LOCAL DEPARTMENT.

OUR TERMS

Are One Dollar a Year in Advance!

Persons who receive a paper with this article marked, may know that they should mail or otherwise send the subscription price, if they wish to continue to receive The Times.

CORRESPONDENTS will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

NOW IS YOUR TIME.

Having made great improvements in our office, adding a Steam Power Press and a good Engine, which will enable us to print a larger paper and with great ease and rapidity, we have determined to again add to the size of the paper we use. This change will go into effect with the commencement of our next volume, and the Bloomfield Times will then be the largest paper published in the county. We have not yet decided upon the subscription price, but whether that is raised or not, we make the following liberal offer. To all new subscribers who get their names on our subscription list, and all old subscribers who renew their subscription before the change in size is made, we agree to send the TIMES ANOTHER YEAR FOR ONE DOLLAR.

In making this offer it may be proper for us to state that we shall continue to publish an Independent Family Journal, devoted to the interests of no party or faction. We shall always give a complete record of local and miscellaneous news, and such a variety of other reading matter that the Times will be a welcome visitor in every family. No name will be placed in our list except the subscription is prepaid.

Real Estate Sale.—The property in this borough belonging to the heirs of Richard Fritz consisting of a house and lot and blacksmith shop was sold at public sale on Friday last. It was purchased by Wm. N. Seibert for \$1,180. Also on the same day half the interest of the Tannery in Saville twp., owned by Hench and Duffield, with all the real estate was sold to Rev. Hamilton for \$1,875.

A Coal Excitement has been aroused in Spring township, in consequence of some persons, while digging a well in Little Germany, finding strong indications of that valuable deposit. Some of the specimens are left with us, and certainly resemble coal; and old miners say there is no doubt coal is to be found, though whether in sufficient quantity to pay is impossible to say. The citizens of that vicinity are anxious to form a company for the purpose of making further search.

Meteorology.—The record of the weather for September, as kept by B. McIntire, Esq., shows the following facts: Average heat at 8 A. M., 57 degrees and 25 minutes.

Average greatest heat, 77 degrees and 2 minutes.

Amount of rain during the month was 7 inches and six-tenths—of which 5 inches and six-tenths fell on the 29th and 30th.

From the 5th to the 28th the weather was remarkably clear and dry.

The Fair.—The Perry County Agricultural and Horticultural association commence their exhibition to-day and continue for four days. The managers say they have made extra exertions to make this exhibition a success, and we trust the citizens of the county, will heartily support them in the undertaking. Arrangements have been made to run excursion trains from Huntingdon and Harrisburg, at a reduced rate of fare, so that it is expected the attendance will be increased by persons from a distance.

Fatal Accident.—On Saturday, a week, two children of Wm. Bitners, residing near Perrysville, Juniata Co., met with a sad accident, which resulted in the death of one of them. Mrs. Bitner while washing had a boiler full of soap suds on the stove which began to leak and raising up one end to see where the leak was, the boiler slipped from the stove, scalding both children, one, the youngest a child about five months old, so badly that it died the next day. The other, a little girl about five years old though terribly scalded is getting a long pretty well, and may recover.

One of the most useful articles to have in a family, is a Clothes W. Joger. If you have not already got one, you can get the best article in use, of F. Mortimer & Co.

Improvements.—Since Wm. Grier, Esq., has taken possession of the academy property in this borough, he has constantly been making improvements to the buildings. Among all the additions, however, none have added more to the appearance of the property than the erection of a cupola on the school building. But what is still more important to the scholar, is the fact that the educational facilities have fully kept pace with the other improvements. At the present time pupils may be placed under the charge of Prof. Dill, the Principal, with the expectation that no pains will be spared to make their improvement sure and rapid.

Seriously Hurt.—Mr. Ezra Dolan, a citizen of this town, was seriously hurt last Thursday afternoon. He was about finishing drilling a field in wheat, and in the act of backing the drill to the fence he came in the way of the lever which holds up the drill hoes, and was pinned by it to the fence. The lever did not penetrate his bowels, but his abdomen was so much bruised that in a short time he took very ill, and up to the time of our going to press is still lying in a very dangerous condition.—Juniata Sentinel.

An Accident occurred in the Penn'a Railroad Company lumber yard, in Logantown on the 26th which resulted in the almost instant death of a young man named Ake, son of Monroe Ake, who, we are informed resided at Blair Furnace. Mr. Ake was standing by a car on which was some very heavy lumber, when the standards of the car gave way, and some ten or twelve pieces fell upon him, injuring him so badly that death ensued in a few minutes.—Altoona Daily Sun.

Death of Sheriff Pfahler.—Our readers will be pained to learn of the sudden death of Christian Pfahler, Esq., High Sheriff of this county, which occurred at his residence in the York County Prison on Saturday evening last. Sheriff Pfahler had been in his usual health, up to the time of the sad occurrence, and attended to the duties of his office, during the day, and returned to his home in the evening, and was engaged in conversation with his brother-in-law, when he was suddenly taken ill, and in a few moments, expired. Sheriff Pfahler was widely and favorably known in this county, and his sudden death will cast a gloom over many a heart in our midst. He was a good citizen, an excellent officer a kind father and husband, and a true friend. His death was occasioned by disease of the heart.—York True Democrat.

To Tailors.—A good journeyman tailor can obtain steady work and good wages by applying to F. Mortimer & Co., New Bloomfield.

Mr. Levi Smith, of Juniata township, was somewhat injured last week, by a fall occasioned by the slipping of a ladder while he was ten or twelve feet from the ground. Fortunately no bones were broken.

While Jacob Baker, at work painting C. K. Smith's house in Miller township, was mounting a ladder, he slipped and fell with the ladder to the ground, causing a slight fracture in his right ankle.—News.

On Saturday a week, a conductor of a local freight got his foot badly crushed by catching it under the cowcatcher, on which he had been riding. He attempted to get off at Duncannon, just before the cars stopped, and came near losing his life.

Rev. Lyman Whiting, D. D., Under the Oaks, Janesville, Wis., says "of Our Father's House." The reader soon discerns he is among treasures, stored and set forth with a princely skill. Knowledge, impulse and grace in "strength and beauty" greet him from page to page.

No lover of "a good look" (in Milton's sense), will willingly let this book, so rich in contents, beautiful in print and ornamentation, pass unbought from his hand.—See advertisement in another column.
