LOCAL DEPARTMENT.

OUR TERMS

Are One Dollar a Year in Advance

Go to WERTZ if you want a neat pair of Boots, Shoes or Gaiters made to order. Repairing done promptly, at fair rates.

Wanderer.—Your communication will appear next week. Will be glad to hear from you again. Communications should be handed in by Saturday, at the latest, or they must lay over for a week.

A Call Accepted.—Rev. C. L. Erenfeld has accepted a call from the Lutheran congregations comprising the following charge: Newport, St. Samuel's and Buck's Valley.

We call attention to the advertisement of Dr. Schenck, which will be found in another column. To Consumptives it will be found particularly important.

Early Harvest.—On Friday last in some places in this county the farmers were cutting wheat. This we think is the earliest date at which grain has been cut in this section for many years.

Kicked.—A remarkably fine two-year old colt, owned by Mr. John Brickley, of Tyrone twp., was kicked by a mule, while in pasture, on Wednesday last, and hurt so badly that it died in a few minutes.

A Concert will be given in the Methodist church, in Landisburg, on Friday and Saturday evenings of this week. It is to be given by the singing-class of Mr. C. H. Jones, and the proceeds are to be used for the repair of that church.

Sudden Death.—On Monday of last week, a daughter of Wm. Foose, a resident of Newport, was taken with spasms and died in a short time. Whether the spasms which caused her death were brought on by a fall from a swing, or from eating some drug, (both of which incidents had occurred in the afternoon) is not known. The child was about 6 years of age.

The Patriarchs and Prophets.—This is the title of a book descriptive of the lives of the Patriarchs and the Prophets. It is a book worthy a place in every library. The contents are not only instructive but are of a character calculated to please both young and old. The work is now being sold by Mr. D. D. Renner who will soon call on our citizens with a copy of the work giving them a chance to subscribe.

Boring for Coal.—Another vein of coal about two inches thick was struck on Friday last by Mr. Geo. W. Sheibly who is boring for the Little Germany coal Company. This vein was reached at a depth of 100 feet. The intention is to sink the hole 200 feet deep providing the prospects for coal continued good. Mr. Sheibly states that the black rock in which he is now boring is the same kind as that under which he generally found coal in Ohio.

Too Willing.—We have received an advertisement for some lottery enterprise, signed by Martin & Co., which he asks us to publish, and says "We have heretofore done our business through agents, but now propose to do it direct with the publishers." It takes two to make a bargain, and as we don't propose to have any of Messrs. Martin & Co., business, unless the money accompanies the order, they will probably do no business with us.

The Crops.—Farmers in this vicinity report wheat to promise a fair crop, though the late wheat is being injured by the weevil. Rye will be a good average yield. Oats will be short in the straw and probably much below the average crop. Corn is backward but is now growing finely. Clover will be very short and there will not be over two thirds a crop. Other hay though short is quite thick on the ground which will perhaps make the crop about a fair average.

Melancholy Occurrence.—A Huntingdon Co., paper says: On Saturday evening last Miss Mollie Rutledge, daughter of Alexander Rutledge, Esq., of Williamsburg, this county, went to the cellar with a coal oil lamp, and whilst in the cellar let the lamp fall. The fire from the lamp communicated with her clothing, and by the time she got up the stairs, the fire was blazing above her head. In a few moments her clothing was almost entirely consumed, and the young lady horribly burned. She lingered until about 11 o'clock next day, when death ended her sufferings. She was aged about eighteen years, and was an amiable and interesting young lady. The parents and friends have the sympathy of the whole community in this sad and heartfelt calamity.

A Sad Accident.—On Saturday morning the 10th inst. a two horse team belonging to Wm. Metz while crossing the track at Haley's Station was struck by a passenger train running east. The train runs at a rapid rate, and struck at the front the wagon breaking the pole off allowing the horses to escape. Isaac Metz had eleven years of age was in the wagon and thrown amid the wreck of the wagon to quite a distance. He was picked up and taken into a store near by where his injuries were attended to by Dr. Traver after which he was taken home. Should the boy recover it would be a remarkable escape from death.

A Fatal Accident.—On Monday morning last as the Union freight line east, was passing Millerstown, a son of Mr. W. C. Rothrock agent of the R. R. Co., at that place was run over and instantly killed. The boy was with his uncle, who, just as the train was coming stopped to speak to some person and at that moment it is supposed the lad attempted to cross the track to speak to some men on the other side when he was knocked down by the engine the entire train passing over him. He was a bright boy about ten years of age, and the accident is a sad affliction to his parents who have the sympathy of the whole community.

