We cannot believe in the sincerity of the desire of the present l'arisian Government. to make peace so long as it continues by its lan make peace so long as it continues by its han-guage and its acts at home to excite the pas-sions of the people, and to increase the hatred and bitterness of a population stung by the sufferings of war, and to repudiate in advance every basis acceptable to Germany as unac-ceptable by France. By such a course it, be-comes impossible to make peace. The people should be prepared for peace by calm words and in terms corresponding to the gravity of the situation.

If we are to believe that negotiations with us for peace are honestly intended, the demand that we should conclude an armistice without any guarantees for our conditions of peace could be meant seriously only on the supposi-tion that we lack military or political judg-ment, or are indifferent, to the interests of Germany. Moreover, the hone entertained by

Germany. Moreover, the hope entertained b the present rulers in Paris of a diplomatic or material intervention of the Neutral Powers in favor of France prevents the French na-tion from seeing the necessity of peace. When the French nation become convinced that as they have wantonly conjured up the war alone, and Germany has had to light it out alone, they must also settle their account with

THE METALLIC SPRING GARTER Every Lady Should Use Them.

Its use has demonstrated it to be the ensiest, most lealthful and comfortable Garter over offored to the ublic. By its form being round it will always maintain ts proper location, as by the motion of the muscles in valking it will roll upward, never downward. This act allows a very low tension, making it the EASIEST GARTER IN USE ! It does not have a continuous line of contact, but res in many and small surfaces. This ensures perfect ve dilation and full circulation of blood, making it HEALTHFUL AND COMFORTABLE! It is in all respects the best made. THOS. T. HOLME. Agent for Philadelphia
