Sponsler, Junkin & Co.

THE undersigned, having formed a Banking Association under the above name and style, are now ready to do a General Banking business at their new Banking House, on Centre Square.

OPPOSITE THE COURT HOUSE.

We receive money on deposit and pay back on demand. We discount notes for a period of not over 60 days, and sell Drafts on Philadelphia and New York.

The Real Excellence and Cheapness of our Clothing is the only secret of our great success.

We use none but "all wool" goods, every piece of which is well sponged, and carefully examined.

Our cutters of Ready-made Clothing are such as could work in other establishments on Custom Work; their work combines comfort with style.

Our hands are supplied with the best trimmings, and we see that they use them, and every article is thoroughly tested before being put into stock.

Every garment sold is accompanied with a legal guarantee, holding us responsible for the correctness of all the representations made.

It is conceded that our large business and many other advantages, enable us to sell lower than any other house. We invite a fair comparison of prices.

**OUR NEW FAMILY SEWING MACHINE.**

THE SUPERIOR MERITS OF THE "SINGER" Machines over all others, for either Family use or Manufacturing purposes, are well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary. Our

**NEW FAMILY MACHINE**

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the BEST SEWING MACHINE IN EXISTENCE. The Machine in question is

Simple, Compact, Durable and Beautiful.

It is quiet, light running, and capable of performing a range and variety of work never before attempted upon a single Machine,—using either Silk, Twist, Linen or Cotton Thread, and sewing with equal facility, the very best the very finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are novel and practical, and have been invented and adjusted especially for this Machine.

New designs of the unique, useful and popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine by all means to examine and test, if they possibly can do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to
