BETURNING, LEAVE ATLANTIC

PHILADELPHIA EVENING BULLETIN, TUESDAY, SEPTEMBER 20, 1870. tion would have entailed enormous expense. It was therefore, abandoned; but the idea of a great central point was persisted in, and competent men designated, some Tours and others petent men designated, some Tours and others prison very long, were before Mayor Cox yes tenday afternoon, and were committed to answer the charge of passing counterfeit money and larceny. It appears that Prosecutor Jenkins had marked and put away in his office a lot of counterfeit money, 50 cent, \$10 and \$20 notes, which he had taken from a man he had convicted of passing bogus money some five tion would have entailed enormous expense. THE HANSAS PACIFIC RAILBOAD. We copy from the Missouri Democrat's re the recent railway celebration at Deur the characteristic and eloquent remarks c. Prescott Smith Esq., of Baltimore: he Mayor called upon Assistant Postmaster-Charles VII, saved Trance, overywhere the gent of the last sters of 1815, and there, after the disasters of the army vere established the headquarters of the army vere establishment in thought of founding there a great central military establishment; I onlis Philippe in 1837 tailoned there a regiment of artillery, to make a beginning of the realization of a more extended plan, and the law of the 20th June, the ledded plan, and the law of the 20th June, to list, decided that the guns for the fortification of Paris should be deposited at Bourges. A deputy Me Duplan, published in 1857 tailoned the recommending the execution of the plan; gave a second edition of the work in 1801 and a third in 1862. "Bourges is not only," he said, "the central town par excelling tence, but its strategical position is exception—the lence, but its strategical position is exception—the lence of the light of the part of the law of the part of the law of the law of the 20th June, the law of the law of the 20th June, the law of the 20th June, the law of the law of the 20th June, the law of the 20th June, the law of eneral Smith, but that gentleman excused imself in words which follow, and this brought it General William Prescott Smith, of Baltimore a well-known railroad man, and a gentleman who was the life of the party almost the As we have had a speech from the Mayor of-Denver, the President of the Kansas Pacific allroad, the Postmaster-General and the Smith family I wish to transfer my speech to the only member of that family who is able to make a speech here—our genial friend, Wm. Prescott Smith. [Loud calls for Prescott Smith.] MR. WM. PRESCOTT SMITH. lence, but its strategical position is exceptionally advantageous. It is covered and protected from all sides within a radius of 120 to 100 after passing five additional from the control of the protection of th Mr. Mayor, I assure you and gentlemen, hat I am in a greater dilemma just now than ADJOURNED. Yesterday, the Special Court, ils Napoleon himself, because he is done for. after passing five additional sentences, and transacting some other business, adjourned to le knows the worst, and therefore is in a state kilometres by a series of natural obstacles, comparative consolation. But as I am here which give to a defensive army the possibility the first Tuesday in October. ught before you so suddenly, I can only say of arresting the enemy coming from one or several points of the invaded circumference." that I am not a stranger to you. I am THE COURTS. ure that I can claim an intimate acquaintance The expense would, it was thought, amount to with every gentleman here, because I am no other than the individual of whom you have so RAILROAD DIVIDENDS. fifteen millions. After a long examination Bourges, by its position in the heart of the nuch heard as the man who is "unaccustomed Important Decision By Judge Strong. to public speaking." [Laughter.] Do not understand me, gentlemen, that I want to be at issue with that most respected and patriotic member, and who does such credit to the Smith An important decision was delivered by Judge Strong yesterday in the United States Circuit Court, in the case of the Philadelphia and Reading Railroad vs. Barnes, Collector of mily, but just now before you. I do not de- 000 francs, but the work has only as yet been, internal Revenue, Judge Strong read an elaborate opinion, deciding, as the law stood befamily, but just now before you. I do not design to retaliate on him for the insinuation he made that you might be entertained by me. [Laugeter.] It shows that some of the Smith family, in common with all others, when they companies on and after January 1, 1870, were family, in common with all others, when they companies on and after January 1, 1870, were companies on and after ot into a difficulty, know how to get out of it. of Hohenzollern, which in Europe is the incarnot liable to an internal revenue tax, and that nation of evil, the Prussian Government will the act of July 14, 1870, could not be accepted ndtion of evil, the Frussian Government, I have a serious business to not fail to come some day and take its revenge, as a legislative exposition of the meaning of the former law, so far as it applied to the perform here to-night, now that I am up. I after having woven together a new coalition by its ruses and traditional perfidy. In the present am not, though, like the man who got up his eagle, and could not get him down. I assure you I will get mine and myself down very soon. [Laughter.] But, before I do git, alpresent case. There were a number of cases involving the same question. After reviewing the acts of Congress an low me to say that which I can say only in an the advice which we have already given the individual capacity, that I was charged before I Now, if the income tax imposed by the act individual capacity, that I was enarged before I government, to essaurant the last by the President and other officers of the Baltimore and Ohio Railroad Company, with congratulatory messages to President

