HENRY T. HELMBOLD'S Compound Fluid EXTRACT CATAWBA GRAPE PILLS.

Compotent Parts—Fluid Extract Rhabarb and Fluid Extract Catawba Grape Juice.

FOR LIVER COMPLAINTS, JAUNDICE, BILIOUS AFFECTIONS, SICK, OR NERVOUS HEADACHE, CONSTIPATION, ETC. PURELY VEGETABLE, CONTAINING NO MERCURY, MINERALS, OR DELETERIOUS DRUGS.

II

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor gripping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigorating of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence of diet or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated; from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER BOX.

III

HENRY T. HELMBOLD'S

L

Being prepared expressly for the above complaints, its blood-purifying properties are greater than any other preparation of sarsaparilla. It gives the complexion a clear and healthy color and restores the patient to a state of health and purity. For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual well known remedy for the cure of pains and swelling of the bones, ulcerations of the throat and legs, blotches, pimples on the face, erysipelas and all scaly eruptions on the skin, and beautifying the complexion. PRICE \$1.50 PER BOTTLE.

M

HENRY T. HELMBOLD'S

CONCENTRATED Fluid Extract Buchu,

THE GREAT DIURETIC.

Has cured every case of Diabetes in which it has been given. Irritation of the neck of the bladder and inflammation of the kidneys and bladder, retention of urine, diseases of the Prostrate Gland, stone in the bladder, calculus, gravel, and mucous or milky discharges, and for enfeebled and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling Horror of Disease, Wakefulness, Dimness of Vision, Pain in the Back, Hot Hands, Flushing of the Body, Dryness of the Skin, Eruption of the Face, Pallid Countenance, Universal Lassitude of the Muscular System, etc. Used by persons from the ages of eighteen to twenty-five, and from thirty-five to fifty-five or in the decline or change of life; after confinement or labor pains; bed-wetting in children.

B

Helmbold's Extract Buchu is Diuretic and blood-purifying, and cures all diseases arising from habits of dissipation, and imprudence in life, impurities of the blood, etc. Superseding copaiba in affections for which it is used, and syphilitic affection—in these diseases used in connection with Helmbold's Rose Wash.

LADIES.

In many affections peculiar to ladies, the Extract of Buchu is unequalled by any other remedy—as in Chlorosis or Retention, Irregularity, Painfulness or Suppression of Customary Evacuations, and complaints incident to the sex. It is prescribed extensively by the most eminent physicians and midwives for enfeebled and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms.)

O

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPURITIES, HABITS OF DISSIPATION, ETC.,

In all their stages, at little expense little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all poisonous matter. Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after marriage. Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter how long standing. PRICE \$1.50 PER BOTTLE.

L

HUMOROUS ITEMS.

When a lady sings to you, 'Come, rest in this bosom,' don't you do it—her husband or lover may be round.

A Vermont girl wants to know if the woman's rights movement includes the right to do the courting; if it does she is in for it, as the men in that vicinity are very bashful.

A boy who heard the quotation, "A little learning is a dangerous thing," wished to stop going to school because he was afraid he should not live long enough to get past the dangerous point.

A visitor to New York said he stopped at a house kept upon the European plan, which, according to his experience, is to charge so much for the use of the room that you have no money in the morning to invest in a breakfast.

A reporter thus graphically describes the effects of a storm on the North River: "While the storm was at its height the vessel kneeled to the larboard, and the captain and another cask of whisky rolled overboard."

A clergyman was reproving a parishioner for his habits of intemperance and told him that whiskey was his greatest enemy. "Are we not told in Scripture to love our enemies?" said the irreverent toper. "Yes, John," replied the minister; "but it is not said we are to swallow them."

A colored inebriate was lying on a bench the other evening, in his cell at the central station at Providence, when the officer made his rounds of inspection. Unable by the fitful gaslight to clearly discern the prisoners features, the officer asked: "Are you colored?" "No," answered the enfranchised drowsily, "I was born so."

Frank Brown, the comedian, used to tell of an honest Philadelphia German who got excited over an account of an elopement of a married woman, and exclaimed:

"If mine wife runs away mit anoder man's wife, I vill shake him out of her breeches, if she be mine fadder, mine Got!"

A stout old gentleman and his wife gaze at their children—a pair of twins that are encircled in each other's arms in the cradle.

Wife.—Do look at them, husband; ain't they a precious pair of lambs?" Husband.—(very innocently) "If they are a pair of precious lambs, pray tell me, love, what am I?"

A German friend of ours, last week, upon the arrival of his second pair of twins, said to his family physician: "Ov you please, toctor, it ish petter dot a sthob be boot to dose dings. One hair ov quinz, I dinks, ish aller right, but more ash dat ish blayed out, don't it?—Dat's what's de matter mit me. You know how it is myself."

At a printer's festival recently held in Lowell, Massachusetts, the following toast was presented:

"The printer—the master of all trades—he beats the farmer with his Hoe, the carpenter with his rules, and the mason in setting up columns; he surpasses the lawyer and doctor in attending cases, and beats the parson in his management of the devil."

The Acrostic "Pioneer" says: One evening last week, a couple of chaps, evidently from the rural districts, came into the telegraph office for the purpose of sending a dispatch. The message was taken by the operator, and the pair proceeded down stairs. They had just reached the sidewalk when the gong at the "Snell House" was sounded for tea. Whereupon one of the pair went into the air, exclaiming: "By Jerusalem, there goes the message, Jim!"

Tommy B.—one night returned to his domicile in a state of uncertainty that was ridiculous. Pushing heavily against the door, it opened, and Tommy fell sprawling across the threshold
