FARM AND HOUSEHOLD ITEMS

Early Rising.

All the talk about early rising is moonshine. The habit of turning out of bed in the middle of the night suits some people; let them enjoy it. But it is only folly to lay down a general rule upon the subject.

Some men are fit for nothing all day after they have risen early every morning. Their energies are deadened, their imaginations are heavy, their spirits are depressed.

Piazas.

The plainest farm-house should have its broad piazza. To no other persons is the luxury so desirable as to a farmer and his family. When the heat of a summer's day is passed, and the cool shades of evening begin to render "all out-doors" an inviting place of resort, the mechanic sallies forth from his close shop, the lawyer from his musty office, the minister from his study, the banker from his counting-room, to enjoy with their wives an evening call, a walk, or drive, and to them, as to the weary seamstress, it seems like a glorious rest.

Files in a Room.

You may drive them out with a brush, but, unless something is done to render the place uninviting to them, they will return immediately. There are many weeds or plants emitting an empyreumatic odor which answers well for the purpose.

Another means perhaps quite as efficient and certainly more easily resorted to, is to throw some powdered black pepper on a hot shovel and carry it about the room. The generation of empyreumatic vapors in the same way from other spices will also, it is said, answer the purpose.

Permanent Whitewash.

Permanent whitewash for out-door work can be made as follows:—Slake half a bushel of lime in boiling water, and keep covered until completely slaked; strain it, and add a peck of salt dissolved in hot water, three pounds of ground rice boiled to a thin paste, half a pound of white glue previously dissolved in hot water; mix all these materials together, and add five gallons of hot water, and let the wash stand for a few days. It must be applied hot with a common paint-brush.

Impure Wells.

Recent investigations by M. Lefort prove that in any soil, the distance of 100 metres from either burial-grounds or battle-fields is quite useless to protect the water of even deep wells from becoming contaminated with the organic and injurious matter.

WALKER'S VINEGAR BITTERS PURELY VEGETABLE FREE FROM OPPIUM AND ALL OTHER DRUGS. VINICAR BITTERS

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Astringent," &c.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itch, Scabies, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores, cleanse when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when.

Mechanical Diseases. Persons engaged in Mining, Gold-bearing, and Miners, as they advance in life, will be subject to paralysis of the Bowels.

Bilious, Nervous, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Kentucky, Arkansas, Louisiana, and other States.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood, they remove the cause, and by restoring the effects of the inflammation (the tubercular deposit) the affected parts receive health, and a permanent cure is effected.

The Properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Soporific, Alterative, and Anti-Bilious.

Fortify the body against disease by purifying all its fluids with Walker's Bitters. No cure can take hold of a system thus fortified. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef steak, mutton chop, venison, roast beef, and vegetables, and take outdoor exercise. They are composed of purely vegetable ingredients, and contain no spirit.
