LOCAL DEPARTMENT.

CALENDAR MARCH table with days of the month and corresponding numbers.

The name of the Prophet at Shermansdale, several of our subscribers say is "Rooster." We think they are right.

The answer to the per cent. problem is as follows:

Smith lost \$29.50; Brown came out square; Jones made \$15 and the last purchaser paid \$67.00 for the land.

Enigmas, Problems and Riddles to be accepted, must be accompanied by the answers. Those who have sent contributions of this kind without answer, will understand why they are not published.

Notice.—Subscribers wish to change their post office address will please mention the name of the office to which the paper has been sent, as well as to the office to which it is to be sent in future. Attention to this request will insure the desired change.

Sunday School Service.—A special Sabbath School Service next Sabbath evening at 7 o'clock in the Presbyterian church, to which all are invited. Subject—"The Anchor" and singing of new pieces by the school.

Nails.—Nail Manufacturers Association of the Atlantic States have agreed to advance the price of nails, on all grades, twenty-five cents per keg.

Robbed.—On last Thursday a week the house of Fred Orwen, in Philadelphia formally a resident of this place, was entered and robbed of jewelry and clothing valued at \$350. This is rather a severe loss for a jour printer.

Alleged Forgery.—A few days since Dan Koehenderfer of Spring twp., sold a note for \$71, purporting to be signed by Peter Koehenderfer to Wm. H. Minich of Newport, at considerable discount. This note is now declared forgery and Dan has left for the West, leaving a wife and two children unprovided for.

Fire in Madison Township.—On Friday morning last a fire broke out in the house belonging to Josiah Espy in Madison twp., and destroyed the house and out buildings. The premises were occupied by Josh Comp, who lost all his farming implements, a lot of grain and hay and most of his furniture. Mr. Jacob Hench who was to occupy the place after April 1st, had already moved a portion of his farming implements, and fodder, and these were also destroyed. In addition to the loss of personal property mentioned above, Mr. Comp lost papers and one or two hundred dollars in money which he had in the house for making a payment on a place he had purchased. If there is any portion of the money left, the remains should be carefully gathered up and sent to the Treasury at Washington, when new new money will be issued for that burned.

Robbery at Loysville.—On Wednesday night last, the post office at Loysville was entered by some persons and \$40 worth of stamps and a package of money and a check, in all amounting to two hundred and five dollars were stolen. The money and check was not post office matter, but had been left with Mr. Miller the post master to hand to the stage driver. Mr. Miller does not know in what manner the entrance was effected, but supposes the office door was opened with a false key, after which the lock on the place where the money was kept was broken off. We trust the matter will be thoroughly investigated and the guilty parties arrested and punished.

The loss of the postage stamps will of course fall on the post master, but the balance of the loss will rest on the parties leaving the money, unless they can show gross negligence on the part of the person in whose charge the money was left, which is not probable.

Conference.—The Central Pennsylvania Conference of the Evangelical Association, a body representing the central part of Pennsylvania, Eastern part of Maryland and the district of Columbia, assembled in the Green street church in the city of Baltimore on the 7th of March and held their thirty-third annual session. The following appointments have been made on the Carlisle district for the ensuing year:

Perry Circuit, S. W. Seibert and J. A. Irvine; Marysville Circuit, J. M. Young; Liverpool circuit, D. H. Kepner and H. Greninger; Port Trevorton Circuit, R. Young and F. M. Baker; Troxleville Circuit, S. A. Aurdand; Middleburg Circuit, S. E. Davis and H. Gramley; Hagerstown Circuit, H. H. Ream; Lottsburg Station, S. P. Reamer; Big Spring Circuit, G. L. Burson; Carlisle Mission, H. B. Hartzler; Cumberland Circuit, H. A. Deltrich, and one to be supplied; Conewago Circuit, A. W. Kreamer and H. W. Runyan; Bendersville Circuit, J. M. Price.

Election passed off very quietly in this borough on Friday last, although a very full vote was polled. The system of cumulative voting gave the Democrats 2 councilmen, the balance of the ticket elected being Republican. The following are the officers elected in this borough.

Burgess, Wm. Rice; Town Council, Peter Stouffer, Geo. W. Messimer, H. M. Sweger, Wm. Garlin, Thos. Clark, Michael R. Clouser; Constable, Lemuel Messimer; Justice of the Peace F. B. Clouser; School Directors, Lewis Potter, Joseph Abrams, Conard Roth; Judge of Elections, S. H. Beck; Inspector of Elections, Benjamin Belford; Assessor, Hugh Campbell; Auditor Wm. M. Sutch.

Corporal Punishment in School.—From a communication we have received it seems some citizens of our county have an impression that inflicting corporal punishment in schools is prohibited by an act of Assembly. This is a mistake.—The teacher can inflict corporal punishment at his discretion, provided he does not exceed the bounds of moderation. A patron of a school who desires to make complaint as to the management, must make that complaint to the board of directors of the district in which the school is located and not to the teacher, or through the papers. We therefore decline to publish the communication on that subject.

Lost Their Goods.—Early in February, Messrs. W. H. Fiekinger and Milton Toomey, with their families left their late homes in Juniata township, this county, to seek their fortunes in the far West, choosing Americus, Kansas, as their future abiding place. Everything passed pleasantly and without accident on their journey; but their goods which had been shipped by freight, did not fare so well. At the oil fire in Conemaugh some weeks since, the car containing their effects was consumed entirely with its contents. Their friends in this county sympathize with them in their loss.—News.

Dropped Dead.—On Friday morning last Mr. John Wright of Greenwood twp., dropped dead while in Millerstown. He had eaten his breakfast apparently well as usual, and had gone to Millerstown to the election. On his arrival in town he entered the store of Robert Cathart and had been there but a few minutes when he suddenly expired. Mr. Wright was an old and highly respected citizen and three years since ended a term as commissioner of the county.

