

Bloomfield Academy!

An English and Classical School FOR LADIES AND GENTLEMEN

Young Men Prepared For College, A Normal School and a School of Art. FALL TERM COMMENCES On Monday, the 28th of August, 1871

As the above school has recently been re-organized, students can enter any time. Prof. W. M. HILL, a graduate of Rutgers College, N. J., Principal.

The Collegiate Department embraces all the higher branches, including the Latin and Greek Languages, Engineering, Practical Surveying, Literature, Natural Science and advanced Mathematics.

Terms—For Boarding, Furnished Room, Washing, Tuition in Greek, English Branches and Mathematics, for the scholastic year, \$180. In vacations—\$20.00.

THE AMERICAN WASHER!

PRICE, \$5.50! THE AMERICAN WASHER SAVES MONEY, TIME, AND DRUGGERY.

The Fatigue of Washing Day no Longer Dreaded, but Economy, Efficiency, and Clean Clothing, Sure.

In calling public attention to this little machine, a few of the invaluable qualities, (not possessed by any other washing machine yet invented), are here enumerated.

It is the smallest, most compact, most portable, most simple in construction, most easily operated. A child ten years old, with a few hours' practice, can thoroughly comprehend and effectually use it.

It is as perfect for washing as a wringer is for wringing. The price, another paramount inducement to purchasers, has been placed so low that it is within the reach of every housekeeper, and there is no article of domestic economy that will repay the small investment so soon.

\$5.50. All that is asked for this GREAT LABOR SAVER, is a trial. We guarantee each machine to do its work perfectly.

SOLE AGENTS FOR THE UNITED STATES, A. H. FRANCIS & CO., 513 MARKET ST., PHILADELPHIA, PA.

Photographs! Photographs!

JACOB COBLE, Photographic Artist, NEWPORT, PENN'A.

THE subscriber would respectfully call the attention of the citizens of this county to the fact that he is prepared to take PHOTOGRAPHS in the best style of the art.

And Everything else usually kept in Stores. Call and see my stock.

ROBT. N. WILLIS, New Bloomfield, Pa.

NOTICE TO INVALID PENSIONERS. Thousands of soldiers who are now drawing Invalid Pensions are entitled to increase. All Pensioners who believe their Pensions too small, can now have them increased, by making application to LEWIS POTTER, Claim Agent, New Bloomfield, Pa.

A GREAT MEDICAL DISCOVERY

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS

Hundreds of Thousands Bear testimony to their Wonderful Curative Effects. WHAT ARE THEY?

THEY ARE NOT A VILE FANCY DRINK, Made of Pure Ram, Whiskey, Proof Spirit and Refine Liquors, doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants.

CONSUMPTION. ITS CURE AND ITS PREVENTIVE.

By J. H. SCHENCK, M. D.

Many a human being has passed away for whose death there was no other reason than the neglect of known and indisputably proven means of cure. Those near and dear to family and friends are receiving the dreadful number into which, had they calmly adopted

DR. JOSEPH H. SCHENCK'S SIMPLE TREATMENT, and availed themselves of his wonderfully efficacious medicine, they would not have fallen. Dr. Schenck has in his own case proved that wherever sufficient vitality remains, that vitality, by his medicines and his directions for their use, is quickened into healthful vigor.

In this statement there is nothing presumptuous. To the faith of the invalid is made no representation that is not a thousand times substantiated by living and visible works. The theory of the cure by Dr. Schenck's medicine is as simple as it is unfeeling. The philosophy requires no argument. It is self-evident, self-convincing.

The Sea-weed Tonic and Mandrake Pills are the first two weapons with which the citadel of the consumptive is assailed. Two-thirds of the cases of consumption originate in dyspepsia and a functionally deranged liver. With this condition the bronchial tubes "sympathize" and are consequently inflamed and morbidly affected of the liver. Here then comes the consummating result, and the setting in, with all its direful consequences, of the fatal disease.

English Roofing Felt

Is found to stand well in all climates, being extensively used for Roofing Houses, Out-Buildings and Sheds; for Laying Flat Roofs, Gutters, Lining Granaries, Storehouses, or Walls, (either outside or inside), and for placing under Slates or Tiles. It is also a cheap and effective Ceiling on the underneath side of rafters of a Slated or Tiled Roof, and as a Ceiling to Iron Roofs, counteracting Heat, Frost, and Condensation of Moisture.

The English Felt is put up in rolls of 25 yards in length, by 32 inches in width, and containing a surface of 200 square feet.

THREE-PLY FELT FOR ROOFING. In Rolls, 26 inches wide, by 50 feet in length; each roll will cover a surface 10 feet square, or 100 square feet.

It is to be laid across the roof, shingle fashion, with a lap of two inches, and secured by nailing the edges with 3d nails and tin caps. When laid, the Felt is to be painted with Mastic Roof Coating, and Sanded. The Mastic Roof Coating is mixed, ready for use, and is applied with a brush.

TARRED ROOFING FELT. Used extensively for Sheathing Houses, and for Tar and Gravel Roofing, also for placing under Slate, Tin and Shingle Roofing.

It is used in packing Woollens and Furs to protect them from moths. Put up in rolls weighing 45 pounds each. 15 pounds Felt will cover a surface of 100 square feet.

TWO-PLY FELT, For Sheathing Houses, Roofing Temporary Buildings, making Water-Tight Floors, and for placing under Slate and Shingles.

In rolls, 26 inches wide by 50 feet in length. Each roll will cover a surface of 10 feet square or 100 square feet. For Sheathing it can be nailed upon the studs, making a perfectly air tight sheathing, and sure protection from dampness. Rats, mice, or vermin will not go near it.

MICA CANVAS ROOFING. In rolls containing 250 square feet. Is to be laid across the roof, and lapped shingle fashion with a lap of two inches, and secured by nailing the edges with 3d oz. tacks.

This is the only Composition Roofing that does not require a finishing coat of paint or cement.

UNTARRED SHEATHING FELT, For Carpet Lining, Dendening Floors, and for putting under Slate, Tin and Shingle Roofing. Put up in rolls weighing 100 pounds. 10 pounds Felt will cover a surface 10 feet square, or 100 square feet.

MANUFACTURED BY THE PENN ROOFING CO., 105 South 2nd Street, PHILADELPHIA, PA.
