

OUR NEW FAMILY SEWING MACHINE.

THE SUPERIOR MERITS OF THE "SINGER" Machines over all others, for either Family use or Manufacturing purposes, are well established and so generally admitted, that an enumeration of their relative excellences is no longer considered necessary. Our

NEW FAMILY MACHINE

which has been brought to perfection regardless of time, labor, or expense, is now confidently presented to the public as incomparably the BEST SEWING MACHINE IN EXISTENCE. The Machine in question is

Simple, Compact, Durable and Beautiful.

It is quiet, light running, and capable of performing a range and variety of work never before attempted upon a single Machine,—using either Silk, Twist, Linen or Cotton Thread, and sewing with equal facility, the very best of the finest and coarsest materials, and anything between the two extremes, in the most beautiful and substantial manner. Its attachments for Hemming, Braiding, Cording, Tucking, Quilting, Felling, Trimming, Binding, etc., are novel and practical, and have been invented and adjusted especially for this Machine.

New designs of the unique, useful and popular Folding Tops and Cabinet Cases, peculiar to the Machines manufactured by this Company, have been prepared for enclosing the new Machine.

A faint idea, however, can at best be conveyed through the medium of a (necessarily) limited advertisement; and we therefore urge every person in quest of a Sewing Machine by all means to examine and test, if they possibly can do so, all the leading rival Machines before making a purchase. A selection can then be made understandingly. Branches or agencies for supplying the "Singer" Machines will be found in nearly every city and town throughout the civilized world, where Machines will be cheerfully exhibited, and any information promptly furnished. Or communications may be addressed to
