MANY CHILDREN WOULD BE SAVED much suffering, if, when listless, fretting and losing strength without any particular disease manifesting itself, they were given a dose or two of Dr. Jayne's Tonic Verminger. This excellent tonic will restore the appetite, give tone to the stomach, and strengthen, the dig-stive organs, and so bring back the cherfulness and viyacity of the child. Should Worms be the source of trouble, as they very generally are, the Vermituge utterly destroys and purges the system of them and their nests, and thus renders their reproduction less likely. No remedy could be kept in the house better adapted to meet a very large number of the ordinary atiments of children, or to save them from more suffering.
