Rice of Saville twp. in the county of Perry, and State of Pennsylvania within said district, who has been adjudged a Bankrupt upon his own petition by the district court of said district.

JOHN BEXLER, Assignee

ALL KINDS OF JOB PRINTING Neatly executed at the Bloomfield Times Steam Job Office.

HENRY T. HELMBOLD'S Compound Fluid EXTRACT CATAWBA GRAPE PILLS. Competent Paris-Fluid Extract Catwaba Grape Juice.

FOR LIVER COMPLAINTS, JAUNDICE, BILIOUS AFFECTIONS, SICK, OR NERVOUS HEADACHE, CONSTIPATION, ETC. PURELY VEGETABLE CONTAINING NO MERCURY, MINERALS, OR DELETERIOUS DRUGS.

These Pills are the most delightfully pleasant purgative, superseding castor oil, salts, magnesia, etc. There is nothing more acceptable to the stomach. They give tone, and cause neither nausea nor griping pains. They are composed of the finest ingredients. After a few days' use of them, such an invigoration of the entire system takes place as to appear miraculous to the weak and enervated, whether arising from imprudence or disease.

HENRY T. HELMBOLD'S HIGHLY CONCENTRATED EXTRACT SARSAPARILLA

Will radically exterminate from the system Scrophula, Syphilis, Fever Sores, Ulcers, Sore Eyes, Sore Legs, Sore Mouth, Sore Head, Bronchitis, Skin Diseases, Salt Rheum, Cankers, Running from the Ear, White Swellings, Tumors, Cancerous Affections, Nodes, Rickets, Glandular Swellings, Night Sweats, Rash, Tetter, Humors of all kinds, Chronic Rheumatism, Dyspepsia, and all diseases that have been established in the system for years.

Being prepared expressly for the above complaints, its blood-purifying properties are greater than any other preparation of sarsaparilla. It gives the complexion a clear and healthy color and restores the patient to a state of health and purity.

For purifying the blood, removing all chronic constitutional diseases arising from an impure state of the blood, and the only reliable and effectual well known remedy for the cure of pains and swelling of the bones, ulcerations of the throat and legs, blotches, pimples on the face, erysipelas and all scaly eruptions on the skin, and beautifying the complexion.

HENRY T. HELMBOLD'S Fluid Extract Buchu, THE GREAT DIURETIC.

has cured every case of Diabetes in which it has been given. Irritation of the neck of the bladder and inflammation of the kidneys and bladder, retention of urine, diseases of the Prostate Gland, stone in the bladder, calculous, gravel, and mucous or milky discharges, and for enfeebled and delicate constitutions of both sexes, attended with the following symptoms: Indisposition to Excitation, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling Horror of Disease, Wakefulness, Dimness of Vision, Pain in the Back, Hot Hands, Flushing of the Body, Dryness of the Skin, Eruption of the Face, Pallid Countenance, Universal Lassitude of the Muscular System, etc.

Helmbold's Extract Buchu is Diuretic and blood-purifying, and cures all diseases arising from habits of dissipation, and imprudences in life, impurities of the blood, etc. Superseding copaliba in affections for which it is used, and syphilitic affection—in these diseases used in connection with Helmbold's Rose Wash.

In many affections peculiar to ladies, the Extract of Buchu is unequalled by any other remedy—as in Chlorosis or Retention, Irregularity, Painfulness or Suppression of Customary Evacuations, and complaints incident to the sex. It is prescribed extensively by the most eminent physicians and midwives for enfeebled and delicate constitutions, of both sexes and all ages (attended with any of the above diseases or symptoms.)

H. T. HELMBOLD'S EXTRACT BUCHU CURES DISEASES ARISING FROM IMPURITIES, HABITS OF DISSIPATION, ETC., in all their stages, at little expense little or no change in diet, no inconvenience, and no exposure. It causes a frequent desire, and gives strength to Urinate, thereby removing Obstructions, Preventing and Curing Strictures of the Urethra, Allaying Pain and Inflammation, so frequent in this class of diseases, and expelling all poisonous matter. Thousands who have been the victims of incompetent persons, and who have paid heavy fees to be cured in a short time, have found they have been deceived, and that the "poison" has, by the use of "powerful astringents," been dried up in the system, to break out in a more aggravated form, and perhaps after marriage. Use Helmbold's Extract Buchu for all affections and Diseases of the Urinary Organs, whether existing in male or female, from whatever cause originating, and no matter how long standing.

HENRY T. HELMBOLD'S IMPROVED ROSE WASH cannot be surpassed as a Face Wash, and will be found the only specific remedy in every species of Cutaneous affection. It speedily eradicates Pimples, Spots, Scrofulic Dryness, Indurations of the Cutaneous Membrane, etc.

