This piece of Furniture is in the form of a handsome PARLOR SOFA, yet in one minute it can be extended into a beautiful FRENOH REDSTRAD, with springs, hair mattresses complete. It has every convenience for holding the bed clothes, is easily munaged, and it is impossible for it to get out of order. The use of props or hinged feet to support the mattress when extended, or ropos to regulate it, are entirely done away with, as they are all very unsafe and liable to get out of repair. The BEDSTEAD is formed by simply turning out the ends, or closing them when the SOFA is wanted. They are, in comfort, convenience and appearance, far superior to and cost no more than a good Lounge.
