HENRY T. HELMBOLD'S

Compound Fluid EXTRACT CATAWBA GRAPE PILLS.

COMPONENT PARTS—Fluid Extract Rhabarb and Fluid Extract Catawba Grape Juice.

FOR LIVER COMPLAINTS—JAUNDICE, BILIOUS AFFECTIONS, RICK OR NERVOUS HEADACHE, COSTIVENESS, ETC. PURELY VEGETABLE, CONTAINING NO MERCURY, MINERALS, OR DILETTANT DRUGS.

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear infatigable to the weak and overworked, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER BOX.

HENRY T. HELMBOLD'S HIGHLY CONCENTRATED COMPOUND EXTRACT SARSAPARILLA

Will radically exterminate from the system Scrofula, Syphilis, Fever Sores, Ulcers, Sore Eyes, Sore Throat, Sore Head, Bronchitis, Skin Diseases, Salt Rheum, Glanders, Running from the Ear, White Swellings, Tumors, Cancerous Affections, Nodes, Rickets, Glandular Swellings, Night Sweats, Rash, Tetter, Humors of all kinds, Chronic Rheumatism, Dyspepsia, and all diseases that have been established in the system for years.

Being prepared expressly for the above complaints, its blood-purifying properties are greater than any other preparation of sarsaparilla. It gives the complexion a clear and healthy color and restores the patient to a state of health and purity. For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual well known remedy for the cure of pains and swelling of the bones, ulcerations of the throat and legs, blotches, pimples on the face, erysipelas and all scaly eruptions on the skin, and beautifying the complexion.

HENRY T. HELMBOLD'S CONCENTRATED Fluid Extract Buchu, THE GREAT DIURETIC,

has cured every case of Diabetes in which it has been given, Irritation of the neck of the bladder and inflammation of the kidneys and bladder, retention of urine, diseases of the Prostrate Gland, stone in the bladder, calculous, gravel, and mucous or milky discharges, and for enfeebled and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling Horror of Disease, Wakefulness, Dimness of Vision, Pain in the Back, Hot Hands, Flushing of the Body, Dryness of the Skin, Eruption of the Face, Pallid Countenance, Universal Lassitude of the Muscular System, etc. Used by persons from the ages of eighteen to twenty-five, and from thirty-five to fifty-five or in the decline or change of life; after confinement or labor pains; bed-wetting in children.

Helmbold's Extract Buchu is Diuretic and blood-purifying, and cures all diseases arising from habits of dissipation, and imprudences in life, impurities of the blood, etc. Superseding copaiba in affections for which it is used, and syphilitic affection—in these diseases used in connection with Helmbold's Rose Wash.

In many affections peculiar to ladies, the Extract of Buchu is unequalled by any other remedy—as in Chlorosis or Retention, Irregularity, Painfulness or Suppression of Customary Evacuations, and complaints incident to the sex. It is prescribed extensively by the most eminent physicians and midwives for enfeebled and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms.)

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPURITIES, HABITS OF DISSIPATION, ETC., in all their stages, at little expense little or no change in diet, no inconvenience, and no expense. It cures a Frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all poisonous matter. Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after marriage. Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter how long standing.

HENRY T. HELMBOLD'S IMPROVED ROSE WASH cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of Cutaneous affection. It speedily eradicates Pimples, Spots, Scrofulic Dryness, Indurations of the Cutaneous Membrane, etc.

Full and explicit directions accompany the medicines. Evidence of the most responsible and reliable character furnished on application, with hundreds of thousands of living witnesses, and upward of 30,000 unsolicited certificates and recommendations letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Salesmen, etc. The proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

HUMOROUS ITEMS.

Here lies my wife, Molly, let her lie, she found repose and so did I?

Cattle are dumb beasts, but by getting themselves together in large numbers they make themselves herd.

What is the difference between a church-organist and the influenza? One stops the nose, and the other knows the stop.

Why was Pharaoh's daughter a successful stock-broker in a money panic? Because she got a little prophet from the rushes on the banks.

That woman was a philosopher who, when she lost her husband, said she had one great consolation—she knew where he was o' nights.

A physician once advised Sidney Smith to "take a walk upon an empty stomach." "Whose stomach?" asked the wit.

The chap who took the thread of life to sew the rent of a house has gone and invented a patent point for cross-eyed needles.

"That's what I call repetition," exclaimed a wag the other day. "What's that Tom?" said his friend. "Why, look at that sign across the way—J. E. Weller, jeweller."

The inscription on a church bell in Milwaukee reads, "In memory of Minnie J. Hodges—weight 724 pounds." It must take a strong bed-cord for her bed.

A young man sitting by his girl, with whom he was quarrelling, remarked petulantly that she was nothing. She said she wouldn't admit that, but she would say that she was next to nothing.

Shall I help you to alight?" said a young gentleman, addressing a bouncing country girl, who was preparing to jump from a carriage in front of his office. "Thank you, sir," sweetly replied the girl, "but I don't smoke."

"Father," said a four-year old child, "I think you ain't wise." "Why, my child?" "Because you have brought that baby here when mother is sick, and you have to get a woman to take care of it!" "Go rock the cradle, Lucy, and let us hear no more of your jabber."

A lawyer ordering a tailor to purchase cloth, and make for him a suit of clothes, paid for them when completed, with a check reading: "Pay to— or order, twenty-nine dollars, being for professional services in a suit, brought for me by him, and conducted to a successful 'clothes.'"

A Connecticut manufacturer, desiring to stock his pond with black bass, wrote to Greeley, to inquire the way to hatch them. The philosopher replies: "By all means set the eggs under a South-down hen. But if you want bass for eating, the best is to set out an orchard of bass-wood trees, and pluck the fruit as it matures."

"Wife, I am shortly to leave you—the doctor tells me I can live but a few hours at most. I shall soon be in heaven." "What! you soon be in heaven? You! You'll never be any nearer heaven than you are now, you old brute!"— "Dolphus, Dolphus," hoarsely growled the old man, "Dolphus, bring me my cane, and let me larrip the trollop once more before I die."

A young lady having asked a gentleman the size of his neck, he sent the following: The size of my neck! That's remarkably strange, and admits of a very significant range; A neck-tie, a collar, sore throat, halter, And others, enough to make a man falter. Let this tender reply anxiety check— The length of your arm will just go 'round my neck!

An impatient Welshman called to his wife, "Come, come, isn't breakfast ready? I've had nothing since yesterday and to-morrow will be the third day."— This is equal to the call of the stirring housewife who aroused her maid at four o'clock with, "Come, Mary, get up! Here, 'tis Monday morning, to-morrow is Tuesday, the next day's Wednesday, half the week gone, and nothing done yet."

A fashionable but ignorant lady wanted a camel hair-shawl, but her husband bought her a cheap imitation of the article. On examining it she found the name of the manufacturer on one corner and wanted to know what that was.— "That," said the husband, "oh, that is the name of the camel of whose hair the shawl is made!" The wife takes great pride in her shawl, and has no doubt of its genuineness.

"Have you no pen and ink?" said a doctor to a poor woman, whose child he was attending. "No," said the woman. "Well, I have lost my pencil; give me a piece of chalk." And the doctor chalked a prescription on the door telling her to give it to her boy when he awoke.— "Take it, my boy, take it," said the old woman, lifting the door from its hinges, and carrying it to the poor boy when he opened his eyes. "I don't know how you are to do it, I am sure, but the doctor says it is good, and you had better try it."
