CONSUMPTION. ITS CURE AND ITS PREVENTIVE.

Access near and dear to January and Friends are siseping the dreamless slumber into which, has they calmid adopted BR JOSEPH H. NCHENCK'S SIMPLE THEATMENT.

and availed themselves of his wonderfully efficacious medicines, they would not have falled.

Br. Schenck has In HS own case proved that wherever sufficient vitality we cannot be written that while years and healer calons for their use, is quickened into beatthful vigor.

In this statement there is nothing presumptious. To the faith of the invalid is made us representation that is not a thousand times and statement to the faith of the invalid is made us representation that is not a thousand times and statement to the faith of the invalid is made us representation that is not a thousand times and search to the invalid is made us represented by living and visible works. The theory of the circe by Dr. Schenck's institutes is as simple as it is unfailing. Its philosophy requires no argument. It is self-assuring, self-convincing.

The Ses-weed looks and Mandrake Pilis are the first two weapons with which the citacle of the mainty, is sessibled. Two-thirds of the cases of quasimplion originate in dryspepts and a functionally disordered liver. With this condition the bronch in tubes "sympathics" with the etomach. They respond to the morbilinaction of the liver, Herechen comes the culminating result, and the setting in, with all its discressing symptoms of

Park Place, N. Y. " Of course they did; that's what they are paid to do "

Bay A thin old man, with a rag bag in his hand, was picking up a large number of pieces of whalebone which lay on the street. The deposit was of such a singular nature that we asked the quaintlooking gatherer how he supposed they came there. "Don't know," he replied, in a squesking voice. "I spect some unfortunate female was wrecked hereabout."

A story is told of a father in a church, who, when the marriage service came to the point where the elergyman Balusters, Newel Posts, Scroll, Sawing, CIRCULAR WORK, &c., &c., and Warranted from Mry material, and all common sizes of asks, "Who giveth this woman to be married to this man?" replied: "Well, sir, I am called to do it, although it do go again the grain. I wanted her to mar-Kept on hand and for sale by the undersigned ry Bill Plowser, who is worth twice the money o' that 'cre man." The answer was

not considered regular.

"A tree that never spronts, and be-

"What is the name of it?"

Who dares spit tobacco juice upon the floor of this car ?" savagely exclaimed a large and powerfully built passenger, as he rose from his seat and stalked down the aisle frowning defiantly upon the passengers. "I dare," said a burly looking fellow, as he deliberately squirted

The following anecdote was given at the Edwards Reunion, in illustration of the absent-mindedness of the great Jonathan Edwards; at one time he rode after the cows, and a little boy vary respectful-ly bowed and opened the gate for him. "Whose boy are you my little man?"
"Noah Clark's boy, sir." On his return with the cows, the same boy appeared and opened the gate for him. Edwards thanked the little fellow, and asked: "Whose boy are you?" "The same man's boy I was a quarter of an hour ago, sir."

A farmer in a remote district of Yorkshire (Eng.) met a country rector who had been two years absent on travel.
"Mr. Rector," said the farmer, "you've been to the Holy Land, I hear." "I have, John, and got safe back, you see."
—"Well," said John, "I often thou't I'd like to hear about that spot. It's a fine country, I dare say." " Well," said the rector, "I saw Lebanon, and Jerusalem, and the Twelve Palm Trees, and the wells of water in the Great Desert; and we went across the Jordan, and went up

lenced laudation by declaring that "they had a gal in Boston, only 11 years old, who could chew gum in seven different languages with her eyes shut."

"Well said he, "if she won't, take my word or God's word, it's time to give it up." And he went and signed the pledge and kept it faithfully.

"They played well, didn't they ?"

There's a practical criticism for you, and

Bob. Harry Smith has one of the greatest curiosities you ever saw." "Don't say so-what is it?" Employment!

> comes smaller the older it grows." "Well that is a curiosity. Where did he get it?"

"Axle-tree—it once belonged to a California omnibus."

"It is perfectly non-explosive, gives a better light and is more economical than any other lamp in use "-W. W. Wells, tate Superintendent of Public Schools, Chicago." Public Schools, Chicago.