Fell Out.—On Sunday last Mr. John Harper while driving in a buggy near Green Park, dropped a line and in reaching for it fell out of the buggy the hind wheel passing over him. He was taken to Ellitsburg where his injuries were attended to. His wife who was with him succeeded in getting the line and stopping the horse.

Newport Items.—We have recovered somewhat from our scare regarding small-pox. The schools have again been opened and it is hoped the danger of a further spread of the disease is over.

Six boys were arrested last Tuesday for breach of the borough ordinance, and failing to pay the fine imposed by the burgess of \$1, each were sent up to jail for twenty-four hours. If the citizens don't want laws enforced why do they pass them?

The building and loan association has been organized by the election of the following officers:

President.—H. H. Beehtel. Vice President.—A. S. Whitekettle. Treasurer.—J. W. Frank. Secretary.—B. F. Miller. Directors.—Wm. Kough; Charles Ripman; J. L. Gantt; J. S. Demaree; Jackson Rhoads; W. S. Snyder; John Fleisher; J. W. Smith; Henry Smith.

Samuel Holey while playing with a shot gun on Wednesday last succeeded in lodging a load of shot in the leg of his brother. The doctors got most of them out and the boy hopes soon to be all right again. The funeral of Dr. Jos. Eby the only death from small-pox in this borough took place about midnight on Monday night.

The County Account.

MR. EDITOR:—In looking over the county account, I see some items which I think require explanation. The first is, I see one of the commissioners has received as salary \$515, and \$73 for holding appeals, making \$588. The law allows only \$1.50 per day for the days actually employed on business of the county, and as there are only three hundred and thirteen working days in a year, which would only give him \$469.50, I don't see how the balance of the amount charged could be paid unless taken regardless of law; or was he employed nights to make the difference? Will the tax payers of the county submit to such a management of their finances? I would also like to inquire why there is such a large amount of money allowed to remain as "out-standing tax," while the county is borrowing money on which they pay interest. Why are not these collectors forced to pay over the amount in their hands, or on their duplicates, and the county saved a large amount of interest?

Court was called at 10 o'clock on Monday Judge Rowe presiding. The attendance is small. A report of proceedings will be published next week.

DUNCANNON March 9th 1872

Mr. Editor.—There are a number of old buildings, stables etc., inflammable as punk, built along the line of the P. R. R. in this place, and the fire on the 27th of February with several alarms since have caused our people to think seriously of some means of prevention. There is a petition being circulated asking for the employment of a watchman, and it is to be submitted to the council for their approval. But as that would tax all for the benefit of those exposed to the danger from sparks, many think it would be more reasonable (in which the writer concurs) to compel the property holders along the R. R. to put slate roofs on the exposed buildings and require the yards to be kept clear of loose straw and other easily lighted refuse. As it now is, we are liable any night to have fires of such violence as to sweep the better part of the town.

The Young Folks Mite Society of the M. E. Church is flourishing, the attendance is good, and they occasionally get an old bachelor in.

The Good Templars are making additions to their number and considerable interest is felt in the work especially by the young ladies. If the ladies knew what an influence they could exert, most of them would be more outspoken, and condemn intemperance among their young gentlemen friends, and I am sure this would save some who think it rather manly to drink just a little, and that the girls like a fellow to be a little wild.

KNICKERBOCKER.

Accident at Mechanicsburg.—Wednesday morning last a son of Samuel Zacharias of the above place, a lad aged about 13 years, was run over by an engine and had his leg so badly injured that amputation was necessary. The left foot was also badly hurt. At last accounts the boy was doing as well as could be expected.

Guilty.—The jury in the case of Emanuel Shaffner, charged with poisoning, which has been on trial at Harrisburg, during the past week, returned a verdict of "Guilty of murder in the first degree," on Tuesday afternoon last.

The Markerville Academy will open on Monday, the 8th of April, 1872.

Tuition per quarter of eleven weeks from two to five dollars. Good board can be had at private houses at \$2.50 per week. For further particulars (before opening), address ADAM ZELLERS, Oriental, Juniata co., Pa.

The Aldine.—As a work of art no periodical in the country equals the Aldine, while it has no superiors in other qualifications. We hope to see our locality well represented on their subscription books. The price of the "Aldine" is \$5 per year, but we have made arrangements to supply the Aldine and the Times for one year on receipt of \$5. Subscribers already on our books can also avail themselves of this offer.

Church Notices.

A Parlor Organ and a Melodeon are offered for sale at a BARGAIN. The instruments are both new and splendidly finished. For further information apply at this office, or call on or address, Jas. Orr, New Bloomfield. 4. 6. *

The public are hereby assured, through the columns of the Bloomfield Times, that Parsons' Purgative Pills contain no injurious principle, but that they may be administered to children and the most weak and shattered constitutions, in small doses, with great certainty of success.

Dr. A. Johnson, one of the most successful practitioners of his time, invented what is now called Johnson's Anodyne Liniment. The great success of this article in the cure of Bronchitis and all diseases of throat and lungs, will make the name of Johnson not less favorably, if less widely known, than that of Louis Napoleon.

DEAD MEN TELL NO TALES: if they did, anathemas against the depleting lancet, the drastic purge, and the terrible salivants of the materia medica, would arise from every graveyard. The motto of modern medical science is "Preserve and Regulate, not destroy," and no remedy of our day is so entirely in harmony with this philanthropic logic as Dr. Walker's Vegetable Vinegar Bitters. In this powerful, yet harmless restorative, dyspepsia, bilious complaints, and all diseases of the stomach, liver, bowels and nerves, encounter an irresistible antidote. 104.
