A New Trial .- The Supreme court have granted Emanuel Shaffner who was convicted of wife murder last Spring at Harrisburg a new trial.

Those Labels.-Some of our subscribers seem to confound the abbreviations used for January and June.

If the label on your paper reads "30 '72" your subscription expired with the month of June. If it reads "1 g '78," your subscription is paid till the 1st of next January. The abbreviation used for July

Excursion.-The P. R. R. have commenced issuing excursion tickets at Newport, to the National Democratic Convention, which meets in Baltimore on the 9th inst., and will continue to do so until the 10th of July. Good to return until July 17th inclusive.

Life Insurance is now recognized by every good business man to be one of the best investments he can make, only taking care to insure in a good company. To all intending to take out a life insurance policy, we say invest in the Continental of New York. The general agent for this state is J. F. Eaton of Harrisburg, and he not only represents a good company, but is the right kind of a man to do business with.

Accident.-On Wednesday last, Mr. John Huston of Carroll township was thrown from a horse rake and had several teeth knocked out and his arm badly hurt. The accident was caused by the shaft being so short that it drew from the holder, and dropping down scared the horse so that he started to run. Mr. Huston was thrown in front of the rake and had not the singletree bolt broke, so that the horse got clear from the shafts he would have been much more seriously injured, as the teeth of the rake would have caught him. Although the accident caused painful injury, Mr. Huston thinks he escaped very fortunately.

Death From Lock-Jaw.—On Wednesday last Mr. John L. Diven of Landisburg died from lock-jaw, the disease originating from a bruised finger. The injury occurred nearly three weeks previous, and though rescue. As the engine dashed along he for a few minutes was intense. For a almost simultaneously sprang on the locoweek after the injury Mr. Diven was motive. Three minutes before the passenaround attending to his business, but complained somewhat of a soreness in the cords | the engine to a stand still .- Fork Paper. of the neck, but what is rather singular is that the wounded finger gave no further trouble after the first few minutes when the pain ceased. Mr. Diven was an estimable citizen and his death occasions a loss which the entire community share with the family and friends.

Juniata Valley Camp Meeting .- The Juniata Valley Camp Meeting Association will hold their first annual Camp Meeting on their grounds, near Newton Hamilton, commencing on the 6th day of August and continuing for a period of ten days. Two hundred tents will be erected at once and allowed until October 1st in which to pay every convenience will be rendered those of tents and board.

Walking Match .- On Tuesday morning, Mr. John H. Brooks, of Harrisburg, arrived at the "Bentz House," having accomplished the feat of walking from that city to this place for a wager of \$500 that he could not accomplish the task in four hours. fact. Mr. B. won the bet, having walked the distance in 3 hours and 581 minutes. A number of persons accompanied the gentleman in vehicles .- Carlisle Herald.

Sun Struck .- A dispatch fom Dauphin to the State Journal on Wednesday last says: "An unknown man supposed to be from Elmira, New York, was sunstruck in the narrows below Dauphin, this afternoon. He was brought to this station where he died at 3, 30 p. m. He had on his person a ticket from Elmira, New York to Washington, D. C. No name or trace of anything was found about him to identify his place of residence. He is now lying in the warehouse awaiting the arrival of the coroner from Harrisburg."

Rewarded .- The Harrisburg State Jour-

nal of the 6th inst says :

The Harrisburg fire department, which responded so promptly to the call for help from Duncannon, a few days since, have received through Mr. John Wister, of this city, a check for \$25, presented by the citizens of Duncannon, in appreciation of valuable services rendered on the above occasion.

The Fourth.-In this borough the day The Bloomfield Cimes. passed off in a pleasant and creditable manner. The Sunday Schools of the Methodist and Presbyterian churches had pic-nics which were well attended, and appeared to be thoroughly enjoyed. The business places of the town were closed, and no instances of drunkenness or rowdyism were seen on our streets.

In Duncaunon and in Newport, whiskey stirred up some little trouble which was happily quieted before any damage was done.

At Marysville, a trouble originated among some of the "Colored bredren," who were there from Harrisburg, and one was shot in the leg and another badly bruised in the head and breast.

