This magnificent train, hauled by the enspire in for pressing in the pressing in f poor suburban dwellers, peasants, market-gardiners, dairy-men, and others, who live around the city and furnish its supplies, are pressing in for protection against the invaders, and this again exasperates to see so many more bouches inutiles coming in to be fed. I more bouches inutiles coming in to be fed. I and this again exasperates to see so many more bouches inutiles coming in to be fed. I can assure you that Paris is anything but an "amusing" place to be in, except to those who can always find amusement in what they call excitement," or still worse, in viewing some of the worst feelings of human nature in a state of rebellion.

The Authorities Trutter.

reached Kansas City, the western terminus of the Missouri Pacific Railroad, about 11 A. M. on Wednesday. Here we were received by Mayor McGill and a delegation of citizens, beaded by a brass band, who captured our party, and placing us in carriages, we were driven to the St. James Hotel, where we were driven to the St. James Hotel, where we were served with an elegant breakfast, after which we were again escorted to our train, which started for Leavenworth City, the largest and five minutes followed. The townsmen had all five minutes followed.

The authorities femselves seem to me to
be in a state which resembles flutter, a good deal more than firmness. The Empress does not appear to know whether to go or stay.

Nor does any one much care, though I should mot be surprised if her going away proved to the eignal for some important political change. I believe she is afraid to go, chiefly on that account, and her party keeps her here lest the rickety machine should tumble all to pleces at the least attempt made to move it.

I the finite in largest and one of the most prosperous and beautiful cities in Kansas. Here we were also cordially wellong their carriages to drive us to Fort Leavenworth. After a hasty inspection of the fort and a drive around the city of Leavenworth were carriages to drive us to Fort Leavenworth. After a hasty inspection of the fort and a drive around the city of Leavenworth were recurred to our train and started for Lawrence, which place we reached duying the night. When we awoke in the morning we beheld a long train of carriages coming toward us, when it was ascertained that the good citizens of Lawrence, not to be outdone by their Leavenworth need to in the morning we beheld a long train of carriages coming toward us, when it was ascertained that the good citizens of Lawrence, not to be outdone by their Leavenworth need to in the morning we beheld a long train of carriages coming toward us, when it was ascertained that the good citizens of Lawrence, not to show us their town, a crowd of cuirassiers some lancers were mixed.

Scenes at the Barriers.

Which they succeeded in doing in fine style. up; then came hussar uniforms. The roads are thronged; unmounted horses gallop past. After driving about the town a short time and are thronged; unmounted horses gallop past viewing the surrounding country from the tops as driven on by panic; on all sides are swarms of the hills in the vicinity, we were escorted to the first stress and ridden by infented. venor kindly informed us that he would have what was left of the fruit boxed up and sent aboard our train. We then left the hall for the train we then left the hall for the train.

By five o'clock the torrent gradually ceased crammed with Turcos; next a peasant's wagon filled with bedding and household gear, but no

Junction City, Abilene, Solomon City and owner; a Zonave fed the horses, two frightfully wounded Turcos lay on the top, a cluster of unarmed soldiers of all arms clung round it Now followed infantry on foot.

It was about half-past five; still no officers In dense swarms the chancery cars, the cartion. Then came a lot of sutlers and camp-followers. The infantry had all flung away derful increase of population. The unexpectand surprising breadth of acres under cultivation in the Kansas valley. and the second

The greater part of the road is already completed, and the earnings from the finished portion are already more than sufficient to pay operating expenses and interest on the bonds. The balance of the work is progressing rapidly, in time for the movement of the coming grain crops, which, it is estimated, will double the present in come of the road.

The established character of this line, running as it does through the heart of the most thickly settled and richest portion of the great State of Iowa, together with its present advanced condition and large earnings, warrant us in unhesitatingly recommending these bonds to investors as, in every respect, an undoubted security. These bonds have 50 years to run, are convertible at the option of the holder into the stock of the Company at par, and the payment of the principal is provided for by a sinking fund. The convertibility privilege attached to these bonds caunot fail to cause them at no distant day to command a market price considerably above par, besides paying about 9 per cent, currency, interest in the meanwhile. United States Five-twenties, at present prices, only return 5 per cent, and we regard the security equally safe. were as much amused as we were, as was shown by the frisky wag of their tails as they existence. In the whole body not more than forty in marching order; altogether some 3,000 to 10,000 men; very few wounded, some three or four cavalry officers, two artillery, and about eight infantry officers in the entire swarm; such a rout as neither 1850 or 1866 ever witnessed.
But back I must go to Haguenau. It was seven o'clock; the stream of fugitives was less swollen. As in the fading twilight I hastened HENRY CLEWS & CO., theory, wise or unwise, this grand rankly line was opened without the charm of female society as far as Hays. LONDON, Sept. 14.—(Special to the New leave Strasbourg.

It is reported that an envoy from Russia has York Herald, 1—Our Paris correspondent telesaid that the government for defence, which he as an humble member deplored as a horrible necessity, had the task of carrying on a war that the Emperor had provoked, and from which the Republic would gladly escape. Neither France nor the government to-day had aught against Prussia or Germany, and vet was forced to fight both without cause of quarrel even, and without hopes of escape from, and without hopes of escape from, York Tribime.]—The Bayarian ministers are one of the most cruel trials that Providence had ever visited upon any people. That this government earnestly desired to withdraw from this frightful war, and turned its eyes on every side for some friendly mediation.

