BOMAN AFFAIRS. The magnitude of the revolution that has the number of this decency-defying minority, it taken place in Rome is scarcely appreciated by is impossible to foresee the extent to which the people of this country, owing to their pre- their rascalities will run. occupation with the stupendous and terrible The election is not an unimportant one. I events that have occurred in France. But, a involves many issues that cannot be lightly set few months ago, the whole world would have aside. And we urge upon all good citizens sebeen excited over such facts as those lately an- riously to consider their duty and not to pernonneed. The leading facts are: the with-mit a culpable apathy to keep them away from drawal of the French garrison; the entry of the polls. an Italian army; the absorption of all that was left of the Pontifical States into the Kingdom of Italy; the almost unanimous vote of the Romans in favor of this absorption, and the acquiescence of the Pontiff in the new order of things. Thus has the temporal power of the Pope been swept away without bloodshed, and peace negotiations of Jules Favre, information not one of the Great Powers of Europe, Cath-of which was supplied to Napoleon by Bisolic or Protestant, has said a word in opposi."

Every impartial mind, of liberal ideas, must consider that the cause of real religion and of The author begins with the declaration that the Roman Church is greatly strengthened by he has constantly desired, during his captivity, this separation of the ecclesiastical from the that the French people would succeed in political power in Rome. Only narrow-minded driving the invader from the soil. He then bigots, like Archibishop Manning, can honestly strives to excuse hist crime of-plunging the take any view of the matter different from nation-into war, by declaring that it was comthis. In the almost frantic diatribe that the pelled by a "general impulse" of the French Archbishop is reported to have delivered from people, and he uses this assertion to bring dishis pulpit in London, on Sunday last, he vir- credit upon the Provisional Government, which, tually admitted that separation from politics he says made profiers of peace to was a benefit to the church; for he cited the prove that it was not responsible for rapid growth of the Catholic faith in America, and had deprecated the war. This part where church and state are totally separate. of the letter is a shrewd attempt to cast He might, also, have cited its growth in Eng- upon the new government the blame of acting land, where the church established and sup- in opposition to the popular will, and to prove ported by the Government is Protestant, but where, by successive triumphs of the liberal it with something very like treachery in proposparty, the Catholics are placed on a footing ing peace "at the very time when the national with those Protestant sects commonly called defense was about assuming proportions Dissenters.

It is most a fortunate thing that this revolu-Powers outside of Italy were unable to interoved than ever by the Romans, and that they. have been for ages.

THE ISSUES OF THE CAMPAIGN. Apathetic people, who say that there are no important issues in the present political campaign, shut their eyes to facts which can only one great fact of the present war: that Bonabe wilfully ignored. In any contest between the so-called Democracy and the Republican party of this country, there is an issue between education and ignorance, between progress | but they will surely refuse any such proposiand the bondage of tradition, between freedom | tion as that made by him in this letter. It is of thought, and conscience, and an abject servility to party drill and party dogma. But in whether they would consent now to throw this present contest there are some particular down their arms and enter into a friendly alliissues, of great importance, involved. Five ance with Prussia after dismantling the French years have passed away since the Rebellion forts and paying the pecuniary claims of Pruswas crushed; but there is still a fretting and sia. No man who is not a fool would ask chafing at the results of the Rebellion, a smoul- such a thing of them, or hope to induce the pressure of a Republican' majority is taken there the slightest probability ' that off, in Congress or in the State Legislatures. Prussia would consent to such an absurd pro-The Democracy has formally declared its dis- position. She has a chance now to obtain all sent from the Constitutional amendments the material advantages offered by Napoleon, which have grown out of the Rebellion and its and, besides, to destroy the military power of policy of emancipation, and these amendments France. This is her declared purpose; and it will be practically nullified, whenever a Dem- is impossible that she should surrender it for cratic Congress or a Democratic Supreme an alliance which would leave France power-Court can be placed in Washington.

United States of America have any existence the throne of France. OHEAP SCHOOL SUITS for Boys and Girls.

