

Perry County Bank!

Sponsor, Junkin & Co.

THE undersigned, having formed a Banking Association under the above name and style, are now ready to do a General Banking business at their new Banking House, on Centre Square,

OPPOSITE THE COURT HOUSE,

NEW BLOOMFIELD, PA.

We receive money on deposit and pay back on demand. We discount notes for a period of not over 60 days, and sell Drafts on Philadelphia and New York.

On time Deposits, five per cent. for any time over four months; and for four months four per cent.

We are well provided with all and every facility for doing a Banking Business; and knowing, and for some years, feeling the great inconvenience under which the people of this County labored for the want of a Bank of Discount and Deposit, we have determined to supply the want; and this being the first Bank ever established in Perry county, we hope we will be sustained in our efforts, by all the business men, farmers and mechanics.

This Banking Association is composed of the following named partners:

OUR NEW FAMILY SEWING MACHINE.

THE SUPERIOR MERITS OF THE "SINGER" Family use or Manufacturing purposes, are to well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary. Our

NEW FAMILY MACHINE

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the BEST SEWING MACHINE IN EXISTENCE. The Machine in question is

Simple, Compact, Durable and Beautiful.

It is quiet, light running, and capable of performing a range and variety of work never before attempted upon a single Machine,—using either Silk, Twist, Linen or Cotton Thread, and sewing with equal facility, the very best the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner.

New designs of the unique, useful and popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine by all means to examine and test, if they possibly can do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to

The Singer Manufacturing Company, 458 Broadway, New York.