It touched his heart to hear that the Ameriside for some friendly mediation.

It touched his heart to hear that the American government had made a Christian effort to stay this wicked waste of life, but he regarded with wonder and horror the fact that Prussia turned a deaf ear to all representations record.

Cratic socialists—are agitating for peace with their French brethren, and are protesting against the annexation of Alsace and Lorraine. A printed address was seized by the police in Brunswick, and its authors and publishers imprisoned.

Bern Pawnee, Anker, sailed from Dublin 31st ultimo for the port.

Brig Paragon, hence for Boston, was spoken 12th inst. of Block Island, with loss of foretomas 3d dist. for this port.

"he Empire left her without an army arms, nence at Boston 14th inst.

"he Empire left her without an army arms, nence at Boston 14th inst.

"he control of the feeter to Favre is sharply criticised by the national Zectung. It is said that he had authorty merely to recognize the new Republic, and all beyond was an expression of personal feeling. It complains of his failure to protect the Germans under his care, how persecuted by Gambetta more cruelly than before.

"he Empire left her without an army arms, nence at Boston 14th inst.

"LEWES. DEL., Sept. 14.

a force engaged against France.

The Empire left her without an army, arms, or money; the capital was soon to be surtermore that baraine refuses all terms, and it is expected that he will attempt or money; the capital was soon to be such rounded by hundreds of thousands of highly to cut his way out.

The removal of General Steinmetz was the removal of G caused partly by his needless sacrifice of troops, Prussia to fight against these citizen soldiers, most of whom never had a musket in their russia to nght against these citizen soldiers, nost of whom never had a musket in their ands till a week ago, and who were by their nanhood compelled to stand on the defensive? manhood compelled to stand on the defensive? If Prussia kept the field and bid France come necessary. The German Princes are preparing a manifesto regarding the future organization and government of Germany, to forestall popuforth and fight her, though utterly unprepared for such a fearful struggle, that would have something manly about it, but to set her armies lar action and anticipate liberal action. Mini on a city crowded with women and children, ces not with the army, especially the King of ter Van Del Bruck, after visiting all the Prinand only protected by their half-armed husbands and fathers, would be cowardly. Saxony, has now gone to report at the King's If that was considered fair, humane conduct by the King, then Paris has only to submit to her fate, and perish, calling on Heaven to witness that they had not provoked their martyring from the headquarters of the Italian army dom. It was not an exaggerated notion of honor that drove the citizens out of Paris to make an effort for defence against such fearful odds, but simply in order to retain a hold the King to the Pope, in which the King simply

upon the sympathy and respect of the world stated that considering the important event y falling manfully at the threshold of their I that had occurred, he had thought it his duty homes that they could not save from outrage and desolation. PARIS, Sept. 13, Evening.—[Special despatch to the New York Tribune.]—One of the secretaries of the British embassy has started for the "When the King's troops enter, I will declare taries of the British embassy has started for the Prussian headquarters to ask whether negotial myself a prisoner." Cadorno believes the Pope tions are possible.

A correspondent, writing from Rheims, Sept.
6, describes a conversation with Bismarck, who avoid bloodshed. Col. Charette, commander began by expressing high regard for General of the Papal forces, notwithstanding the Pope's Sheridan, and gratitude to the United States for order, threatens to oppose the Italians. His their sympathy with Germany.

To a remark concerning German unity Bismarck replied that there was no stronger friend of unity than himself, but care was required in accomplishing the work. "South Germany has been and equipped soldiers, having Remington muskets and several mitrailleuses. their sympathy with Germany. accomplishing the work. "South Germany baving fought by our side her wishes must be considered and her inclinations cannot now be if a rising occurs. Cadorno told me that if any THE FIDELITY INSURANCE, TRUST those States to join us. In Bayaria, it seems im- foreign troops to the last man, but the natives The news of the French Republic had just been received, on which Bismarck said, "We shall not interfere with their domestic affairs."

I asked Cardono if there was any chance of coupon by their now abandoning the enterprise, and he started and exclaimed: "Don't you see the shall not interfere with their domestic affairs."

I asked Cardono if there was any chance of coupon bonds, Stooks, SEOURITIES, FAMILY been received, on which Bismarck said, "We started and exclaimed: "Don't you see the shall not interfere with their domestic affairs."

I asked Cardono if there was any chance of coupon bonds, STOOKS, SEOURITIES, FAMILY been received, on which Bismarck said, "We started and exclaimed: "Don't you see the shall not interfere with their domestic affairs." settled government to give Prussia a secure guarantee for the payment of the war expenses and indemnity, Bismarck replied only by repeating "We don't want to interfere with the and indemnity, Bismarck replied only by repeating "We don't want to interfere with the domestic affairs of France. Our people think Bixio, is under the walls of Civita Vecchia, to

we must have those German provinces that co-operate with the fleet of Admiral Cerrati, France took from us many years ago. We must, at least, render France powerless to menace us by the same road. Metz and StrasMartini from the Pope proves to be utterly Martini from the Pope proves to be utterly bourg we must have, and we ask; no more, the reper proves to be utterly bourg we must have, and we ask; no more, the reper proves to be utterly illegible. The Cabinet vainly endeavored to are a very patient people. They have been telling us that we would not fight, and that they would compel us. Well, we are like the father the offer and will be the compel us. Well, we are like the compel us. Reported for the Philadelphia Evening Bulletin father of a family, who, after enduring many Hoborted for the Philadelphia Evening Bullelin.
