LOCAL DEPARTMENT.

OUR TERMS

Are One Dollar a Year in Advance! Persons who receive a paper with this article marked, may know that they should renew their subscription, if they wish to continue to receive The Times.

CORRESPONDENTS will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

Sale bills, or any kind of job printing done promptly at this office.

The Hotel buildings at the Warm Springs, in Spring township, are expected to be rebuilt the coming season, by Mr. Abraham Bower.

High Priced Pork.—At a sale near Loysville last week, a sow with eleven pigs, brought the extreme price of ninety dollars. Isn't that a hogish price?

We learn that Mr. Wm. Snyder, of El-Hottsburg, has exchanged his land for a Wholesale Liquor Store in Harrisburg. We would call that a bad trade.

Messrs. Geo. P. Rowell & Co., Advertising Agents, No. 40 Park Row, New York, are authorized to receive advertisements for this paper at our lowest rates.

James Gray, of Elliottsburg, proposes to remove to Harrisburg, to keep a hotel. If he goes, his brother Thomas will keep the hotel now kept by James, at the former place.

A whisky distiller charged with defrauding the Government, has put in the plea of insanity. Is any man who spends his time in making stuff of that kind, or his money for it as a beverage entirely sane?

Some Radish.—Mr. William Wood, residing in Saville township, cut, last week, a radish which weighed over six pounds, and was as sound and sweet as any such vegetable would be in the summer time. Who can beat that?

Paralytic Stroke.—On Tuesday last, Judge James Black, formerly of Saville township, had a paralytic stroke. We are glad to be able to state that he is fast recovering his usual health.

Painful Accident.—On last Monday, Charles, son of Rev. G. W. Bouse, had his shoulder blade broken, by falling down stairs, at his father's residence, in this place. The fracture was adjusted by Dr. Ard, and the child is doing as well as could be expected.

A chicken was hatched at the residence of Mr. Daniel Hoellinger, on Saturday last, says the Currier Herald, that had four legs. This monstrosity appears as lively as the rest of the brood, and bids fair to grow to a tender spring chicken, a matronly hen, or a staid sober rooster.

A sad affair occurred at Greenwood Furnace, Millin county, on Thursday last, March 3d, by a little son of J. Gregg, aged about three years, killing his sister, a babe only five months old, with a hammer. The child was lying in the cradle, and the boy struck her on the head with the hammer, no doubt in play or without intending to harm her, killing her instantly. No one was present at the time.—Gazette.

Thrown from a Horse.—On Thursday last, a son of Mr. Robert McDonald, of Patterson, aged about twelve years, was thrown from a horse and tramped on the right leg between the knee and ankle. The bone was lacerated for a distance of seven inches. Dr. Banks was immediately called and rendered all necessary attention. At last accounts the patient was on a fair way of recovery.—Junata Sentinel.

The "Times" is crying again about the mail facilities, the new change does not suit them any better than the old time.—There is but one way by which their wants can be satisfied, and that is to make haste and build that railroad.—News.

Yes, neighbor, that is the only way to do it, and we mean it shall be done too. If the present commissioners do not soon take some measures to commence operations, the friends of the road intend having them replaced by men who will move in the matter, for the interests of the whole valley demand the building of the proposed road.

Suicide.—On Thursday last, a man named W. H. Blohr, who, for the past winter has been boarding in the family of Jos. Dukes, at Shermansdale, in this county, committed suicide in the store of W. H. Lauser, at Harrisburg. About a week since Blohr went to Bridgeport, where he has since been stopping. From there he wrote a very desponding letter back to his friends at Shermansdale, bidding them farewell, saying he should not see them again. Early on Thursday morning he went to the different hardware stores in Harrisburg, examining pistols, and finally selected one at Mr. Lawser's, which he requested him to load. This he did and turned to get a holster in accordance with Blohr's request, when he heard the report of the pistol, and turning around found that the man had shot himself, by placing the muzzle of the pistol in his mouth. An inquest was held, and a verdict was rendered in accordance with the above facts.

Mr. Dukes upon receiving notice of the affair, removed the remains of the deceased.

If you have a discharge from the nose, offensive or otherwise, partial loss of the sense of smell, taste or hearing, eyes watering or weak, feel dull and stupid or debilitated, pain or pressure in the head, take cold easily, you may rest assured that you have the Catarrh. Thousands annually, without manifesting half of the above symptoms, terminate in consumption and end in the grave. No disease is so common, more deceptive or less understood by physicians. R. V. Pierce, M. D., of Buffalo, N. Y., is proprietor of Dr. Sage's Catarrh Remedy—a Perfect Specific for Catarrh, "cold in the head," or catarrhal headache, which he sends to any address, post paid, for sixty cents, or four packages for \$2. Sold by most druggists everywhere.

The Best in Use.—The Parham Sewing Machine is the most simple, the most complete, works with less noise and will be found the best machine in use. They may be seen at the store of James L. Diven in Landisburg, or of F. Mortimer & Co., Bloomfield. Every person who thinks of purchasing a sewing machine, should not fail to examine The Parham Machine.

Their Verdict.—The Janesville (Wis.) Gazette recently had access to a jury room, where six "true and lawful men" had deliberated upon a case of assault and battery, and found the following ballots left behind them:

Juror No. 1 voted, "No case of action;" No. 2 voted, "Salt and battery. Second Degree;" No. 3 deemed the prisoner "Gilty of salt;" No. 4 decided there was "no action of cause;" No. 5 voted it "assault and battery;" while No. 6 decided the prisoner "Gilty of salt only."

For The Bloomfield Times, Elliottsburg, March 12, 1870.

Mr. Editor—Dear Sir—The religious meeting held by the Evangelical Association in this place has come to a close having continued nearly one month. About 20 or 25 persons have been converted.

The Rev. Mr. Soll is now holding a protracted meeting at this place, in the new Lutheran Church. There is yet a number of hardened sinners in Elliottsburg and vicinity. May the Luthergans be successful in converting the remainder.

The Rev. Mr. Richmond, member of the Church of God, commenced a protracted meeting in the log meeting house, in Little Germany, on this evening.

There are a number of persons in this place also, and heads of families, who make no profession of religion, and it is certainly high time that they be awakened up to a sense of their duty. [A CHRISTIAN.]

A Vermont paper tells this story: About thirty-five years ago John Clough and Fanny Gillett were married, and afterward lived for several years in Norwich. Five years after, Clough disappeared, and it was shortly afterwards reported that he had died in Massachusetts. Mrs. Clough was married by and by to Nahala Davis, and they have lived in Norwich ever since; have raised quite a family of children, and accumulated considerable property. The farm is deeded to Mrs. Davis. A few days ago Clough reappeared, claiming his wife, and perhaps hoping to get possession of the property.

A well known Judge, when he first came to the Bar was a very blundering speaker. On one occasion, he was trying a case involving a right of property to a lot of pigs, said: "Gentlemen of the jury, there was just twenty-four pigs in that drove—just twenty-four, gentlemen—exactly twice as many as there are in that jury box."

A Rhode Island journal records the death of Betsy Hunt, of North Kingstown, and says: "She died apparently early in the day, and while some of her neighbors were engaged in laying her out, the corpse, as it was supposed to be, commenced winking, and finally rallied and lived several hours, when she died again!"

Snow is eight feet and a half deep in Bloomfield, Vermont.
