There are only eight male teachers employed in the public schools of Delaware county. The rearing and keeping of bees is an extensive and profitable business in Crawford county. Regular passenger trains are now running over the Sunbury and Lewistown railroad. A North Carolina colored revival meeting was disbanded by the freaks of a belligerent bull dog. The floor of a New Hampshire stable fell out, and three cows that were hitched to the stalls were hanged. The Board of Public Works at Chicago, will issue no permits for the purpose of building or repairing wooden structures within the new fire limits. Cincinnati has an apparatus for consuming her own smoke. What a god send it would be to the country if she would only consume her own whisky. The Chinese companies have made arrangements for commencing suits against the city of Los Angeles for the murder of their countrymen and the robbery of their families by the rioters. On Thursday night a mob collected about the jail in Jeffersonville, Indiana, to lynch a negro, but the prisoner was taken out secretly by a back-way, and is now in the jail at Charlestown, Indiana. In Hamilton, Ohio, a few days since, a fee of twenty-five cents was collected from all persons who entered a church for the purpose of witnessing a marriage. The money was given to the young couple to start them in life. At Montgomery Ala., on the 6th inst., at a political gathering in Court square, an arvil being used as a cannon exploded, killing two men, and mortally wounding two or three others. Several more were also badly injured. This unfortunate accident ended the meeting. Among the curious social facts developed by the census statistics is the appearance on the rolls of Pennsylvania of one family with seven pairs of twins, one family with six pairs, and another family with four pairs. The mother of the last group had six other children, and was only thirty-eight years old. At St. Louis, on Saturday night a week, a negro man went to the house of Mrs. Bass, living near Windsor, Missouri, and demanded money. She refused it, whereupon he choked her until she was nearly insensible, and attempted to outrage her person. The negro was arrested next day, taken to Windsor, and hanged by a mob. A deformed chicken of common breed, the deformity resulting from a broken back, was entered at the Muskingum county (Ohio) Fair as a Hungarian cock of the "Selavi Magyar breed," just imported, and the sapient Judges, after gravely inspecting it, awarded it the first premium over one of the finest poultry shows ever seen in the country. A young girl about fourteen years of age, daughter of a Mr. Freed, in Harmony, Butler county, having done something amiss, some one jokingly told her she would have to go to jail for it; whereupon she thought she would thwart them as far as the jail was concerned, and having borrowed a spoonful of arsenic, (to kill the rats she said), she swallowed it all, but she overshot the mark, and so failed in doing what she designed—however she is still in a critical situation.

The emigration returns of Liverpool, for the month of October, show 14,293 departures for the United States. The Commission of Inquiry on the capitulations made by French generals during the recent war is prosecuting its investigations with great vigor. Affairs in the Austrian Empire are growing decidedly serious. The Bohemian Diet has refused to send delegates to the general parliament, and the authorities have ordered the legislature at Prague to be suppressed. The resignation of the chief Chancellor Count von Brest, will add very materially to the troubles and vexatious Emperor FRANCIS JOSEPH. Matters are rapidly growing worse in Mexico. The new term of Juarez promises to bring all the old evils of anarchy on our unhappy sister Republic. The insurgents of Zacatecas have entered San Luis Potosi, and are plundering right and left, and it looks at present as if Juarez would have to resign his place of chief magistrate or call in foreign aid to assist in compelling the obedience to his authority. The workmen of Berlin are earnest in their preparations for carrying out their recently announced programme of union of all the workmen's associations in a general society for co-operative action in regard to pay, hours of work, and other questions of common interest. At a large meeting of workmen, held recently it was resolved that a congress for the consolidation of trades unions be held there on the 19th inst. A corpulent and red-faced man was walking along a street in Paris, the other day, accompanied by his niece, when he suddenly fell to the ground, and a moment after was bathed in blood, while the niece bent over him with a glittering instrument. The bystanders all cried, "Assassination!" but the man, it seems, had been stricken with apoplexy, and his niece, with great present of mind, had bled him, thus saving his life.