THE FIRES IN CANADA. with congratulatory messages to President Perry, General Palmer and others who have THE FIRES IN CANADA. the tax on the income of 1869 which had not een engaged in this great work which we been paid—if the act of 1864 did not prescribe A Word of Advice. The Montreal Times of the 16th inst says: ave seen accomplished here, ending-or posa tax upon dividends made and interest paid by sibly suspended—only at the base of these "We have heard further particulars of the great fires around Ottawa from parties who as I have endeavored to show, it was not the mountains. I was requested specially to say that no matter if Pennsylvania, Ohio and Mishave traversed some of the townships in which they prevailed, and they are still more deplorsouri did mainly supply the means to build this the than former reports. It appears that in by them and declared payable January 1' work; no matter where there were feelings of considerable stretches of country where the soil was light and chiefly composed of vegetable mold and roots of trees and plants, it has been all burned off and left nothing but stones, so that the farms must be deserted. Where the to the shareholders who had then a vested to the shareholders who had the shareholders stantial good will entertained toward i that Baltimore and its extended and prosperous railway and English and German steamship in erests, claimed to be foremost among them plausel, and that Baltimore looked to and soil was thus burned away, also the trees, | right in it, and the plea of the defendants does cities that stand almost on an air-line bewhich were only partially injured by fire, have in many cases fallen for want of soil to hold their roots. There is not, so far as we can learn, much valuable lumber destroyed, as the settled country in which the fires prevailed were pretty well "lumbered out." The feeling in favor only frequent to do that which they had no right to enforce a penalty upon the plaintiffs for an omission to do that which they had no right to only frequent to the castle and leaving cultivated. which were only partially injured by fire, have | not aver that the whole dividend was not at tween Denver and our Monumental City as the line fit to encourage, and the line with which it is most naturally identified. [Applause.] And this feeling was so distinctly ntertained that as the representative of those great interests (in the inability of their officials of fencing in the cattle, and leaving cultivated and unfenced is, we hope, extending. Fences not only cost a good deal for rails and labor, but they occupy a considerable per centage of the farm with nurseries of weeds, and, above the farm with nurseries of weeds, and that the tax is levied upon the shareholders, and that the company is merely the governmental agent to he with you) I cannot for the moment forbear from its emphatic public utterance. een amazed out here at what I have seen. on my mind as I rode on the Pullman Palaces all, they are communicating lines for fire to collect it. Its liability to a distress, if any run along. There is no question that the there be, arose out of an unlawful failure to sensible way is to fence in cattle with, it may collect the tax and pay it over. rom Baltimore to Denver, and among them hat I read of when a boy and that my school be, a field for exercise and permanent pasture, But the failure was not unlawful at the master showed me in the geography l" Where, where is the "Great American Desert?" Here and feed them with whatever more they retime. Surely it will not be maintained that quire. This is the plan adopted on the contin- the declaratory act of 1870 can be regarded as is a vast and beautiful expanse, teeming with milk and honey, and literally blooming with flowers. Here are pleasant breezes and fertile planes. Here the forests, too, will come, and here, even at man's bidding, every product of the earth that ministers to human coutentment that you may now need will surely come. I do