During the evening a storm passed over the lower end of this county, and over Dauphin county which did some damage. In this vicinity the storm did no damage, but cooled off the air in an greeable man-

Fire in Duncannon .- On last Tuesday afternoon, the stable in the rear of the Pennsylvania Hotel at Duncannon, took fire from the sparks of a locomotive, and before it was extinguished it extended to the hotel, which was occupied by John Shively, Esq. Fears were had of a general conflagration, and word was sent to Harrisburg for aid which was promptly forwarded. Before the Harrisburg steam fire engine arrived, the inside of the hotel was burned out, but by the aid of the steamer the fire was kept from extending to the adjoining buildings. Most of the furniture was safely removed. There was an insurance of \$4,800 on the building, and \$1,000 on the contents, in the Lebanon Mutual. The loss is estimated at \$7,000. The property was owned by Messrs. Jones & Young.

Duncannon has had more than a fair share of fires this year, and it seems as though they have all occurred from a neglect of the railroad, company to place spark arresters over their locomotives.

A Bold Adventure .- A young man named Miles Gray performed a most daring feat, recently, on the line of the Northern Central Railroad near Shamokin, which for boldness and successful daring and promptness is certainly remarkable. A train with twenty loaded cars moving at a rapid speed struck a cow when the engine coupling broke, and the engineer and fireman under the impression that the engine had left the track, jumped to the ground without shutting off the steam. The engine was going down grade and the speed increased until it was running at the rate of thirty miles an hour, at which speed it passed through Shamokin. The Sunbury passenger train coming toward the fugitive locomotive, was only a few miles distant, and a painful apprehension fixed itself upon the minds of those who witnessed the accident that a collision was probable and a consequent loss of life. At this juncture Miles Gray, came to the the hurt was apparently slight, the pain grasped at one of the iron supports and ger train arrived he succeeded in bringing

In Trouble.-The county Commissioners of Mifflin county have got into trouble. While the Supreme Court Harrisburg, they granted a mandamus against the Commissioners of that county, directing them to erect a bridge across the Juniata river at Newton Hamilton. This order they neglected to obey, and an attachment for contempt was issued against them, returnable in Philadelphia. Last week they were produced in Court by the sheriff of Mifflin, and failing to justify their conduct were each fined \$500, being it or show good cause why it should be rewho will favor the project with their pat- remitted, the Chief-Justice remarking that, ronage. A circular will be issued stating as they were doubtless considered as good all necessary information in regard to rent citizens, they would always find it mere to their advantage, to yield implicit obedience to the law than by seeking all sorts of shifts by which to evade it. So it seems there is law even for county Commissioners, and those who drew more salary than the law allows, as was the case in this county would do well to remember that

Celebration at Sunbury .- The celebration of the centennial of the borough of Sunbury and our Independence, on the 4th was a grand success. From ten to fifteen thousand persons were present. The regular and extra trains on the five railroads centering there came crowded with visitors. The Harrisburg Fire Department was represented by three companies, Williamsport by two, Lock Haven by two, Selinsgove by one-all guests of the Sunbury Steam Fire Company. . Military companies from Williamsport, Mount Carmel, Locust Gap, Lewisburg and Shamokin were present in full force. Numerous secret organizations were present, numbering in procession over two thousand. A fine display of fire works was the event of the

\$4,000 MUTUAL POLICY HOLDERS. The Pennsylvania Central Insurance Company having had but little loss during the past year, the annual assessment on Mutual Policy-holders will not exceed 60 per cent, on the usual one year cash rates, which would be equal to a dividend of 40 per cent, as calculated in Stock Companies, or a deduction of 2 per cent, on the notes below the usual assessment; and as the Company has over 200,000 in premium notes, the whole amount credited to mutual policy-holders, over cash rates, will amount to \$4,000. Had the same policy-holders insured in a Stock Company, at the usual rate, they would have paid \$4,000 more than it has cost them in this Company. Yet some of our neighbor agents are running about crying Fraud! Fraud! and declare that a mutual company must fall—But they don't say how many stock companies are falling every year, or how many worthless stock companies are represented in Perry County to-day.

It is a well-known fact that a Mutual Company cannot break.