The present campaign involves the vital question of a Republican majority in Congress, of the New York papers, must not be reand, through that majority, all the vital ques- ceived without considerable allowance for the tions which have been determined in the last | work of fancy, either in the reporters abroad, | ten years, or which are to be determined in the or in the compilers and padders and inventors next ten years. With anything like a fair election, and with anything like an earnest effort | tinguished for its sensational reports, scarcely en the part of the people, the First District any of which have proved true. The other day ought to be rescued from the Democracy and it printed a long and circumstantial account of delphia, Philadelphia is eminently a Republi- rout of the Crown Prince; the evacuation of -can city, and nothing but a system of long. Versailles and Rambonillet; the rupture of the

With such men as | ledgments at any time. would constitute the majority of a Democratic Legislature, there would come such a disorganizing of the present districts as would prostrate every domestic interest of this city and have reached us. It is a morning two-cent State, and bind them helplessly to the chariot paper, and in every part it shows that it is in wheels of the sham Democracy. There is an the hands of men who understand their busiissue here, of incalculable importance to the ness. Its pulitics are Republican, and its leadindustrial interests of Philadelphia and Penn- ingarticles are sound in sentiment, dignified sylvania, and it must be met and determined in tone and excellent in style. Such a paper by the intelligent votes of the people.

Apart from these vital questions are others, and the State Journal deserves the support of on the premises, will greatly lessen risks of fire and scarcely less important. The question of the | the Republicans throughout the State,

of New York, recently, in company with a intelligent resident of that city, he remarked t the writer : "There sit Reckless Rascality and Polished Infamy." And the remark was not more epigrammatic than true. We have guarded our courts thus far from such criticism The EVENING BULLETIN is served by carriers, as this, and it is all-important that we shall

> The Legislative ticket is most important, i view of the fact that while the Republican sent some very bad men to Harrisburg, the Democracy does worse. Even in its minority it has men so profoundly steeped in all official villainies as to be able to control very much of the action of the majority by the exercise o the corrupt arts of which these trained rogues are accomplished masters. If we increase

-NAPOLEON'S MANIFESTO.

We print upon an inside page to-day an extraordinary manifesto from the ex-Emperor Nanoleon. It is addressed to Count Bismarck and purports to be a commentary upon the marck. In reality it is a bid for the French throne and an expression of Napoleon's deter mination to secure it for himself or his dynasty. that it has not popular sympathy. He charges | \$15 STYLISH worthy of France." " The force of this assertion is not apparent in view of the fact that tion in Rome has occurred at a time when the France did not offer terms until the incompetency of Napoleon and his subordinates defere by force. Any collision of arms would feated two great French armies, and brought have brought danger, insult, outrage and perhaps death upon Pius Ninth, and the whole meet only citizens armed for defence of their civilized world would have been horrified and homes. Napoleon is, however, wise enough SEE disgusted with any personal wrong done to him. to commend Favre for rejecting the terms He has shown more wisdom than many of his offered by Prussia, for, he declares, with herozealous supporters like Archbishop Manning, in ism which would be admirable, if Napoleon submitting gracefully to the new order of were in Paris, that such a war "can things. It must be said, also, for the Italian only end in the ruin of one of Government, that it has acted wisely in avoid- the two adversaries, or in a loyal ing the course that the Red Republicans would reconciliation." This last sentence discloses have advised, and in taking all possible mea- the principal purpose of the letter. Napoleon sures for treating the Pope with the respect due actually proposes to King William that the war to his high and holy office, to his venerable shall end, and that an alliance offensive and years and his pure personal character.' If the defensive shall be made between Prussia and amenities that have marked the beginning of France. As an inducement he intimates that the new order of things in Rome shall be con- he is ready to dismantle the fortresses upon tinued, as there is reason to believe they will, the German frontier, and he hints that France we may expect that the Pope will be more be- might, under certain conditions such as he proposes, indemnify Prussia for her losses. To relieved from their anomalous position of sub- this he adds a suggestion to the effect that it jects of a pontifical prince, without army or will be to the interest of King William not less revenue to protect and support them, will be than to his own to adopt instant means to more happy and more prosperous than they check the republican tendencies of the people of both countries.

