LOCAL DEPARTMENT.

OUR TERMS

Persons who receive a paper with this article marked, may know that they should mail or otherwise send the subscription price, if they wish to continue to receive The Times.

CORRESPONDENTS will please bear in mind that letters received later than Saturday evening, or the down mail on Monday morning have to lay over until the following week.

Meteorology.—During the past month the average of the Thermometer at 8 A. M., was 48 degrees. The lowest point indicated was 42 degrees. The amount of rain which fell during the month was 3 inches and 6-tenths.

Admitted.—On Monday evening of last week Mr. Jacob Bailey was admitted to practice in the several courts of this county having passed an examination which showed that he had been a close student. Mr. Bailey is a son of Hon. Jos. Bailey who is so well known throughout the county.

Half Sheets.—Owing to a larger increase in our subscription list, after one side of our paper was printed, than we had calculated for, we were obliged, last week to send some of our subscribers and our exchanges half sheets. In future we hope to be able to send them all a full size paper.

Must Settle.—Mr. Geo. H. Martin of Blain gives notice to all who have accounts on his books, that such accounts must be settled either by note or otherwise before January 1st. If not settled by that date they will be placed in the hands of an officer for collection.

An Alleged Swindle.—On Friday evening last, information was made by Solomon Bernheisel, of Tyrone twp., that he had by fraud and the misrepresentation of two men claiming to be agents for a York State firm owning and making a Patent Hay Fork, been induced to sign a note and contract and asking a warrant for their arrest.

A warrant was accordingly issued and placed in the hands of Sheriff Rinehart, who at once started in pursuit of the men, tracking them as far as Perryville, Juniata county, where he found and arrested them, returning with his prisoners on Saturday afternoon.

A preliminary examination was had before Squire Shuler, who held the two men who are named George Simmons and George Hathaway, in six hundred dollars bail. This order was subsequently annulled and the men permitted to go at large on depositing the papers signed by Mr. Bernheisel, in the hands of their counsel subject to the decision of the authorities after a further hearing, which is expected to take place to day or tomorrow, the men meantime remaining here for that purpose.

Several instances have occurred the past season, where parties have given notes under similar circumstances, and though no value had been received by them, they were forced to pay them, the notes having been sold to parties who had given a proper consideration.

It is singular that men will sign papers at the solicitation of perfect strangers, which no inducement could get them to sign, if requested by a well known neighbor.

We again caution our readers against signing a note until they have received a consideration of known value, but if they will sign such notes, let them place a seal after their signatures, which destroys the negotiable character of the note and allows them an opportunity to prove offsets or deductions, before payment.

Warning.—We have been informed that a Cattle Broker of Washington county, Maryland, was arrested last week, upon a warrant issued by the United States District Court, of Baltimore, by Deputy U. S. Marshall R. Thornsburg, for not paying the United States Special Tax imposed upon all traders and dealers. We mention this arrest so that if there are others in this county; liable to this tax, they may have warning to pay the same.

Robbery.—A book store in which was kept the Post Office, was robbed at Huntingdon, on Wednesday night, the 27th ult. The safe was blown open and stamps and watches to the value of \$500, were taken by the burglars.

Disastrous Fire.—On Thursday evening last, between six and seven o'clock, the large bank barn of Mr. Henry Keller, in Hockersville, about one-half mile west of Centreville, was destroyed by fire. The live stock was removed, in safety. A small stack of grain near by was totally consumed. The fire was undoubtedly the work of an incendiary, as there had been no occasion for any of the family to have a light near the barn. It is supposed that the loss is nearly, if not altogether covered by insurance.—Carlisle Herald.

Singular Cause of Death.—A rather singular cause of death of an old lady named Mrs. Catharine Spinner, in East Buffalo township, Union county, is recorded in the Lewisburg Chronicle of last week. She was pecked on the back of the hand by a chicken, causing but a slight abrasion of the skin. The wound caused erysipelas which increased until death ensued.

Installation.—The Rev. John Edgar will be installed as Pastor of the Presbyterian church in this place, on Wednesday next, November 9th, at 7 o'clock in the evening. Services in the court house. The sermon will be preached by the Rev. Mr. Downing of Newport, the charge to the pastor by Rev. Mr. McPherson of Landisburg, charge to the people by Rev. Mr. Hamilton of Ickesburg, and the constitutional questions proposed by Rev. M. Thompson of Duncannon.

Duncannon Items.

On Hallow-eve, some villain, filled Mr. William J. Stewart's new cistern, half full of dirt. On Wednesday evening, Owen Ashton, Willis Topley, and Samuel Rumbaugh, were brought before Nathan Vanfossen, justice of the peace, on charge of having insulted Mrs. Aaron Dorsey (colored) but were discharged on promise of their good behavior, in future.

The residents in the vicinity of the school-house, have been much annoyed by having window lights Mirrors, &c., broken, by some mysterious agency; the mystery was solved by Mr. Smyth, who discovered a school boy, playing on a window on the opposite side of the street, with a concern which he called a gum shooter, and from which he could throw heavy shot, with sufficient force, to break a window light at a distance of fifty yards. An investigation was had, which resulted in the fining of eight or ten of the fellows, \$1.50 each.
