LOCAL DEPARTMENT.

CALENDAR. MONTHLY. JANUARY. Table with days of the month and corresponding numbers.

WILL YOU READ THIS!

We intend to stop every subscriber's paper when the subscription expires, for if not notified to the contrary, we take it for granted that he wishes it discontinued.

To Subscribers.—By noticing the figures on the direction label any subscriber can tell when his subscription expires.

A Temperance Lecture will be delivered in the Court House, on Wednesday evening, the 17th inst., at 7 o'clock, J. Q. Detwiler, of Kansas.

A Confused Squire.—A Justice of the Peace, not far from this borough, recently got confused while marrying a couple, and was set right by the bride.

A Sad Accident.—On Tuesday evening last a telegram was received from Mr. A. L. Markel of Buda, Ill., stating that Ed. J. Mickey son of Mr. David Mickey of this borough had been seriously injured at that place on the evening previous.

County Superintendents.—In the last number of the Pennsylvania School Journal, it is recommended that the present school law be so changed that the county superintendents may be appointed by the State Superintendent, instead of being elected as at the present by school directors.

How to Make Alum Baskets.—In reply to S. E. T. in last week's TIMES, a lady friend sends the following:

In the formation of the basket, use bonnet wire and wherever the wires cross, tie with coarse thread. After forming, wrap all the wires with candle wick, or if you wish a colored basket use red flannel or other colored wool goods, but not glazed muslins, as they are too smooth to gather the Alum.

Correction.—In the report of the case of Long vs. McLaughlin, in last week's paper, we say "the Plf. actually owes him \$700, &c." It should have read the Defl. actually owes him, &c.

Church Notices.—Lutheran Church—Services each evening this week at 6 1/2 o'clock. Presbyterian Service—Preaching in the Court House next Sabbath in the morning only.

Persons wishing to purchase under clothing, will find it to their advantage to call at the LITTLE STORE next to Posters office, as prices have been reduced in order to close out the entire stock before spring.

Road Proceedings at January Court.—Order reporting road from turnpike near John Hain's to intersect the turnpike on land of John Sider's, in Howe township, approved nisi.

Order granting private road to Daniel Liddig in Buffalo township, and awarding sixteen dollars damages confirmed.

Order changing the location of a road through farm of James A. Wright, in Liverpool township, confirmed.

Order granting a private road prayed for by Lewis M. Smith, of Howe township, and awarding John Hopples heirs ten dollars damages, approved nisi.

Report vacating road in Oliver township, near Newport, about 65 rods in length, confirmed, provided that the old road is not to be closed until the new road, which applies the part vacated, is opened for public use through Habeckerstown.

Report of re-viewers refusing to grant road from near Martin's house in Allen's Cove in Penn township to near Hall's mill dam in Rye twp., confirmed; and the court decline to appoint viewers upon the petition of sundry citizens for the same road.

Report changing location of road leading from Bixlers mill to Rice's saw mill, near patent lime kiln, in Madison township, confirmed.

In the matter of the petition for a road from Marketville to Newport—the viewers having failed to discharge their duty by reason of the inclemency of the weather—a new order is directed to issue to the same viewers, returnable to the next term.

In the matter of the citizens of Penn township, for the vacation of the "Fording across Sherman's creek where the public highway from Duncannon to Fio Forge crosses said creek," the court make the following endorsement, to wit: "This petition has no endorsement of the points of the road or fording proposed to be vacated, nor can a fording as such be vacated—it is a part or portion of a road, but no such road is given, therefore rejected."

On the petition of George Dunkle for review of damage done or likely to be done, by the laying out of a road, from lands of James Moore and Gen. Wister to road near or at Upper Cove school house in Allen's Cove, John G. Rose, George Moyer and Joseph Leppard, Esq., are appointed to view and assess the same, and the confirmation of the report granting said road, continued in the meantime.

Report granting road to Robert P. Cochran and Columbus W. Taylor & Co., in Tuscarora township, and awarding \$15 damages to Mitchell Jones and to M. and Wm. Patton \$1,—approved nisi.

Wm. T. Kepner, S. H. Galbraith, and Wm. Luper appointed to view road to connect road from Landisburg to Sterret's Gap near B. Cunningham's gate, with road running parallel with Sherman's Creek—a short distance—in Carroll township.

On a petition of a majority of the citizens of Madison township, the court order that an election shall be held on the third Friday in March next at the usual place of holding elections, to decide whether the proposed change of the place of holding elections shall be made, or whether no change shall be made. Those in favor of change, shall vote, "A change to Clark's School House," those opposed shall deposit ballots containing the words, "No change."

Saturday at 2 o'clock p. m., Preparatory Service. Sunday at 10 o'clock p. m., the Communion Service. The Pastor will be assisted by the Rev. J. E. Wolf, of Lancaster, Pa.

Badly Hurt.—On Monday morning a horse ran away with a buggy, containing Mr. Amos Robinson, and a young man named A. B. Shultz, throwing them, out shortly below town. Mr. Robinson was badly cut in the face and had his nose mashed, and his clothes nearly torn off by the frozen ground. Mr. Shultz who is a book agent residing in Huntington, was somewhat hurt in the ankle.

No person should ever complain of Lame Back, Neuralgia, or even suffer any pain when they can obtain that popular medicine, Pain Cure Oil. Those that use it cannot help recommending it to their suffering friends.

Beginning with 1872 the new German weekly of the American Tract Society, the "DEUTSCHER VOLKS-FREUND," will be enlarged to the size of the "ILLUSTRATED CHRISTIAN WEEKLY," and illustrated. This paper has received the very highest and warmest commendations from the best judges at home and abroad; one critic pronouncing it the best paper he reads in either German or English.

