CARSON'S Stellar Oil!

THE alarming increase in the number of frightful accidents, resulting in terrible deaths and the destruction of valuable property, caused by the use of inferior kerosene, known under the name of petroleum, prompts us to call your special attention to an article which will, wherever USED, remove the CAUSE of such accidents.—We allude to

Carson's Stellar Oil FOR ILLUMINATING PURPOSES.

The proprietor of this Oil has for several years felt the necessity of providing for, and presenting to the public, as a substitute for the dangerous compounds which are sent broadcast over the country, an oil that is SAFE and BRILLIANT, and entirely reliable.

1ST. Because it is safe beyond a question. The primary purpose in the preparation of STELLAR OIL has been to make it PERFECTLY SAFE, thus insuring the lives and property of those who use it.

2D. Because it is the most BRILLIANT liquid illuminator now known.

3D. Because it is more economical, in the long run, than any of the dangerous oils and fluids now in too common use.

4TH. Because it is intensely BRILLIANT, and therefore economical, giving the greatest possible light at the least expenditure to the consumer. Its present standard of SAFETY AND BRILLIANCY will always be maintained.—for upon this the proprietor depends for sustaining the high reputation the STELLAR OIL now enjoys.

To prevent the adulteration of this with the explosive compounds now known under the name of kerosene, &c., &c., it is put up for family use in Five Gallon cans, each can being sealed, and stamped with the trade-mark of the proprietor; it cannot be tampered with between the manufacturer and consumer. None is genuine without the TRADE-MARK.

STELLAR OIL is sold only by weight, each can containing five gallons six and a half pounds each, thus securing to every purchaser full measure. It is the duty and interest of all dealers and consumers of illuminating oil to use the STELLAR OIL only, because it alone is known to be safe and reliable.

All orders should be addressed to JARDEN & CO., WHOLESALE AGENTS, 136 South Front Street, Philadelphia.
