, the only break in three generaup the inclines, and, after a loss of 10,000 men tions being some twenty years. He is confin killed and wounded and 5,000 prisoners— dent of ultimately succeeding in finding this.

MacMahon's and the Crown Prince's state-MacMahon's and the Crown Prince's statements, dissonant at first, now exactly tally—
The bulk of the property at stake lies in the the entire corps was driven in headlong rout county of Devon, England, and some of the back towards Nancy. So complete was the estates are now occupied by parts of the city rout that thirty guns and six mitrailleuses of London. The whole is estimated to be at were left behind; and the Marshal, after a present worth \$125,000,000, a sum quite big momentary halt at Saverne, finding the Gerenough to tempt any man by the name of Drake At the CHEAP-FOR-CASH Hardmans still upon him, fled to Nancy, there, if to fight for it against all odds. Dr. Berkinst, of possible, to reform. He has been there joined by De Failly and conscripts from Chalons, and family, was the first person to inaugurate the ught to have 70,000 troops, who, however, are movement for the restoration of the property to cut off by German cavalry from all communities the rightful beirs, and has now in his possession cation with Metz. Meanwhile, the Army copies of the will of Sir Francis himself, of the Centre has also done its work. After the scenic absurdity at which poor ant who broke the entail. At the meetlittle Louis received his baptism of fire, Gen. ing yesterday he read the copies and a very rossard, with another corps d'armee, as iso elaborate report as to what he had discovered lated as that of MacMahon, had occupied during his investigations into the matter of the Spicheren—the hill which overlooks Saarbruck | right of the present holders to the property. and here he was attacked by General Goben, The report showed that actual descendants Steinmetz's second in command, and the scene of Joseph Drake, were now living in New at Woerth was repeated. The French occupied a magnificent position, the lines stretching Before the meeting broke up, after the reading one above another across a hill so steep that of the report, a permanent committee was apits ascent in the face of an enemy appeared impossible. Still, up this steep hill went the Gerinterested in the estates in question, the funds mans, again and again and again, new regi- so obtained to be used in paying the expenses ments marching forward as those before them | that would be incurred in the searching after withered away—some companies of 200 men emerged with less than forty—until the French, Historic Parallels. byed by the steady, deadly fire, mowed down by artillery from an eminence upon the right, and perhaps short of ammunition, fled Hettner, in his able work on the literature of utter confusion towards Metz, pursued the eighteenth century, "which began so sharply for some few miles by Ger- gloriously, ended in a manner that could not cavalry, but not by the main have been foreseen. The last years of his rule body. Had the Germans known the truth | shook to its lowest foundations the edifice of and followed, Metz might have been taken and his monarchy. This result has been attributed the first campaign ended; for during some to accidental causes, to the fact that the King's hours Metz was in anarchy. The Emperor is said to have been away—we should think an business as he had formerly done, and led him ossibility—but the staff, by the testimony | to place himself in the power of an able and of all eye-witnesses, utterly lost its head, did not | spirited but bigoted saint, Mdme. de Maintenon. snow where the different corps were, could give | But why should one poor mortal presume to no orders, and expected to see the enemy momentarily before Metz. The Emperor sat writing despondent telegrams, Metz was full of beaten world? The true reason lies far deeper. The commissioner of Deeds for the State of Pennsylvania is a commissioner of Deeds for the State of Pen soldiers, and but one perfect corps was within tragedy of Louis XIV. is the tragedy of absothe lines. The Germans, however, who had been terribly handled, and are enthusiastic in their admiration of French courage, wanted gradually to wane; that which, in the King's CARPENTER AND BUIL

ammunition and reinforcements, and contented themselves with throwing forward their im-

mense strength of cavairy. All the villages between Saarbruck and Metz have been seized; bodies of German horsemen have been met between Metz and Nancy, thrown forward, deathbound the state and overthrew them."

London, August 25.—In the absence of offipondent at the headquarters of the Crown Prince, on the 17th inst., says: "There is no that the Prussians will not hurry the attack delay in our advance. Town after town is occupied, which you may hear of, but you can reduction of Metz and the destruction of Bascarcely realize the extent of the invasion. While the Crown Prince has advanced through Northern Alsace into Lorraine, two other German armies have entered French territory from Rhenish Prussia, and the reserves are ever in the prince has a constant t creasing. It is no exaggeration to say that the conquered provinces will barely hold the troops conquered provinces will barely hold the troops posed as they are of raw troops. creasing. It is no exaggeration to say that the conquered provinces will barely hold the troops poured into them.

The Tribune correspondent writes from Paris, on August 24: "Before the Chalons the Chalons Surrounded by a strongly entrenched force of Surrounded by Surrounded by a strongly entrenched force of Surrounded by S Paris, on August 24: "Before the Chalons camp was raised it was fired to prevent the Prussians. No attempt at sally had been made to by the celebrated merchant Stephen Gira Prussians from occupying it, and to destroy a large quantity of stores they had no time to relarge quantity of stores they had no time to remove. The telegraph clerks and other officials only got orders on the previous evening to pack np."

The bombardment—of Strasbourg is said to have inflicted but little damage thus far. Heavy siege artillery is coming up from Landau, Rastadt, Mayence, and other Prussian fortresses.

The war loan is a striking failure compared with former subscriptions. Adding the estimated cost of effecting the loan, the deficiency mated and the siege of Metz seem for midable, and the entrenchments proceed with great activity.

The Paris papers are persuading themselves that Bazaine is realizing some deep-laid strategy.

London, August 25.—Advices from Berling state that in consequence of the renewed rumors of Italian intervention in favor of France, the Prussian government has adopted precautionary measures. Special couriers with former subscriptions. Adding the estimated cost of effecting the loan, the deficiency of subscriptions on the first day is 185,000,000 space. francs, while the former Imperial loans were covered many times over. The full amount of his services in the American and Mexican wars, years old, she will go to sea in October next, as str to withstand the shock of the storm and the buffetin the waves as any new ship clearing for the lirst t fresh from the builder's hands.—New Bedford Merca August 24. this will be nominally made up, but a consider- was killed in the battle of August 18.