The importance of giving Sheridan's Cavalry Condition Powders to horses that have been out in the cold rain, stood in cold wind, or drank too much cold water, cannot be over estimated; no man should be without them who owns a good horse.

Sales.—We call attention to the valuable Real Estate in Wheatfield twp., formerly belonging to Washington Kirk deceased which is advertised in another column, and for which bills have been printed at this office.

Brief Items.

Furs and Shawls are now being closed out at great bargains by F. Mortimer. Call and see them.

The Clover-Seed crop of Spring, Tyrone and Madison townships, must have been good, for Messrs. D. H. Smith & H. Fouse, say they have hulled over 600 bushels in these townships, this season. They have a machine which threshes and hulls at one time.

A "leap year party" is soon to take place in this borough. We are glad to learn that the ladies are determined to insist on their rights. It is to be hoped however that they will not pattern after the boys and stand around the church doors after service waiting for the desired partner to come out.

A gun falling down in a blacksmith shop in this borough a few days since discharged a portion of its load into the leg of a horse belonging to "Squire Huston."

The Reformed parsonage in this borough was sold at public sale on Saturday. It was bought by the congregation here for \$975.

Over one hundred new subscribers have paid their subscription and been added to our list since the 1st of January. We call it a pretty good start for the year.

The large stained glass window in the front of the Presbyterian church in this place adds much to the appearance of the building.

Farmers complain that the dogs are killing their sheep. Dogs ought to be taxed throughout the whole country and there would be less worthless curs running around.

Not one day good sleighing so far this year and the winter half gone. It looks bad for the sale of sleigh-bells and sleighs.

COMMUNICATED.

MARYSVILLE, Jan., 14th, 1872.

MR. EDITOR:—Thinking the people of little Perry county would like to hear something from the "town of accidents" I now do tell. I shall give you what has occurred within the past week. Tuesday morning the fast line east, in passing over the Pa. bridge broke the switch at the east end, the engine passing down broke it and went on keeping her own track, but turning the switch throwing the passenger cars on the left hand track. The switch tender Mr. Frantz was standing on the left track the cars came along and knocked him down throwing him across the track, cutting off both his legs and otherwise injuring him so that he died immediately. In the death of Mr. Frantz the company loses a reliable man and one who was ever faithful to his trust. Although this accident was unlucky for one, yet fortunate for the many there might have been great loss of life had the switch not turned completely over, throwing most of the cars on the left hand track some of them went 48 yards before they succeeded in stopping them, had they been precipitated down the embankment with that force we could not calculate the loss.

On Wednesday morning Mr. O. H. Miller came very near losing his life; he was standing on the tender of the Cincinnati Express his foot slipped and he fell, but before he struck the track the bumper struck him knocking him off otherwise he would have been cut in two. He is very much bruised but is slowly recovering. The people of Perry have only to go to Marysville to see men torn and bleeding, for almost daily we have some accident.

But to turn to a theme which to be appreciated needs only to be seen. The people of our town are making rapid strides toward improving their engine smoked town, by building in a more substantial manner than heretofore, also painting and otherwise beautifying their buildings. They believe that a thing of beauty is a joy forever. There is also a visible improvement in our streets. And we with a population of 863 can point with pride to two school houses 4 schools 248 scholars. Our schools are taught by able and energetic men Messrs. John W. Magee and Wm. S. Gault in the east ward and William A. Blain and John W. Hibbs in the west ward, they certainly have wrought wonders in the schoolroom. And last but not least Mr. Ed. we can point you to three splendid churches. The people of Marysville are not favored with as much time to attend church as the inhabitants of your own little village but we do the best we can hoping the day will come when railroad companies will not allow one puff of the steam engine on the track or one stroke of the hammer in the shop on the Lords day.

ALMERANTE.

A BEAUTIFUL WOMAN.—The perceptive faculty of women is usually keener than the same phrenological organ in men. Women know that beauty rather than genius is worshipped by the sterner sex. A man may talk of the latter to his lady-love, but the keenness of the woman knows that he is thinking of the former. Women are fond of admiration; hence one of their longings is to be beautiful. The grand secret of female beauty is health, the power to eat, digest and assimilate a proper quantity of wholesome food. Take VINEGAR BITTERS. It will cleanse the stomach, tone the vital organs, give a perfect digestion, purify the blood, clear up the complexion and produce a state of mental and physical electricity, which gives symmetry of form, bright eyes, white skin, glossy hair and a genuine type of female loveliness, which no cosmetic can produce. 2 d 4t

Y.—5 15 a.

We were pleased to see, not long since, in one of our exchanges, some pretty severe remarks addressed to several persons who, during an interesting lecture by Rev. Jno. S. C. Abbott, kept a continuous coughing, which prevented many from hearing. People who cannot refrain from coughing, had better stay away from such places, or else take a bottle of Johnson's Anodyne Liniment with them.

To those who are bowed down by nervous Debility, and despair of ever recovering the vigor and mein of manhood we earnestly recommend Dr. Walker's California Vinegar Bitters. Before they have finished the first bottle, they will feel the restorative principle at work in every portion of their broken-down systems and hope will spring up in their hearts. No case of Dyspepsia, Biliousness, Intermittent Fever, Rheumatism, Gout or kidney disease, can resist this unequalled vegetable tonic which is unpolliuted by any distilled or fermented liquor. 51 44w

Dentistry.—Dr. Isaac N. Shatto wishes to notify the citizens of the county that he is again able to attend to business and that his office in Newport will still be continued, the duties of County Treasurer not interfering with his dental operations. Work solicited which will be done in the best manner. #2t.
