Tuesday, September 13, 1870.

cerned, but as the new apportionment of the State will be made by the next Legislature, the Legislative ticket becomes unusually important. The demands of the independent portion by having paused, in its advanced uponof the Republican press have been so far re-Paris, in a position but twenty-five garded as to secure a retirement of several of miles from the city, for the reported purpose of the most objectionable members of the last considering proposals for an armistice, said Legislature, and we presume that one or two to have come in the form of a joint note from more will be retired by the failure of the Austria, Russia and Italy. Our own governcandidates to make their past records good. ment, it appears, has not made any decided propositions in this direction, and England has ded herself, consistently with that cowardly policy of non-interference where profit cannot be secured, which has distinguished her strong and united resistance to the dangerous recent governments. To-day, the cable brings tidings of the resumption of the march the hands from which it has been rescued now upon Paris, the investment of Soissons, and the acceptance by the Parisians of all the im-

these many years. The Republican party needs reform in its mediate exigencies of a siege. rules and in some of its rulers. A long period There is good ground for the belief that Count Bismarck, like a shrewd statesman, desires to conclude the war and would offer easy terms to inbroken prosperity. But whatever of reform France, because he perceives that continuation s needed must be wrought out within the of hostilities to the bitter end, and ruthless party itself. It contains all the elements needed dismemberment of France, will alienate from Prussia the liberal people of the whole world. it is the last act of folly to seek to cure whatking William, it is said, favors disregard of ever-evils-may exist-by-surrendering power-intoall peace propositions until the capital is in his the hands of a party which has proved itself so ands and then he will refuse to recognize and hopelessly corrupt, and so fatally unfit to govern treat with the Provisional government. It is as the party of the modern Democracy. very possible that the present delay has been se-Discontent with bad nominations has its cured by Bismarck to enable him to influremedy, if it will but use it. The Republican ence the king in favor of the wiser party, fully exerting its great power in Philapolicy, and we earnestly hope his delphia, should make such a demonstration at efforts will be successful. Prussia cannot safely the polls as will convince the sham Democracy reject the entreaty of the three powers which that its struggles to gain the supremacy are have appealed to her in behalf of France, nor hopeless, and at the same time convince corrupt can she provoke more slaughter and strive to and unscrupulous politicians that the party is destroy the new republic when it is willing to strong enough to repudiate bad nominations accede even to severe terms for the sake of without endangering the general success of the procuring peace. When Prussia warred upon Napoleon all lovers of popular liberty bade her God speed; but if she uses her newly acquired power to overthrow a government of the peo-

richly deserve such a fate.

President Grant gives the true cue to the duty of every Republican voter when he speaks of the Republican party as "the party that ple and to build upon its ruins another desposupported our armies and maintained the tism, perhaps worse because more incapable Union." The Rebellion is crushed and the than that of Napoleon, she will deserve the ex-Union is maintained, but there is nothing in ecration of mankind. It is a difficult situation the Democratic party of to-day that makes it in which King William finds himself. He has any more fit to govern than it was when it presented to him the choice of two evils. He plunged the country into the horrors of civil must either continue a war which will become war. Whatever has been done in the last inhuman and cruel, or he must recognize a government the existence of which is dozen years for the advancement and elevation of the people of these United States, for the a peremptory denial of the divine preservation of our integrity and honor as a right of his kingship. It will be a connation has been done by the Republican party, sequence of this war as unpleasant as it was and no Republican voter can give his positive free popular government in France; and it will or negative support to the party of Disunion not be a pleasant reflection for the King of and inflicting, to the extent of his individual Prussia that he has called it into existence. ability, an injury upon the community in which ____mhi tfre___ But he cannot escape from the dilemma by he lives. constructing the foolish theory that there is still an imperial government in France, nor by

One special duty devolves upon the Republican votes of Philadelphia at this time. It | & BHAW. Blow Ninth. title of Emperor. He has made it absolutely impossible that the captive should again wield the sceptre of the country which he betrayed. No member of the Bonaparte family can ever again sit upon the throne of France, even though the whole power of Prussia were exerted to secure such a result. We believe that erted to secure such a result. We believe that the people of France are strongly favorable to the people of France are should in their efforts would not have rectained something the republic, and that they will give it their of that political waste. It has been too much support if it is not destroyed by Prussia. That support if it is not destroyed by Prussia. That power has the alternative of recognizing it or First District as hopelessly heathen, in partibus of overthrowing it and setting up a new infidelium, a fortress upon which forlorn hopes government which will treat with Prussia as a expended themselves with no result but defeat. creature might with its creator. A fabric But there is a better future opened for the built in such a fashion by such hands, and First District, and it is a high duty to strain

MARKING WITH INDELIBLE INK committed from the first to abject submission every effort to conquer this one fastness of the will be predestined to destruction, and it will sham Democracy. The Republican candidate, The important European news to-day comes honest, intelligent, courteous, experienced in

THE MOVEMENT ON ROME. from Italy. Victor Emmanuel has entered the public affairs, staunchly attached to every Papal territory, and, in a day or two, will have principle of true Republicanism. Mr. Huckel occupied Rome. It is said that the people in the would make an admirable representative for dominions of the Pope are to be permitted to the First District, and there should be a declare by ballot whether they are willing to strenuous effort to elect him. And while a strong effort is thus made to accept the Italian government. There can be break down the Democracy in its strongholds, there will be an overwhelming majority against the Pope, if the people are permitted to express

There can be break down the Democracy in its strongholds, there must be a timely movement on the part of the active working men of the party to perhaps and Horse Gear of all kinds; at KNEASS. No. 1126 Market street. Bit horse in the door. their opinions freely. This movement on the tect such a precinct organization as will secure part of Italy is made with the consent of the Pontiff but how board of the part of Italy is made with the consent of the Pontiff, but how hardly that consent was wrung from him we can imagine when we remember how fiercely he has clung to the remnant of his temporal power. But he had the choice of two evils, and he chose the less. If the King of Italy had not determined to seize brought out by personal application, and their brought out by personal application, and their the King of Italy had not determined to seize
Rome, he would have lost what popularity
remains to him, and the movement would have proceeded without him. The Pope had to be done in all, and the Republican ticket will Cordage Manufacturers and Dealers i choose between dethronement by legitimate be elected by an overwhelming majority. authority or by Italian revolutionists; for the Most of all, there should be an immediate

popular sentiment of the country demanded | cessation of all petty hostilities between cliques popular sentiment of the country demanded the fulfilment of that dream of unity which is as dear to the Italian heart as to the German. The opportunity did not come until the downfall of Napoleon, who has occupied Rome for twenty years, and until the German people various "rings" that grow up, unfortunately, in were accomplishing their scheme of unification. This occupation of Rome nearly comtion. This occupation of Rome nearly completes the consolidation begun in 1850 by causes of dissension put out of the way at once, and present such a harmonious and Napoleon, continued afterwards by Garibaldi, and in 1866 by Prussia, which gave Venice to not only a complete but a glorious victory.
