LOCAL DEPARTMENT.

MONTHLY

CALENDAR AUGUST table with days of the month and corresponding numbers.

CALENDAR

The 'Hunting Globe' which has always been a Republican paper, came out last week in support of Greeley and Brown.

County Convention.—The Cumberland County Democratic Convention will be held on Monday, August 19th. The York Co. Convention is held the 6th inst., which is to-day.

Fatal Accident.—Mr. Jacob High, of Newville, while on a trip to New York with Lewis & Bro's market car, was struck by a bridge near the city and killed instantly. His body was brought to Newville last week.

Correction.—In the hurry of getting up the proceedings of the Democratic Convention we gave the name of Wm. Titzel as Auditor. It should have been Ezra P. Titzel of Millerstown.

We also omitted to mention that George B. Arnold of Tyrone was nominated for Coroner.

Sheriff's Sales.—On Monday last the following properties were sold by the Sheriff:—

A tract of land in Liverpool borough, with house and out-buildings thereon, seized as the property of D. O. Ritter, sold to Henry Wagner and John Holman for \$680.

A tract of land in Saville twp., containing about 31 acres, having thereon erected a house and stable, seized as the property of John Blain, sold to John Bixler.

Game Law in Brief.—Deer may be killed from September 1st to December 31st, but not hunted with hounds or dogs. Fine \$50. Squirrels and rabbits may be hunted from August 1st to January 1st.

Pheasants can be hunted from August 1st to December 20.

Wild turkeys from October 1st to January 1st.

Woodcock from July 4th to November 15th.

To kill, trap, or have in possession any night hawk, whippoorwill, finch, thrush, lark, sparrow, wren, martin, swallow, woodpecker, dove, bobolink, robin, starling, or any other insectivorous bird, or for robbing or destroying their nests at any time is prohibited under a penalty of \$5 for every bird or nest.

Fine for hunting on Sundays from \$5 to \$25.

Pike can be fished for from June 1st to February 1st.

Trout can be caught from April 1st to August 15th.

Fish baskets and brush nets are prohibited in the waters of the Susquehanna and Juniata, and their tributaries, and the sheriff is required to destroy them if the owners will not on notice.

Sad Bereavement.—Mr. John Kertz is a well-to-do farmer, living in West Perry township, Snyder county, and about two miles from Richfield, Juniata county. Not two weeks since he had an interesting family consisting of himself, wife, four daughters and three sons. To-day it consists of himself, wife, a son and infant daughter—all of the rest of the family being called off to the land from whence no traveler ever returns by that terrible disease—diphtheria. His wife was the first to take the disease, then a son aged about 10 years, then followed all the members of the family together with himself. On last Thursday his son Jacob, aged 6 years, died at 2 o'clock p. m., his daughter Annie, aged 4 years, at 5 p. m., and his son Samuel at 7 p. m., and on Friday the three were buried in one grave. On Sunday evening at 7 o'clock his daughter Kate, aged 15 years, died, on Monday morning at 2 o'clock his daughter Barbara, aged 16 years, departed to the Spirit land, and were both buried on Tuesday. Thus in less than a week has Mr. Kertz been bereft of five children—and his family almost broken up by death. Truly this is a great bereavement, and one which calls forth the sympathy of every one. The infant daughter is not expected to recover. —Democrat and Register.

Sandy Hill Campmeeting.—The Camp meeting of the M. E. church of New Bloomfield charge, will commence on Thursday August 22d in Culbertson's Grove near Centre Mills. Distance from Duncannon 22 miles, from Newport 16 miles. Horse feed and boarding accommodations on or near the grounds. Huckstering will not be allowed on or near the grounds. Ministers and members of surrounding churches are most cordially invited to tent and participate in this 'Feast of the Tabernacles.'

A. W. DECKER, L. F. SMITH, Pastors.

Republican County Convention.

The Republican County Convention convened in the Court House on Tuesday last. The Convention was organized by the election of George Hench, Esq., of Madison as President, and Messrs. Silas Wright, of Millerstown and John Irvine of Saville as Secretaries. The following is the ticket presented for the support of the Republican party, and is without doubt, the best ticket nominated for some years.

