An auctioneer, in a recent handbill, advertises for sale a large quantity of oil-paintings, "by some of the an-cient masters of the day." When a man and woman are made

one, the question is, which one? Some-times there is a long struggle between them before the matter is settled. Bes A maiden lady, alluding to her youthful accomplishments, said that at six months of age she went alone. A malicious individual present remarked:

"Yes, and you have been going alone ever since." A colored-mail-carrier in Virginia was recently well shaken by a man for kieking his dog. "Look-a-here, massa," said he, "you'd better be keerful howyou shake dis chile! Cos when you shakes me you shakes the whole of the United States;

An amusing incident occurred one day last week in the morning train going west from Richmond on the Chesapeake and Ohio Railroad. As the train entered the Blue Ridge tunnel at Rockbridge Gap one mile in length, a passenger sought to avail himself of the three minutes' friendly darkness for the purpose of changing his linen. It is so chanced that the clean shirt was stiffly starched, and the surfaces refused to part company, and as the train emerged into daylight the unhappy and unshirted man was seen frantically endeavoring to thrust his bare arms through the most refractory of sleeves. His fellow passengers engaged in a rather loud smile at the expense of the victim of circumstances, but before the train reached the lunatic asylum at Staunton, some ten miles distant, the shirt yielded to the spasms of its owner, his countenance resumed an expression of mild satisfaction and no one suggested a strait jacket.
