By constant endeavors, we have avoided all the old ruts and antiquated methods of the trade, until now OAK HALL is universally ac knowledged to be

EXCEPTION.

THE REASONS ARE:

We have built a house for our business, covering nearly half an acre.

Instead of wedging it in between other buildings, making it dark, and obscuring the goods, it is built on the corner of three streets, and any one may count in it 251 windows.

3. We employ skilled Workmen, One Hundred and Fifty of whom may be seen under our roof by any one having the time and curiosity to visit our Establishment, and besides these, 1400 to 1800 sew-ers are employed at their own homes.

4. We make no imperfect goods.

5. We thoroughly sponge and shrink ALL our

6. We purchase our goods at first hands, in large lots—sometimes in bills of over \$100,000 at one time.

We set our faces against every species of unfair dealing, and will dismiss any employee in any way guilty of it.

8. We have such enormous sales that we are content with a profit far below the trade margin.

We warrant all our goods, and will give every possible guarantee to purchasers at

OAK HALL.

The above are facts that no one can truthfully dispute, as the examination we so cordially in vite, will fully prove.

We ask the encouragement and support of all classes of people, feeling sure that in establishing
