THIS PARAGRAPH ALONE

May Save You

FOR A WHOLE YEAR.

Ten years of hard work and hard knocks, have organized in

PHILADELPHIA,

the largest and most complete

CLOTHING HOUSE

in America, if not in the

Whole World.

By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now OAK HALL is universally acknowledged to be

AN EXCEPTION.

THE REASONS ARE:

- 1. We have built a house for our business, covering nearly half an acre.
2. Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on the corner of three streets, and any one may count in it 251 windows.
3. We employ skilled Workmen, One Hundred and Fifty of whom may be seen under our roof by any one having the time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sewers are employed at their own homes.
4. We make no imperfect goods.
5. We thoroughly sponge and shrink ALL our goods.
6. We purchase our goods at first hands, in large lots—sometimes in bills of over \$100,000 at one time.
7. We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.
8. We have such enormous sales that we are content with a profit far below the trade margin.
9. We warrant all our goods, and will give every possible guarantee to purchasers at

OAK HALL.

The above are facts that no one can truthfully dispute, as the examination we so cordially invite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing

IN PHILADELPHIA

The Largest Clothing House

In America,

we enlist the patronage of all who are interested in the prosperity of our Commonwealth.
