LOCAL DEPARTMENT.

OUR TERMS

Are One Dollar a Year in Advance!

Persons who receive a paper with this article marked, may know that they should mail or otherwise send the subscription price. If they wish to continue to receive *The Times*.**CORRESPONDENTS** will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

NOW IS YOUR TIME.

Having made great improvements in our office, adding a Steam Power Press and a good Engine, which will enable us to print a larger paper and with great ease and rapidity, we have determined to again add to the size of the paper we use. This change will go into effect with the commencement of our next volume, and the *Bloomfield Times* will then be the largest paper published in the county. We have not yet decided upon the subscription price, but whether that is raised or not, we make the following liberal offer. To all new subscribers who get their names on our subscription list, and all old subscribers who renew their subscription before the change in size is made, we agree to send the *Times* ANOTHER YEAR FOR ONE DOLLAR.

In making this offer it may be proper for us to state that we shall continue to publish an *Independent Family Journal*, devoted to the interest of no party or faction.—We shall always give a complete record of local and miscellaneous news, and such a variety of other reading matter that the *Times* will be a welcome visitor in every family. No name will be placed in our list except the subscription is prepaid.

Robert Doidge, has an English letter awaiting him at this Post Office.

A Surprise.—It is hard to tell which party was the most surprised at the result of the Election in this county.

Robbery.—On Wednesday night last, we learn that some person entered the store of Wm. Baker, at Donnelly's Mills and robbed it of some articles.

Drowned.—Henry Keener who has a wife and three children residing in Harrisburg, was found drowned in the canal near Dauphin, on Wednesday last.

Hand Hurt.—Charles Clark, a young man employed in this office, got his hand badly hurt on Saturday last, by having it caught in our power press. Though a very ugly and painful wound, Dr. Sweeney who dressed it, thinks no bones were broken.

Tie Votes.—In this borough Thos. Sutch, and John G. Shatto, candidates for School Directors had a tie vote.

In Spring Twp., John Kistler and Wm. Kerne also "tied" on the vote for Supervisor.

The Factory of Messrs. Stevens & Co., of Boston, makers of the town clock in this borough, was totally destroyed by fire one night last week. Two clocks packed ready to ship and all their tools machinery and patterns were burned, inflicting a very serious loss.

Suicide.—Andrew Knerr, miller, committed suicide at Boyd's mill, in Rush tp., Northumberland Co., on the 21st ult. When no person was near he went into the mill and procured a gun and placing the muzzle to his forehead, touched off the trigger with a stick he had prepared for the purpose, and the whole load passed through his head, killing him instantly.—*Frederick Courier.*

A Narrow Escape.—On Monday night of last week, the brick building occupied by Capt. B. F. Miller, in Newport, had a narrow escape from destruction by fire, owing to a lamp exploding and setting fire to the carpet. No person was in the room at the time, but the great light attracted the attention of some boys in the street who at once gave the alarm and prompt assistance being rendered, the flames were smothered by cushions, with a loss of only a few yards of carpet, and the blackening and blistering of the paint in that part of the room. The stuff in the lamp was "Darforth's" non explosive oil.

Oak Hall never did such a business as this season. No other Clothing House in Philadelphia could hold half the customers that have bought of Wanamaker & Brown. Some days the sales have amounted to over \$15,000 a day.

Young Men's Christian Association.—The third annual convention of the Young Men's Christian association of the State of Pennsylvania, will convene at Scranton, Luzerne county, on Tuesday, November 8, 1870, closing its session on Thursday evening. Delegates are expected from all associations in the State, among whom will be many of our most prominent ministers and Christian workers. A most cordial invitation is extended to ministers and Christian laymen in town and country districts where there are no Associations to come to the Convention. A most hearty Christian welcome is assured to all who come, and arrangements will be made for their entertainment, as well as for reduced fare on railroads.

All who design attending, are requested to address Thomas K. Cree, Chairman State Executive Committee, Pittsburg, that they may avail themselves of these privileges.

