Tuesday, January 2, 1872.

LOCAL DEPARTMENT.

OUR TERMS Are \$1 25 a Year in Advance.

Calendar for January 1872 showing days of the week and dates.

To Subscribers.—By noticing the figures on the direction label any subscriber can tell when his subscription expires.

Jas. L. Diven, Landisburg; Samuel Bebert, Shermansdale; R. M. Eby, Newport; W. L. Kipp, Millerstown; George Crist, Green Park; Samuel Shumaker, Loyalville; J. T. Robinson, Chater; A. S. Whitekettle, Markerville; Wm. Jackson, New Buffalo; W. H. Swartz, Duncannon; Abner J. Wilson, Juniata P. O.

Military.—A portion of the Juniata twp., Military company were in town on Saturday last and paraded to the music furnished by their drum corps.

A Smash Up.—At a late hour on Friday night two freight trains came into collision on a short distance above Newport, making a wreck of a number of cars. Several employees of the company were severely injured.

An Accident.—On Friday last a man whose name we did not learn fell from a freight train just below Newport, and the cars passing over one of his legs crushed it so badly that amputation was necessary. He resided at Altoona.

Lost a Horse.—On Christmas Mr. Haines who resides near Sunbury drove over to this borough to visit his father-in-law Mr. George Arnold, and while here, his horse took sick and died, either from the effects of the long drive or from over feeding.

Court is in progress as we go to press. Judge Junkin has obtained the assistance of Judge Rowe of Chambersburg, to try such cases as "his honor" was engaged in as counsel previous to his election. A full report of the proceedings will be published in THE TIMES next week.

Heavy Hogs.—Our subscribers from Thompsonstown report some heavy hogs. Mr. Cyrus McFarland of that place killed two, one year old which weighed 901 pounds. And Mr. J. W. Leider reports the killing of one which weighed 524. So far Juniata county is ahead of Perry.

A Bad Shot.—A young man named Fleury residing in Oliver twp., while gunning on Christmas day discharged his gun into his boot tearing it open and shooting off his great toe. It is all right to toe the mark, but marking the toe in that way is not so pleasant.

An Upset.—A few days since a wagon belonging near Blain, slid over the bank while trying to pass a large heavily loaded wagon in the narrows, and was upset breaking the pole, and causing a sudden fall in pork, with which the wagon was loaded. The road in many places along there is unsafe, owing to its being so narrow and slippery, and it is a wonder more accidents do not occur.

Drumming was a favorite amusement in this borough on Christmas night. On that afternoon a drum corps from Milford, visited town and we suppose, on the ground that if a little is good more would be better, they drummed away until every person in town had more than enough. We will do them the credit to say however that they did it well.

What A Good Newspaper May Do.—Show us an intelligent family of boys and girls, and we will show you where newspapers are plenty. Nobody who has been without these silent, private tutors, can know their educative power. How important, then, to secure those which tend only to good! Anything which makes home pleasant, cheerful and chatty, thins the haunts of vice, and the thousand and one avenues of temptations, should be regarded, when we consider its influence on the minds of the young, as a great moral and social blessing.

Exhibition.—The New Years exhibition of Jan. 1st and 2nd in the Presbyterian Sabbath School has begun well and displays quite a variety of entertainment tableaux, dialogues, readings, recitations and singing. Many of the pieces being by the smallest children in the school showing all the interest which attaches to the performances of such little ones when well trained. The Admission for Adults is 20 cts and children 10 cts. A repetition will take place on Saturday night. The most amusing feature of the exhibition is a mock trial held both nights before full court and jury with counsel, witnesses &c. Go and see it.

That Horse Thief.—The young man arrested on suspicion of stealing a horse and who was discharged on habeas corpus, the account of which was given in the last number of THE TIMES, sold the horse the day of his discharge to B. F. Saltzman and then left on the train west. He had not been gone long before a letter was received from parties at Hagerstown saying the horse was stolen and asking the detention of the thief. A dispatch was accordingly sent to the conductor of the train and the man was arrested at Huntingdon. He was brought back to Newport by an officer and delivered to Mr. Saltzman, who brought him up to Bloomfield and let him go again as the parties did not arrive to claim the property. A few hours after the thief had gone however, a man put in an appearance claimed the horse proved property to the satisfaction of the holder, and took the animal away. The consequence is the thief is gone and Mr. S. has no horse, besides paying the officer from Huntingdon. By the way it seems as though that officer needed overhauling for his outrageous charge, claiming \$23 for his services and threatening in case the bill was not paid to let the prisoner go. We were not aware that such officers were entitled to act in a judicial capacity and discharge prisoners at their own option.