Full and explicit directions accompany the medicines. Evidence of the most responsible and reliable character furnished on application, with hundreds of thousands of living witnesses, and upward of 30,000 unsolicited certificates and commendatory letters, many of which are from the highest sources, including eminent Physicians, Clergymen, Statesmen, etc. The proprietor has never resorted to their publication in the newspapers; he does not do this from the fact that his articles rank as Standard Preparations, and do not need to be propped up by certificates.

Henry T. Helmbold's Genuine Preparations Delivered to any address. Secure from observation. Established upward of twenty years. Sold by Druggists everywhere. Address letters for information, in confidence to HENRY T. HELMBOLD, Druggist and Chemist.

Only depots: H. T. HELMBOLD'S Drug and Chemical Warehouse, No. 594 Broadway, New York, or to H. T. HELMBOLD'S Medical Depot, 594 South Tenth Street, Philadelphia, Pa.

BEWARE OF COUNTERFEITS. Ask for HENRY T. HELMBOLD'S! TAKE NO OTHER. 4 28 1yp.

HUMOROUS ITEMS.

"Is it possible, Miss, you don't know the names of some of your friends?" "Oh yes, I don't know what my own name may be in a year."

A Cleveland merchant lately received a package labeled "1 box Tom Cats." It took him some time to decipher the fact that the inscription meant a box of tomato catsup.

"Are these pure canaries?" asked a young gentleman who was negotiating for a gift for his fair. "Yes, sir," said the dealer confidentially. "I raised them 'ere birds from canary seed."

A pleasant old gentleman of Teutonic antecedents committed hari-kari on a Mississippi steamboat, recently, and an intelligent Arkansas jury returned a verdict of "suicide in the first of degree."

The snail has a right smart chance for a tooth ache. He has one hundred and ten rows of teeth with one hundred and eleven on each row, or twelve thousand two hundred and ten teeth in all.

An old toper hearing it stated that the French have no W in their language, declared it was not so; "in fact, that it couldn't be so," for," he asked, "how could they spell whisky without a W?"

A victim of unrequited affection concludes as follows: "I sat me down and thought profound; This maxim wise I drew— It's easier far to like a girl Than make a girl like you."

An undertaker who was briskly furishing up a coffin, being asked whom it was for, replied, "I can't tell which, but two women have started out on a talking match next door, and it'll be sure to end in the death of one of 'em!"

The editor of the Bangor (Mo.) Why says he recently saw a large number of ladies enter a public hall with dishevelled hair and hat brims apparently wrinkled and broken, and, as he fancied, with excited countenance. "Upon inquiring what the riot was about," said he, "imagine our chagrin when told it was the fashion."

A German friend of ours, says an exchange, got his dander up the other day, upon the arrival of a second pair of twins, and said to his family physician: "Ov you bleese, doctor, it ish petter dav a shup be boot to dese dings. Von bair of twins, I dinks, is alles reat, but more as dat ish blaid owit, don't it? Dat's vot's de matter mit me. You know how it ish myself."

Two good natured Irishman, on a certain occasion, occupied the same bed. In the morning one of them inquired of the other, "Dennis, did you hear the thunder last night?" "No, Pat; did it raily thunder?" "Yes, it thundered as if havin' and airth would come together."

"Why in the devil, thin, didn't ye wake me, for ye know I can't slape whin it thunders."

Mrs. O'Reardon, of Detroit, Mich., started the chief of police with the following conundrum on Tuesday: "What shall I do with my husband in case he comes home drunk, splits the bureau with an axe, tips over the stove, breaks a leg off the bedstead, and holds me under the penstock until the water makes my ears roar like thunder." The chief didn't know.

A young chap who had gone to a Methodist revival meeting to make a disturbance, said, on being asked to become quiet, that he had heard that miracles were performed there, and had come to see some performed at that time; whereupon the muscular minister said: "We don't perform miracles, but we cast out devils," and sure enough, the devil did go out, his exit being somewhat hastened by the clerical gentleman.

Old Judge B. years ago lived in a town in New England, and was a careless, absent minded individual. One day, crossing the river in a flat-boat, with his men and teams after hay, he walked up and down the boat with his hands behind him, looking up at the clouds and thinking of the weather and hay-making. "All things work together for the good of them that love the Lord," said he, and stepped off the end of the boat into the water. He sank, but soon, reappeared, and shaking the water from his head, blubbered out: "I say it, and I'll stick to it!"

The following concise speeches were delivered at Colt's pistol factory, in Harford two years ago:

The workmen in one of the departments deputed their foreman to present a silver pitcher to the superintendent, and he spent a good deal of thought on what he should say. But when the occasion arrived the presence of ladies or the unexpected numbers, caused the prepared speech to be entirely forgotten. Presenting the handsome present, the spokesman, blushing up to his eyes, stammered and stuttered, and finally, by a superhuman effort, said, wholly inopportune: "Here's the pitcher!"

The recipient, thrown out of gear by so unexpected an address, also forgot his studied reply, held up the article before his admiring eyes, and gushingly responded: "Is this the pitcher?"