quire. This is the plan adopted on the contingency of the most advance of the deciaratory act of 1840 can be regarded as operating retrospectively to make the act or omission of the plaintiffs unlawful and punishable as an offence, when the act or omission of the plaintiffs unlawful and punishable as an offence, when the act or omission of the plaintiffs unlawful and punishable as an offence, when the act or omission of the plaintiffs unlawful and punishable as an offence, when the act or omission of the plaintiffs unlawful and punishable as an offence, when the act or omission was innocent at the time when it occurred. Were it conceded that the construction given the plaintiffs unlawful and punishable as an offence, when the act or omission was innocent at the time when it occurred. Were it conceded that the construction given by Congress is binding in all cases where it was innocent at the time when it occurred. Were it conceded that the construction given by Congress is binding in all cases where it was innocent at the time when it occurred. Were it conceded that the construction given by Congress is binding in all cases where it was innocent at the time deciaratory act of 1840 can be regarded as operating retrospectively to make the act or of the operating retrospectively to make the act or of the operation of the plaintiffs unlawful and punished as an offence, when the act or omission of the plaintiffs unlawful and punished as an offence, when the act or of the operation of the plaintiffs unlawful and punished as an offence, when the CITY BULLETIN.

Or Congress is binding in all cases where it would not disturb vested rights, or operate practically as an ex post facto law, it is not to be presumed it was intended for application to such a case as the present. Of course, I am not to be understood as maintaining that in July, 1870, when the declaratory act was passed, Congress had not power to impose a treatment of MR. EDWIN FORREST WEDNESDAY—Shakspeare's Tragedy, in 5 acts, of MACBETH.

A RUH STREAM.

A RUH STR u may now need will surely come. I do not know, gentlemen, how it is to be worked out—this general irrigation problem—I canno say; but there have been so many contradictions to our preconceived ideas, so many disappointments to our original suppositions, that hould not wonder if everything you should Market street, below Seventh, last evening, and fractured his arm and was otherwise before that time. What I mean to say is that require to make you perfectly contented and \nd what has become of the Western fronnjured.

James Keller, James Green and George
it is not to be admitted Congress intended by that act to subject any institution to a penalty tier? What! are the American States without a frontier? And where is our frontier Beasely were committed yesterday, by Alderman Kerr, on the charge of having robbed the store of William Anderson, No. 1520 Market street, on the 5th of September. At that time goods valued at \$1,000 were carried off from the store.

—John Marley was held yesterday by Alderman Kerr, to answer the charge of obtaining money under false pretences. He represented money under false pretences. He represented to the stock of income derived from any kind of property, to N. R. Maver. of the Green and Coates

for not having, defore its passage, conected a tax which had not been imposed.

Is, then, a dividend declared December 22, 1869, but declared to be payable January 17, 1870, income of 1809 or 1870, within the meaning of the act of Congress? I think it must be income of the latter year. True, it was earned by the company in 1860, but it was not available to the stockholders. The act speaks of income derived from any kind of property, 1. L. CABNOROSS. Manager.

BOX Office open from 9A. R. 10 4 F. MATHERS BY.

Figure 1971 September 22, 1869, but declared to be payable January 17, 1870, within the meaning of the act of Congress? I think it must be income of the latter year. True, it was earned by the company in 1860, but it was not available to the stockholders. The act speaks of income derived from any kind of property, 1. L. CABNOROSS. Manager.

J. L. CABNOROSS. Manager.

J. L. CABNOROSS. Manager. Beasely were committed yesterday, by Alder- for not having, before its passage, collected a ow? Where is the traditional border ruffian: [Laughter.] Where, if not in the Rocky Mountains and between this and the Missouri? [Laughter.] And yet, what have we seen? We have seen as refined, elegant, hospitable and generous a people as there is on the face of the earth! [Applause.] Where, I repeat, is the border ruffian? Where is the American frontier? Where is the great American Streets Railway Company, that he had been authorized by John Gable, a driver, to receive his pay, and did so. Gable denies that he had given him any such authority.