Teachers' Institute.—There was a meeting of the teachers of the county held in the Court House last week. We suppose the man who had charge of the affair was not particularly proud of his success and consequently did not desire the proceedings widely circulated. We come to this conclusion from the fact that we were not furnished with any of the minutes, and were also refused permission to make any abstract from them. We consider it rather a curish trick, as people have a right to know what is done at meetings held at the public expense, and also the right to select the paper through which they will obtain their information. As long as Institutes are to be held we trust the school directors will try and place the duty of conducting them in capable hands.

Hunter's Lnk.—On Saturday last Mr. George Pennell and a friend, went out on the river near Duncannon for ducks. These they did not get, but broke through the ice and instead of ducks got a ducking. One of them lost his gun which was recovered after much trouble.

The Teachers of Buffalo twp., school district report the "percentage of attendance" for the first month as follows: viz: Hunters School (No. 1) S. E. Buck Teacher reports the average of Male attendance to be 82 per cent. Female 86. Charles School (No. 2.) M. H. Grubb Teacher reports the average of Male attendance to be 77 per cent. Female 81. Mt. Patrick School (No. 3.) John W. Deekard Teacher reports the average of Male attendance to be 70 per cent. Female 73. Ferry School (No. 4.) Edward Debray Teacher reports the average of Male attendance to be 75 per cent. Female 67. Centre School (No. 5.) Jas. P. Long Teacher reports the average of Male attendance to be 69 per cent. Sausage-Cutters and a complete assortment of Hardware can be bought cheap of F. Mortimer.

Small Pox in Philadelphia. In answer to letters received on this subject, we have to say that not a single case of the disease has occurred in either of our houses.

Under Oak Hall roof we have Two Hundred and Sixty-seven persons, and in the Chestnut Street House we have One Hundred and Ten persons, making altogether Three Hundred and Seventy-seven persons; and among all these, from the first day up to the present time, there has not been a single case of the disease. Any statements to the contrary are false and malicious and intend to injure our business, and we would thank our friends in city or country to send us the names of persons reporting falsehoods of this character.

Since the disease was first noticed in this city, the reports of it have been greatly exaggerated and the people needlessly alarmed. The mortality in the city has been less in proportion to population than in some of the country towns. It is not true in any case that our streets have been boarded up; nor has there been any fright or fear on the subject. Some of the sensational newswriters have gone far from the truth in statements foolishly put in print.

What is the fact in regard to the employees in our establishment, will be found to be also true in many of our best houses, and customers need not have the slightest fear of running any risk in making their usual purchases in Philadelphia.

Wanamaker & Brown Sixth and Market St. JOHN WANAMAKER & CO. 818 & 820 Chestnut St.

Dentistry.—Dr. Isaac N. Shatto wishes to notify the citizens of the county that he is again able to attend to business and that his office in Newport will still be continued, the duties of County Treasurer not interfering with his dental operations. Work solicited which will be done in the best manner.

To those who are bowed down by nervous Debility, and despair of ever recovering the vigor and manhood we earnestly recommend Dr. Walker's California Vinegar Bitters. Before they have finished the first bottle, they will feel the restorative principle at work in every portion of their broken-down systems and hope will spring up in their hearts. No case of Dyspepsia, Bilioousness, Intermittent Fever, Rheumatism, Gout or kidney disease, can resist this unequalled vegetable tonic which is unpoluted by any distilled or fermented liquor.

The propriety of giving condition medicine to horses, cattle and sheep, was discussed and admitted by many of the Agricultural Societies throughout the State last Fall, and we believe that in every case but one they decided in favor of Sheridan's Cavalry Condition Powders. Good judgment.

There is, probably, no way in which we can benefit our readers more than by recommending to them for general use Johnson's Anodyne Liniment. It is adapted to almost all the purposes of a Family Medicine; and as a specific for coughs, and colds, whooping cough, soreness of the chest, lame stomach, rheumatism, splitting of blood, and all lung difficulties, it has no equal that we ever saw or heard of.
