LOCAL DEPARTMENT.

OUR TERMS

Are One Dollar a Year in Advance!

Persons who receive a paper with this article marked, may know that they should mail or otherwise send the subscription price, if they wish to continue to receive The Times.

CORRESPONDENTS will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

NOW IS YOUR TIME.

Having made great improvements in our office, adding a Steam Power Press and a good Engine, which will enable us to print a larger paper and with great ease and rapidity, we have determined to again add to the size of the paper we use. This change will go into effect with the commencement of our next volume, and the Bloomfield Times will then be the largest paper published in the county. We have not yet decided upon the subscription price, but whether that is raised or not, we make the following liberal offer. To all new subscribers who get their names on our subscription list, and all old subscribers who renew their subscription before the change in size is made, we agree to send the TIMES ANOTHER YEAR FOR ONE DOLLAR.

In making this offer it may be proper for us to state that we shall continue to publish an Independent Family Journal, devoted to the interest of no party or faction.—We shall always give a complete record of local and miscellaneous news, and such a variety of other reading matter that the Times will be a welcome visitor in every family. No name will be placed in our list except the subscription is prepaid.

Meeting of Presbytery.—The Carlisle Presbytery held its regular meeting last Tuesday, at Paxton, four miles below Harrisburg. The next meeting is to be held in this borough on the 11th of next April.

Installation.—The installation of Rev. John Edgar as pastor of the Presbyterian Church of this borough, will take place on Wednesday evening Nov. 11th at 7 o'clock. Sermon will be delivered by Rev. Downey, Charge to the Pastor by Rev. McPherson. Charge to the people by Rev. Hamilton. Rev. Thompson of Duncannon is to preside and propose the constitutional questions.

Church Dedication.—Trinity Reformed Church, in Marysville, Rev. W. D. C. Rodrock, pastor, will be dedicated to the Triune God, on Sunday, October 16th, at 10 o'clock A. M. To be succeeded by the reception of new members in the evening. A number of ministerial brethren will be present on the occasion. The public is most cordially invited to attend.

Fine Sweet Potatoes.—We were last week presented with as fine a cluster of sweet potatoes as we ever saw. There were in the bunch, all growing from one vine, ten potatoes, the smallest measuring 11 inches in length and the largest 21 inches, and weighing nearly three pounds, the total weight of the lot being 17 pounds.—They were raised by James Blain of Juniata twp., from seed brought from New Jersey.

An Arrest.—A young man of this borough was arrested last Wednesday on the charge of entering and robbing the store of J. W. Gotwalt. For a long time the proprietor has been aware that some persons was frequently entering his premises and taking the change left in the drawer over night, and some other small articles, but only recently has found what he thought evidence sufficient to warrant an arrest. We omit the name of the young man arrested until the matter has been fully investigated, and he has had a chance to prove that he is innocent, which we hope he will be able to do.

Distressing Death.—The little girl of a Mr. Gilmore, residing in the Sixth ward, got hold of some concentrated lye that had been left in a tin, the other day, and drank a portion of it. The mother soon discovered the fact, and immediately summoned medical attendance, but nothing could be done to save the child, which died yesterday morning.—Allona Daily Sun.

To Tailors.—A good journeyman tailor can obtain steady work and good wages by applying to F. Mortimer & Co., New Bloomfield.

Not the Man.—A few days since information was received by the Sheriff that a man supposed to be Park Shepley, but calling himself Wm. Robinson, and who answered to the description of the fellow who committed an infamous outrage on a little girl near this borough, in the early part of last month, was at work near Newville, Cumberland Co. A warrant for his arrest was at once issued and placed in the hands of Mr. Isaac G. Black, Deputy Sheriff, who returned on Tuesday last with the prisoner, and placed him in jail in this borough.—From the contradictory stories told by Robinson and his unwillingness to state where he was during the first part of September, the authorities were sure they had the right man but when brought into the presence of the child she unhesitatingly stated she had never seen him before. The prisoner was therefore discharged. We hope the efforts to arrest the guilty person will yet prove successful.

A New Paper.—The "State Journal," which was announced as successor to the Daily Topic, has made its appearance, according to promise. The citizens of Harrisburg, and of the State, will, we trust, give the Journal the hearty support that it merits, judging from the numbers we have seen, entitle it to. It is under the editorial management of J. R. Sypher, Esq., well-known by a long connection with the New York Tribune.

The "Tyron Herald" says that a little while ago a dentist opened an office at Phillipsburg, and announced to the people of that town that he would extract teeth for \$2, and prepare the mouth for a new set. The \$2 he required in advance of an operation. The new set he promised to furnish and put in for ten dollars, on six month's time. About two hundred persons called on him and had their old teeth drawn out and engaged new ones. One day he left, no one knows where. Two hundred men and women without teeth in one little town.

Robbed.—A gentleman from the west, while occupying a sleeping berth in a car of the Pacific express east, Saturday, was robbed of a valuable gold watch between Altoona and Harrisburg. The detectives there were notified by telegraph, and several suspected persons were examined when the train arrived at the depot, but the missing article was not found.

Local Briefs.

The Cumberland County agricultural Fair will commence its annual exhibition tomorrow.

A Citizen of Landisburg, one day last week shot and brought safely home six fine wild turkeys.

An Engine used around the Harrisburg depot ran off the track last week and turned a summersault, nearly going into the canal.

A citizen of Carrol twp., came near losing one of his horses, by its breaking through a bridge in that township last week. There are some bridges in this borough which if not fixed will some time cost the corporation the price of a horse.

A young man named Hite whose parents live in Oliver twp., recently died of lockjaw in Harrisburg from injuries received a few weeks since, the account of which we published at the time.

George Rivers residing in Miller twp., recently while asleep got out of bed fell out of the second story window, and went back up stairs to bed again, all without waking up.

The buckwheat crop is not very good this year, and the warm weather following the recent rains has caused much of it to sprout.

A large rock recently fell on the railroad track a short distance this side of York delaying the trains for several hours, but fortunately doing no damage.

Rev. Chas. Hawley, Auburn, N. Y., says: "Our Father's House," in style and topic, is as fresh as nature itself: and the wealth of illustration it brings from the material world to enforce religious truth, so in danger of hackneyed forms of statement is very invigorating and must win for it not only a great popularity, but very wide usefulness. It will give me pleasure to commend its circulation in this vicinity where "Night scenes in the Bible," by the same author, met with a most favorable reception. See advertisement in another column.

TO CONSUMPTIVES.

The advertiser, having been permanently cured of that dread disease, Consumption, by a simple remedy, is anxious to make known to his fellow sufferers the means of cure. To all who desire it, he will send a copy of the prescription used, (free of charge), with the directions for preparing and using the same, which they will find a sure cure for Consumption, Asthma, Bronchitis, &c.

Parties wishing the prescription will please address Rev. EDWARD A. WILSON, No. 42 Cedar St., New York. 1y 4 41, a.