For Assembly.—Joseph Shuler of Liverpool. For Associate Judge.—Hon. John A. Baker, of New Bloomfield. For Register and Recorder.—John A. Shearer, of Duncannon. For Commissioner.—Geo. W. Bretz, of Oliver township. For District Attorney.—Jacob Baily, Esq., of New Bloomfield. For Director of the Poor.—Samuel Dunkelberger, of Spring township. For Auditor.—Wm. Meminger, of Tuscarora township. For Coroner.—Dr. Geo. W. Epley, of Spring township.

The Member of Assembly was nominated by acclamation.

The Associate Judge was nominated on the first ballot, the vote being John A. Baker 37, David Deckard of Mt. Patrick 17.

For Register but one ballot was taken the result being John A. Shearer of Duncannon 42 votes, Wm. Boden of Saville twp., 7, and Wm. Couch of Madison twp., 5.

Three ballots were had for Commissioner, the vote being as follows:

Table showing ballot results for Commissioner: 1st, 2d, 3d ballots with names and votes.

But one ballot was had for District Attorney the vote being Calvin Neilson, Esq., 23, Wm. M. Sutch, Esq., 5 and Jacob Baily, Esq., 29.

For Director of the Poor the vote was, Wm. Zimmerman of Madison 15, C. Patterson of Tyrone 9, Samuel Dunkelberger of Spring 29.

The Auditor and Coroner were nominated by acclamation.

Hon. Jos. Baily, Esq., was nominated for delegate to the Constitutional Convention, the vote being Jos. Baily 32, Jas. H. Devor 3, Geo. Hench 18.

George Hench, Isaac Wenzel and Jas. E. Stephens were appointed Assembly conferees to meet those from Dauphin county.

The Congressional Conferees are Dr. Geo. Epley, Wm. Fosselman and H. H. Bechtel who are without instructions.

The following are the resolutions adopted by the Convention. In view of the developments connected with the Evans' swindle we think the 5th resolution had better have been omitted.

FIRST, That we renew our pledges of devotion to the principles of the Republican party, believing that their existence is essential for the peace, prosperity and perpetuity of our country. Proud of its record in the past we point to it as a guarantee of a glorious future for our government, so richly blessed by the fostering care of Heaven under its management.

SECOND, That we heartily endorse the platform adopted by the National Convention at Philadelphia, believing that upon its broad base and sure foundation the Republican party will rest securely despite the storms of partisan warfare and internal dissension.

THIRD, That we point with pride to the nation's choice for the highest office in her gift—ULYSSES S. GRANT, the soldier and Statesman, whose present administration has prompted love of country at home and respect for her greatness abroad, and HENRY WILSON, the model of an American citizen, virtuous, in private life and incorruptible in his public career.

FOURTH, That we recognize in the candidates on our State ticket, and the delegates-at-large to the Constitutional Convention, ability and integrity and patriotism, and we heartily endorse the acts of the Convention as worthy of the support of all good citizens.

FIFTH, That during the administration of Gov. J. W. GRANT, the laws have been wisely enforced, the State debt greatly reduced, the material interests of the Commonwealth cared for, and the principles of our party vindicated.

SIXTH, That the policy of Protection to Home Industry is of vital importance to the public welfare, Employment for the laborer, with a fair remuneration for his services, and a vigilant care for his interests should be guarded from competition with half paid labor and pitiable pauperism of the Old World.

SEVENTH, That this Convention submits its work to the people of this county, believing that it will meet their hearty approval, and earnestly ask their energetic support for the triumphant election of all the candidates this day presented.

Fall of a Bridge.—The State Journal of the 31st ult., says: The iron bridge crossing the Connoedguinnet creek about a mile north of West Fairview, on the road leading from Oyster's point across the mountain, fell sometime during Monday afternoon, while Mr. Jacob Eslinger, a farmer, residing about a mile from the mill, was crossing it with a four horse-team and a load of wheat. The bridge was three or four spans in length, was built of boiler iron; and was considered a safe structure. The violent storm of the afternoon of the 4th of July, however, moved it out of place, and the Commissioners of Cumberland county were notified of the fact, but failed to place a caution notice on the bridge. Mr. Eslinger had reached the second span, on the side nearest Heck's mill, when the bridge broke down, throwing horses and wagon into the creek, crippling some of the animals badly, one of which broke its leg and had to be shot. Mr. E. was sitting on his saddle horse, and his little boy upon the grain bags, on the wagon. Fortunately, neither of them were injured. The escape was a most miraculous one. The bridge will be hauled ashore and will be speedily repaired.