The B. Mayer, of the Green and Coates of Income derived from any kind of property, so the tax part of the tax of desert? These questions, gentlemen, throng on the mind and confuse us, when we find no evidence, and no trace, even, of such existence. And as for these great mountains that stand The German Republicans of the Third Came and never could come into the hands of the taxpayer. The language of the 122d section is also significant. In speaking of the Mitnessed with republicans of the taxpayer. The language of the 12th Section is also significant. In speaking of the Section is also significant. And as for these great mountains that stand
here with their vast-columnal—heights, fretted—given him any such authority.

—The German Republicans of the Third with the storms of ages, and grappling with the clouds, whose summits pierce the vaulted sky. Great Heavens! what amazements have met companies therein mentioned, it declares they last evening, and organized a campaign club. Inst evening, and organized a campaign club.
The following officers were chosen: Presidents, F. W.
Thomas, George Siegman, F. Ehresmann, I. ouis Heck, George Kessler; Secretary, Paul Jagode; Treasurer, Tuisko G. Thomas.

—The Presbyterian Alliance held an admitted and the construction that has been selected as the construction that has been shall be subject to and pay a duty of five per centum on the amount of all such interest or coupons, dividends or profits, whenever the same shall be payable.

And such is the construction that has been shall be subject to and pay a duty of five per centum on the amount of all such interest or profits, whenever the coupons, dividends or profits, whenever the coupons dividends or profits, whenever the coupons of the company of the co With all my imagination I never mentally pictured such sublime scenes; with all my vivid love for the beautiful I was so intoxicated with the full sublimity of God's works as upon these mountains and with their Heaven-The Presbyterian Alliance held an adgiven to the act, in accordance with which the irned meeting last evening, and elected the But, gentlemen, forgive me. I am betrayed taxes have been collected. Prior to the act of tollowing officers: President, Rev. George Musgrave, D. D.; Vice Presidents, Judge 1864 there was a tax on dividends at the rate into an appearance of contradicting myself you I was really and truly unacof three per cent., and when by that act the Strong, John McArthur, William O. Johnston; customed to public speaking. [Cheers.] rate was raised to five per cent., the Commissecretary, Rev. Dr. Nevin; Treasurer, J. B WAR INCIDENTS. sioner of Internal Revenue issued a circular, jardiner; Executive Committee, Rev. Dr. dated July 1, 1864, declaring that "all dividends French Fortifications...What May Be Done After the War. Musgrave, Rev. B. L. Agnew, Rev. J. Addipayable on and after July 1, 1864, no matter son Henry, D. D., Rev. Mr. Dana, Rev. Mr. Under the leading of "Bourges et la Résistance Nationale" the Opinion Nationale, of Paris, publishes an interesting article recommending the establishment of a great central fortified place. It says:

It is not sufficient to have fortified Paris.

It is not sufficient to have fortified Paris. when declared, are subject to the duty of five er centum." I am not aware that any differ ent construction of the act has ever prevailed My opinion, therefore, is that the dividend declared by the plaintiffs must be regarded as

A Limited Quantity still offered for sale as 90 AND ACCRUED INTEREST INTEREST 1 AYABLE MAY AND NOVEMBER

The greater part of the road is already completed, and the earnings from the finished portion are already more than sufficient to pay operating expenses and interest on the bonds. The balance of the work is progressing rapidly; in time for the movement of the coming grain crops, which, it is estimated, will double the present income of the road.

The established character of this line, running as it does through the heart of the most thickly settled and richest portion of the great State of lows, together with its present advanced condition and large earnings, warrant us in unhesitatingly recommending these bonds to investors as, in every respect, an undoubted security.

These bonds have 50 years to run, are convertible at the option of the holder into the stock of the Cumpany at par, and the payment of the principal is provided for by a sinking fund. The convertibility privilege attached to these bonds cannot fail to cause them at no distant day to command a market price considerably above par, besides paying about 9 per cont., currency, currency, istant day to command a market price considerab bove par, besides paying about 9 per cont., currence iterest in the meanwhile. United States Five-twentic t present prices, only return 5 per cent., and we rogate sescurity equally safe.
