HENRY T. HELMBOLD'S Compound Fluid EXTRACT CATAWBA GRAPE PILLS, Composit Part—Fluid Extract Rhubarb and Fluid Extract Catawba Grape Juice.

FOR LIVER COMPLAINTS, JAUNDICE, BILIOUS AFFECTIONS, SICK, OR NERVOUS HEADACHE, CONSTIPATION, ETC. PURELY VEGETABLE, CONTAINING NO MERCURY, MINERALS, OR DELETERIOUS DRUGS. These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, &c. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor gripping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as appears miraculous to the weak and enervated, whether arising from imprudence or disease. H. T. Helmbold's Compound Fluid Extract Catawba Grape Pills are not sugar-coated, from the fact that sugar-coated pills do not dissolve, but pass through the stomach without dissolving, consequently do not produce the desired effect. The Catawba Grape Pills, being pleasant in taste and odor, do not necessitate their being sugar-coated. PRICE FIFTY CENTS PER BOX.

For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual well known remedy for the cure of pains and swelling of the bowels, ulcerations of the throat, and legs, blotches, pimples on the face, eruptions and all scaly eruptions on the skin, and beautifying the complexion.

LADIES. In many affections peculiar to ladies, the Extract of Buchu is unequalled by any other remedy—as in Chlorosis or Retention, Irregularity, Painfulness or Suppression of Customary Evacuations, and complaints incident to the sex. It is prescribed extensively by the most eminent physicians and midwives for enfeebled and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms.)

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPURITIES, HABITS OF DISSIPATION, ETC., in all their stages, at little expense little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all poisonous matter. Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after marriage. Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter how long standing.

HUMOROUS ITEMS.

A ship may be said to resemble logwood when it's in port.

What word may be pronounced quicker by adding two more letters to it? Quick.

A Florida negro was two years ago so terrified at the cars that he had to be blindfold to get him aboard. Now he is a senator and director of the railroad.

A young physician asking permission a lady to kiss her, she replied, "No, sir; I never like to have a doctor's bill thrust in my face."

At a Negro ball, in lieu of "Not transferable" on the tickets, a notice was posted over the door: "No gentlemen admitted unless he comes himself."

"Mr. Jones, what makes the canary sleep on one leg?" "I don't think any body makes him, my dear; I think he does it of his own accord."

A gentleman complaining of his too many friends, Patrick advised him to find money to the poor ones and borrow from the rich; then nuther sort will trouble yer.

"I wish you had been Eve," said an uncle to an old maid proverbial for her meanness. "Why so?" Because you would have eaten all the apple instead of dividing it with Adam.

A person reading the funeral services at the grave, forgot the sex of the deceased, and asked one of the mourners, an Emerald: "Is this a brother or a sister?" "Nather," replied Pat, "only a cousin."

A Democratic citizen, standing near a platform scales, the other day, asked a colored individual, "Can a nigger weigh hogs?" To which the colored man replied, "Put yourself on dem scales, an' see if he can't!"

"What is your consolation in life and death?" asked a Sunday-school superintendent of a young lady in the Bible class, who blushed and said, "I'd rather be excused from speaking his name."

Josh Billings says in his 'lecter'; "Rat's originally came from Norway, and nobody would have cared if they had originally staid there." A lady friend remarked that rats still show their guay-away origin.

A census taker recently asked a servant girl in the vicinity of Boston, how many regular steady boarders there were in the house. She informed him there were fifteen boarders in all, "but not more'n four of 'em is steady; the rest is dimercrats."

There is a great joker living in Iowa, by the name of Ache, and he has named a newly-arrived daughter 'Bellie,' the short for Isabelle. Now, what we want to know is, how will the girl like to write that name as she grows older? It will look queer, won't it?

"Tatoes!" cried a darkey peddler in Richmond. "Hush dat racket—you distracts de whole neighborhood," come from a colored woman in a door-way.—"You kin hear me kin you?" "Hear you! I kin hear you a mile." Thank God for dat—I's hollowin' to be heard—tatoes!"

It is nice going to some Iowa schools. A lady teacher at Des Moines called a boy up and made him show her how he kissed the big girls in the wood shed. After he showed her, she punished him by making him stay after school. He says he don't want to graduate for two years yet.

A young lady at Versailles, Kentucky, was saved by her chignon from having her brains dashed out the other day as she fell from a third story window; whether the chignon protected the brains that were actually there, or whether people who wear chignons haven't much brains to be dashed out, is not quite settled to the satisfaction of the neighbors.

Not long ago a gentleman had occasion to reprove his little son, aged four and a half years, for an offence which had on other occasions called forth words of correction. The parent closed with, "And, now, Willie, I don't want to speak to you again about this!" which was promptly and very decidedly responded to as follows: "Well, pa, I doesn't want you to."

A Vermonter has had three dollars damages awarded him for being butted over a fence by his neighbor's bull.—The smallness of the sum is due to the plaintiff's avowal that he was trying to get over the fence as quickly as possible, so that the bull only helped him in carrying out an intention conceived of his own free will.

An old Dublin beggar woman asked a lady the other day for a half penny. "I've nothing for you," she said, "but if you go to the soup-kitchen you'll get a pint of excellent soup." "Soup, is it ye mane?" bawled the indignant mendicant, "do ye call that stuff soup? Suro, Ill just tell ye how they make it; they get a quart of water and boil it down to a pint to make it strong."