Duncannon Letter.

DUNCANNON, August 3d, 1872. Mr. Editor.—It is quite a long time since anything appeared in your valuable paper from this place, and I will give you a short summary of the past weeks news:

On Saturday the L. O. of Good Templars, held a basket picnic in King's woods, and had a delightful time till some one announced that the hacks would not come out to take the party home, which to those who were unable to walk was rather unpleasant. A couple of the young gentlemen, however, equal to the emergency, and soon obtained a large wagon and two horses from a kind farmer and took all home by dusk.

A Collision occurred on the N. C. R. Road opposite this place, and it is said to be from carelessness of the flagman of the forward train, he having neglected to give the signal. It created quite an excitement here, and the river was soon dotted with little boats whose occupants wanted to see what damage was done. About 25 or 30 cars were wrecked, but no lives lost. A sad sight was presented in this neighborhood one evening this week, viz. a delegate to the convention living near the grist mill, beastly drunk and repeating to passers-by that 'there was a free bar up there, but it was the devil's own stuff. An appropriate name.

There has been a number of cases of cholera morbus here owing to the cheapness of cucumbers, green apples etc. We would advise some of the young ladies along back street to turn the light down or close the blind, as it would not be policy to let papa know, if the young man did steal a kiss occasionally. Fire matters are getting somewhat mixed here and we presume it will be necessary to re-canvass the town in order to decide what kind of an engine is wanted; hand or steam. No fires to report.

Brief Items.

A severe storm of wind and rain visited this county on Friday afternoon. In Spring and Carroll townships hail fell in considerable quantities, cutting the corn badly.

The August term of court commenced Monday noon, a full report of the first weeks proceedings will be published next week.

Gen. James Burns of Lewistown was thrown from a buggy a few days since and injured so badly as to be confined to his bed.

Some of our neighbors are bragging about their early sweet corn. We had the first from our garden on the 24th of July and have had it regularly since.

A leap year picnic was held at Marysville on Friday last. All the arrangements were made and all the bills were footed by the ladies.

Bloomfield has a brass band. The instruments have already arrived, which we can prove by any person in town, who is not entirely deaf. On all sides can be heard the dismal sounds of the new beginners.

A horse from Cumberland county a few nights since after being put in Robinson's stable in this borough slipped his halter and started for home. The time at which he reported there, shows that he must have gone the entire distance, without any delay.

Some Perryville people were badly sold a few days since. A very large woman who had visited the town, was suspected of being a man in disguise. Some even insisting that they saw whiskers. These earnest advocates of 'female rights' caused her arrest, when an examination convinced the suspicious individuals that the arrested person was authorized by the laws of Commonwealth to wear petticoats, and by the laws of fashion to sport a bustle and chignon.

A good jour tinner can find employment by applying to John Dunbar, Perryville, Juniata county Pa.

To commence on the 15th of August and continue 6 days. A boarding house will be kept on the grounds by Mr. Smith of Newport, horse feed can also be procured. All huckstering on or near the ground is prohibited. 'Come thou and worship with us.'

J. BOAS, J. A. IRVINE, Pastors. July 28th, 1872.

Kicked by a Horse.—On Monday evening of last week, George Askens was kicked in the face by a vicious mare belonging to John Berry. The accident happened at the residence of Wm. Askins near this borough;

The animal first kicked him in the abdomen, but was so close that but little injury was done. She then pulled away from him and kicked again, the hoof striking George on the right side of the face breaking the jaw in a terrible manner and knocking out his teeth. Dr. Strickler in fixing the wound had to remove a piece of jaw. The injury is such that no nourishment can be taken except in liquid form that being placed in the mouth from a pitcher. George is however getting along very well and is in a fair way to recover.
