#### **OUR TERMS**

Are One Dollar a Year in Advance!

Persons who receive a paper with this article marked, may know that they should mail or otherwise send the subscription price, if they wish to continue to receive *The Times*.

CORRESPONDENTS will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

The M. E. Sunday School of this borough will hold a celebration at Milans' Spring on Thursday, July 21st.

Orphan Schools.-The examination of the orphan schools at Loysville and Andersonbarg took place on the 4th and 5th inst. The examination of the Cassville school will take place on the 16th inst.

Fine Potatoes .- We are indebted to Mr. G. W. Swartz, of Spring township, for as fine a lot of Early Rose potatoes as we wish to see. If any one thinks they can beat them in size or quality, they are welcome to bring them along. This lot was raised from a pound planted year before last, and Mr. Swartz, from that seed, will have over twenty bushels.

The Crops.-Wheat in this vicinity turns out to be only about half a crop. In hay there has been a large yield, while oats and corn look and promise well. The reports concerning fruits are not very favorable.-Apples which bid fair to show an average yield early in the season, are dropping off so much that in some instances, trees that were full, now have hardly any left on them.

A Pastor Elected .- A meeting was held last Wednesday evening in the Presbyterian Church for the purpose of electing a pastor for that congregation. Quite a large number were present, and by a unanimous vote it was decided to extend a call to Rev. John Edgar. Mr. Edgar has accepted the call and expects to commence his duties on a week from next Sabbath. He is at present absent on his wedding trip.

Camp Meetings .- It is expected that the the Carlisle District Camp Meeting will be held at the Red Barn Station, on the Cumberland Valley railroad; commencing on the 5th of August, and continuing until the 12th.

The Evangelical Association will commence a meeting on their old camp ground, at Elliottsburg, on the 5th of August; and it is reported that the United Brethren will hold another on the same ground shortly after the first meeting is broken up.

There will also be a meeting held on the camp ground near Shermansdale, commencing August 5th.

Quite a Riot occurred at Marysville, on the 4th inst., between a company of colored soldiers from Harrisburg, and some societies, both having pic nics on the Company Grounds, at that place. It is hard to tell who was to blame in the first instance, but the affair was, to say the least, unfortanate. For a time there was a prospect of serious results, as pistols, bottles, muskets and bayonets were used to some extent, although as far we learn, with no fatal results, although several were badly injured. During the excitement, the Governor was telegraphed to for troops, but the trouble was settled without their services. It would be well to take arms and accoutrements from a company who would put them to such use.

Serious Accident.-This morning, July 7th, about 10 o'clock, while Mr. Gust Kunkel, of this city, was assisting in unleading grain on Wilford's farm, about three miles up the river, he fell from the mow of the barn and was so seriously injured that his life is despaired of. A physician was sent for immediately, and every thing done for the unfortunate man that could be done. At last accounts to-day, he was still alive but unable to speak. His neck and back are supposed to have been affected by the fall .- Harrisburg Topic.

Lafayette College, at Easton, Pa., proposes to issue a monthly magazine, to be called the Lafayette Monthly, devoted to the interests of the college. The first number is to be issued in September. Subscription price \$2 00 per year. Articles and items for publication are solicited, and should be sent to F. W. Edgar, Box 199, Easton, Pa., to which address subscriptions and business communications should be sent.

Sudden Death .- On Sabbath morning, the 3d instant, Mr. Wm. Fisher, residing near Yorkumtown, York county, suddenly expired while conducting the closing exercises of the Sabbath school at that place, of which he was the efficient superintend-

Mr. Fisher was seemingly in the enjoyment of excellent health, and repaired to the school, cheerful and happy, participating in the exercises with his usual activity -and up to the very moment of its occurrence, none thought of the terrible calamity that was soon to cast a gloom over the entire community. But just at the moment of dismission, when his morning's work seemed completed, he sunk to the floor and almost immediately expired.—Ex.

Fatal Accident .- The Star of the Valley says: we learn that a fatal and rather unusual accident befel a young man named William Claudy, whilst fishing, with two other men, at a stone arched bridge, on the Conodoguinit creek near Roxberry, on the 4th inst. They were all under the arch, when at once it began to give way, precipitating the debris upon all of them covering entirely the deceased. The other two were fortunate enough to escape with some bruises only. The young man was aged

Accident .- On Tuesday last, Mrs. Henry L. Smith aged about fifty years, residing in Oliver township, met with a painful accident, which came very near ending her life. She was in the barn hunting eggs when a board in the mow gave way, precipitating her to the wagon shed below, breaking her arm near the wrist, besides inflicting other serious hurts. Medical aid was immediately called, and the patient is getting along as well as could be expected .- News.

Suicide.-On the 5th inst a German committed suicide in the Huntingdon jail, by cutting his throat with a razor. He had been incarcerated but a few days previous, upon some minor charge, and his family of wife and children had left him but a few moments prior to the suicide.

ECONOMY .- Save your money by buying your clothing at Oak Hall. A suit from Wanamaker & Brown's will outwear two from some other Clothing Houses.

The Fourth passed off very quietly in this borough; there even being less of the noise of crackers and guns than is usual upon such occasions.

A machine has been invented by John T. of Hagerstown, for the distributing fertilizers, and particularly in the spreading of lime, it promises to be of great service to farmers.

The Volunteer says Mr. Emanuel Line's residence, in Carlisle, was entered on the Fourth, and robbed of \$40 or \$50 in money and a check for \$107 75. The robbers have not been captured.

We learn that Mr. Z. Rice proposes, if he can dispose of his farm and stage route, to quit the stage business. We should be sorry to see Mr. Rice leave that business, as he has succeeded in building up stage lines that are a credit to our county-there being few better lines in any part of the