" Of this extraordinary document we may say that it deserves only ridicule and contempt. It proves that the author fails to recognize the partism can never curse France again. The French people not only will repudiate Napoleon and his authority to speak in their name, SEE ! hardly worth while to discuss the question The Republican party alone preserved the began this war. We are assured that this docugreat experiment of human self-government ment will be received by France with scorn, from absolute destruction. The Democratic and by Prussia with ridicule. It derives its BASKETS. party, as such, did all that a political party could only importance from the fact that it proves do to foster and strengthen the Rebellion, and that Napoleon entertains, even at this time, a MISSES SUITS of all New Styles.

THE EUROPEAN WAR		THE WAR IN EUROP
Bismarck's Circular.	TURENAY, October i The weekly statement of our city banks yesterday indicates a decided turn in the money market in favor of robustoing case. The deposite show an increme of \$227435; specie 532.757, and legal- tenders \$250357. On the other hand, the loans show a further contraction, amounting to \$64,920, whilst the clearings have increased \$2295,590. Taking all the items together, the result is very favorable to the future of the market. The Treasury programme for the our- rent month will add materially to the resources of the banks and prevent any further advance in rates, and perhaps force upon lenders a decline in the present scale. In the first place, the treasury pro- gramme was not to the taste of most of the speculators in the Gold Room, for it failed to gratify the expecta- tion of a larger sale of gold. In this point it disap- pointed the "bears." On the other hand, the 'bulls, who were encouraged to buy early in the morning, found the precious metal unaccountably weak, and hence the day passed with a display of considerable ill-lumor by both "bulls" and "bears." It will have been noticed by our Washington de- spatches that the Secretary of the Treasury is making ready to redeem the five per cent. of 1871, and has issued instructions for the payment of such bolders submitted before January 1, pro- vided the holders submitted. THE SOUTHERN LOYALISTS UROPE The Proposed Convention **Opposition from Senator Brownlow**

> [By the American Press Association.] Proposed "Loyalist" Convention WASHINGTON, Oct. 4

WASHINGTON, Oct. 4.
A call bas been issued by the original union men of the South for a Convention to assemble in Knoxville, Tenn, on November. Ist, the object of which is set forth in a letter addressed to Senator Brownlow, by Congressman Booker, of Virginia, as follows: "The main object in view is to bring about aconcert of action among the native-unionists as against the carpet-bagger who has aspired to fill all revenue offices in the South and also to monopolize everything elso he can lay his hands on. Another object is to take steps to secure to the loyal men of the South indemnity for the property taken by the Government for public uses, and the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germans learned much about the public gaze?" and sarcastically adds, "Perhaps the Germa

action have re-Petersburg say-object for which is is not to move re her troops discutton. But I am not the man to unite with subject for which with subject for the purpose of instructing the Southern mind and firing the Softhern heart in the cause of treason and discuton. But I am not the man to unite with subject for mon the cause of the subject for the purpose of advancing the interest of agriculture and commerce, but in reality for the purpose of instructing the Southern mind and firing the softhern heart in the cause of treason and discuton. But I am not the man to unite ty which is ap-ty with any body of men in war upon the carpet-baggers, whom I understand to be the to be more san. Northern men or 'Yaukees,' who a war between 'have settled in the South before and since the thus connections to be wai. They are a class of men by whom rofessed a great I have firmly stood, through evil and ment, now they yery laudatory this late day, to go back upon possible terms of them. So far as the claims of the Southern loyalists are concerned, my votes in the Senate will show that I am the earnest advocate of

t. contradiction their speedy payment, but I am in favor of discriminating between the loyalists and the rebels. Already too many claims have been paid to the robels of the South under the pretence -Navy Depart-Opposition to Roderick R. Butler. Information has been received here from

PROVIDENT IFE AND TRUST CO.

PHILADELPHIA, OFFICE--No. 111 South FOURTH St. The dividend received by a policy holder is the differ-ence between the artual cost of insurance and the pra-mium paid. This Company is expressly required by its charter to divide every idellar of surplus thus arising among its policy-holders. It is, therefore, purely mutual.