Persons Result of a Blast.—On Friday morning a week, the rockmen engaged in blasting on Section 5 of the railroad, just below Hartley's mill in Snake Spring twp., set off a heavy blast directly opposite the house of Geo. Smouse, Esq. A stone weighing between 100 and 150 pounds was thrown high into the air and descended upon the roof of the house just beyond the comb and passing through the roof and two floors fell into the kitchen, breaking the floor there also. It would have gone to the cellar if it had not struck the wall and window facing before it struck the floor. It was almost miraculous that none of the family were killed, as it passed through a bedroom within two feet of a bed, in which a child of three or four years was sleeping, cutting off two heavy joists, one in the floor above and one beneath, and scattering lath, plastering, and splinters in every direction. Mrs. Smouse had just left the kitchen a few minutes before and gone to the cellar and sent two or three children that were with her out of doors.—Bedford Inquirer.

Suicides in York County.—John Ream, a German, aged about 25 years, a potter in the employ of the Messrs. Pfaltzgroff, in whose employ he was for a long time, committed suicide by drowning himself in the dam of Mr. David Bentzel's mill, in Manchester township, on Monday evening of last week. Mr. Jesse Brodbeck, near Jefferson of that county, committed suicide on Thursday morning, by hanging himself in his barn.

Duncannon Items.—Our correspondent from that place sends the following items: Rodney Shearer, a boy ten years of age, fell from a cherry tree on Saturday, the 10th inst., and broke his arm. The community was terrified by the report of a mad dog being at large, on the evening of the 12th. The report proved true, and the owner of the dog, Mr. William Whitmire, found and shot him, about nine o'clock that evening. Several dogs have been shot since, that were supposed to have been bitten. There are entirely too many worthless dogs about town, and the community would be safer if it were rid of them. The Lutheran Congregation of this place held a Strawberry Festival, in the Parlors of the Pennsylvania House, on Friday, Saturday, Monday and Tuesday evenings and realized a handsome profit. The several orders of this place, intend to unite in celebrating the 4th of July, but in what way has not been decided as yet. Two men indulged in a fist fight, on Wednesday near the Rolling mill, rather one of them did, while the other gave leg bail. William Whitmire, has given the Mechanics Hall, two more coats of white paint this week, improving its appearance, considerably. Subscriptions have been carried around for the purpose of raising money to build a Baptist Church, on one of the Clark farm lots, we understand that the Church is to be commenced soon. A new coat, was bet, by a crazy man this week, that there would be a railroad, between Duncannon, and Bloomfield, inside of fifteen months, I hope the crazy man will win. [We wish there were more such crazy men.—E.]

Church Notices.—Preaching in the Methodist Church on Sunday evening next. In the Reform Church, communion next Sabbath at 10 o'clock. Preparatory services on Saturday at 2 1/2 p. m. Presbyterian preaching in the Courtroom next Sunday at 11 in the morning, and at 8 in the evening.

Try It.—Every person who is troubled with dyspepsia, debility, or the diseases consequent upon the Spring changes, should use Rohrer's Cherry Tonic Bitters. It will invigorate, restore the appetite, and generally improve the health. Try it. For sale by F. Matthias & Co., and the stores generally throughout the United States.

Fatal Railroad Accident.

A railroad accident occurred to the up train, on the Lebanon and Pinegrove railroad, about 8 o'clock Friday evening, by which the conductor, Joseph R. Thomas, was instantly killed and several persons more or less injured. The train, consisting of three passenger cars, when within about three miles of Pinegrove, in passing through a cut, ran into a herd of cattle, killing and mangle a number. The engine and cars were thrown by the force of the collision off the track against the embankment, the conductor falling under one of the cars and being horribly mutilated, death of course resulting immediately. Harry Turner, baggage master, standing on platform at the time, was thrown by the concussion through the door of a car, and severely bruised. A lady passenger, Mrs. Miller, of Pinegrove, was slightly injured. Two children in her charge were injured one having an arm fractured and the other its back broken. Mr. Thomas the conductor killed, was widely and favorably known in this city, and enjoyed a large circle of friends. For a number of years he was conductor on the Schuylkill and Susquehanna railroad between this city and Pottsville. He leaves a wife and three children. He had an insurance of \$2,000 on his life.

A load of bark containing over 134 cords was, last week, hauled into Mr. McNeal's tannery, at Blain. It was drawn by six mules, the team being driven by James Crownover, who has the name of being the best driver in the county.