Daring Robbery of the Altoona Post-Office.—Sometime during Saturday night the Altoona Post Office was entered by burglars who, so far as postal stamps were concerned, made a clean thing of it. As near as can be ascertained the amount of stamps on hand were valued at about fourteen hundred dollars, which were all taken. As good luck would have it there were only six registered letters in the office at the time, the contents of three of which were taken, one said to contain thirty dollars, another a small amount of stamps for Popular Run, and the contents of the other not known. The burglars entered through the door at the rear end of the hall, by using a jimmy, or some sharp instrument, forcing the door by breaking and bending the lock, bolt, &c. So far as is known no letters or mail matter was disturbed. Colonel Stewart, the Postmaster, immediately notified the Department of the loss, and took other steps for the detection of the thieves.—*Sun of Oct. 10.*

Badly Burned.—We learn that Mrs. Batram, of Frankford twp., was terribly burned by her clothes taking fire, on Tuesday of this week. The distressing occurrence took place at the residence of Mrs. Fickes, where, we believe Mrs. B. is living. From a weak condition of Mrs. B.'s mind it has never been considered safe for her to be left alone, but on this occasion Mrs. F. for a moment had stepped to the well to draw some water, and it was during this short interval that the distressing accident occurred. Her clothes by some means took fire from the stove. She is badly burned in several parts of her body and her hands to such an extent that her finger nails have come off. Dr. Brehm, who was called to attend her, is of the opinion that she will not recover. There seems to be no relief for her extreme agony.—*Newville Star.*

Railroad Accident.—A serious accident occurred on the railroad, in North Water street, near Witt's coal yard, by the colliding of two trains on Wednesday morning. As the 7.15 Baltimore Accommodation train had proceeded on its way to the above point it was met by a freight train coming North, and before the engineers could check the speed of their trains they collided, doing considerable damage to the engines and cars, and seriously injuring one of the engineers, Mr. Kinter. He had both his legs badly lacerated, but no bones were broken. Although he is lying in a precarious condition, Dr. Pentz, his physician, is of the opinion that it will not be necessary to amputate his limbs. We have not heard of any other person or any of the trains being seriously injured.—*York Press.*

Suicide.—A rather singular suicide occurred in Derry township, Mifflin county on the 12th inst. Joseph Kearns, a man generally esteemed and of excellent character, asked his wife, to whom he had been married only a few months, to take a walk, and after strolling up a by-lane, jumped over a fence, and suddenly drawing a razor from his pocket cut his throat from ear to ear. He died in a few moments.—No known cause existed for the rash act, and it is therefore supposed he labored under temporary insanity.

For The Bloomfield Times.

Mr. Editor.—Sir, if you please, through the *Times* we desire to thank the Supervisors of roads in Centre township for having repaired the rough turnpike at Power's school-house, which has long been a scandal to Centre township, and the whole county. If he will now repair the road leading from Darlington's across Mahony Hill to the Perry Furnace we will treat him to a drink of old whisky, providing he has not joined the Good Templars.

SPRING TOWNSHIP.

Duncannon Items.

On Sunday morning last the 9th inst., a valuable cow belonging to Mr. Thomas Miller, was found at the bottom of an uncovered culvert, below Columbia Avenue, along the P. R. R., badly crippled. Mr. M.—had her taken home, and has since been trying to doctor her up, but without any apparent success, as she is not yet able to stand. It is not known whether she was thrown there by a train, or driven there by some unknown boys who were seen driving her in that direction the evening previous.

The old Brewery, on Columbia Avenue, has resumed operations, under the management of its owner, Dr. Boatler.

The revival at the United Brethren Church, closed on Monday evening the 10th inst., resulting in ten accessions to the church.

Brick, and curbing, is on hand, for a new pavement, in front of the M. E. church, and will be put down this week.

Parlor croquet, bids fair to take the lead in evening pastimes, here this season.

The sale of small nails, by the Duncannon Iron Co., has been so great, that all machines below seven penny, has worked thirteen hours per day, for the last three weeks, in order to supply the demand.
