How well may I take up DEFICE-No. 104 SOUTH FIFTH FATENT SHOULDER SEAM SHIRT Security from Loss by Burgiary, Rob-PHILADELPHIA, Sept. 9, 1870.-NOTICE TO CONTRACTORS. SEALED PROPOSALS will be received at the office of the Commissioner of Highways until 12 o'clock M., on MONDAY, 12th inst., for the construction of Severs on the line of Network of the Severs on the line of Franklin street, from the Sewer on Race street to a point four hundred and seventy feet north of Race street, and on Fifteenth stre from South Penn Square to the south side of Chestnut street; said Sewers to be constructed of bricks, circular in form, with a clear inside is inst seven weeks since we were here before, rejoined the other members of the party this over the election has passed away, but out of diameter of three feet, with such man-holes as as we came up from Italy. We have made a wide circuit since then, and have seen much of the interesting, the grand, and the beautiful. We are drawn back here, not by anything est between the interesting and the beautiful. We are drawn back here, not by anything est between the interesting and the beautiful. The under the interesting and the beautiful and the beautiful and the beautiful and the beautiful take bills prepared against the encouncil met to organize. pecially attractive in the place itself above all from settling your last hotel bill, or paying for After the preliminaries had been gone through the amount of one dollar and fifty cents for other places, but simply because it lies directly in our path in passing from Switzerland to the Tyrol. We left Kempten at 9 o'clock, this morning, We left Kempten at 9 o'clock, this morning, by railway. A four hours' ride brought us to the historically-interesting old town of Augs-burgh. We dined there, and spent the after-neon: in looking through the town. Besides getting a general idea of the place, there were getting a general idea of the place, there were getting a general idea of the place, there were two points in it which we felt a special interest in visiting. One was the palace—still used as the royal residence on the occasion of the residence of the residence of the residence of the royal residence of the residence o King's visit—in one of the rooms of which the famous Augsburgh Confession, written by Melancthon, was first publicly read in 1530. An interesting incident is recorded in connec-tion with this event. The Emperor Charles V. was afraid of the effect of it upon the people, and expressed a desire to have it read Law Department as directed by Ordinauce of May 25th, 1860. If the Lowest Bidder shall V, was afraid of the effect of it upon the memory, was born here, and in one of the in Latin. The Chancellor of Saxony, who was charged with the reading of it, nobly re-was charged with the reading of it, nobly re-was charged with the reading of it, nobly recept by special contract. MAHLON H. DICKINSON, se8-3t Chief Commissioner of Highways. for our faith to be read to the people in a lan-gnage which they do not understand." And then he proceeded to read the German copy which he had, in a voice so-loud and clear that the people outside the palace, as well as those within, PHILADELPHIA, August 25, 1870.

FOR BUREAU OF CONSTRUCTION AND REPAIRS 5.000 bd. feet white pine,1st common, Panel ment he threw into the fire the bond which he held against the Emperor for his loan, saying that he felt himself so honored by the visit that he should have no further use of the bond. We took the train at the close of the afterinches thick, not less than 35 feet long, from 2 to 14 inches wide, square edged. Bidders aro referred to the NAVAL CON-STRUCTOR, Navy Yard, here, for informa-tion as to quality, time of delivery, etc., and the right is reserved to reject all bids that are
