Hon. Jos. Baily is mentioned as a candi date to the Constitutional Convention, and the mention of his name seems to meet general apppoval.

One Cent.-The new postal laws bring us back again to cheaper postage. A single copy of THE TIMES can now be sent to any part of the United States for one cent.

Killed .- A few days since a man named James Shultz was struck by lightning and killed, near Catawissa. He was unharnessing a span of horses at the time, both of which were also killed.

XAn Ugly Style .- We see several young men round town who have had their heads sand papered, at least we should judge so by the length, or rather the shortness of their hair. It may be a cool, but it is not a pretty style.

Is It So ?- A bachelor says that if you hand a lady a newspaper with a scrap cut out of it, not a line of it will be read but every bit of interest the paper possesses is centered in finding out what the missing scrap contained.

A Mean Thief. -On Monday of last week some one entered the residence of Mrs. Kitner on High St. and stole her pocket-book containing nine dollars. Pieces of the book were subsequently found by the children on the street. We did not suppose we had any one in this town mean enough to rob a widow of her hard earned money.

Drowned .- On Friday afternoon Thomas Gorman a lad about 8 years of age, whose father lives on Duncan's Island, was drowned in the canal at Harrisburg. Mr. Garman is a boatman and his son was with him on the boat at the time of the accident. The body was recovered and taken home for burial.

Accident.-Sunday last, the driver of a boat from Jersey Shore, in the act of helping to snub the craft at the Dry saw-mill lock, three miles above Liverpool, was caught in the coil of the stern line and his right foot torn off at the ankle and the leg dreadfully lacerated. Drs. Ritter, Bacchus and Case amputated the limb .- News.

A Gentleman from Sadsbury township, Lancaster county, informs the "Village Record" that in some of the streams of that neighborhood the fish are dying in great numbers. A few days ago, a boy in passing along picked up about twenty fish, the most of them suckers, some of them a foot long, and others even larger, all dead. They were lying in a part of the stream where the water was shallow.

Farewell Sermon.-Last Sunday, Rev. S. A. Hedges preached his farewell sermon to the Lutheran congregation, in this place. During three years residence among us Mr. Heges and his wife has made many warm friends who will regret their departure and whose good wishes they will take with them to their new field of labor. He goes to a church at York Springs, Adams county, Pa.

Perry County Fair .- The managers give notice that the Fair of this county will be held on the 1st, 2nd, 3d and 4th of October. In the list of premiums announced are some rather singular classifications, for an agricultural exhibition. For instance, we notice that the best bushel of wheat a premium of \$2, the second best \$1, the best bread \$1. and the best display of apples \$1. while the best display of Flowers is entitled to \$5. and the second best to \$3. The question naturally arises whether wheat and bread are of so much less importance to an agricultural community than flowers.

Death of Sterret Ramsey .- The venerable Major Sterret Ramsey, well and favorably known throughout this county, died at the residence of his niece, Mrs. Baugher, in Gettysburg on Tuesday morning last, in the 82d year of his age. He was connected with the U. S. Navy for nearly half a century, having been appointed Purser in the beginning of General Jackson's administration. During the past few years how ever, he has been on the retired list, in consequence of impaired health. He was a kind hearted, generous man, and highly popular with all who enjoyed his acquaintance. His remains were taken to Carlisle for interment.
