

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the Regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that a marked improvement is soon perceptible.

For Inflammatory and Chronic Rheumatism and Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Boils, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful Invigorant that ever sustained the sinking system.

CARSON'S STELLAR OIL. This is not the lowest priced, but being much the best is in the end by far the cheapest. Do not fail to give it a trial, and you will use no other.

THE alarming increase in the number of frightful accidents, resulting in terrible deaths and the destruction of valuable property, caused by the indiscriminate use of oils, known under the name of petroleum, prompts us to call your special attention to an article which will, wherever USED, remove the CAUSE of such accidents.—We allude to

Carson's Stellar Oil FOR ILLUMINATING PURPOSES. The proprietor of this Oil has for several years felt the necessity of providing for, and presenting to the public, as a substitute for the dangerous compounds which are sent broadcast over the country, an oil that is SAFE and BRILLIANT, and entirely reliable. After a long series of laborious and costly experiments, he has succeeded in providing, and now offers to the public, such a substitute in "CARSON'S STELLAR OIL." It should be used by every family.—

1ST, Because it is safe beyond a question. The primary purpose in the preparation of STELLAR OIL has been to make it PERFECTLY SAFE, thus insuring the lives and property of those who use it.

2D, Because it is the most BRILLIANT liquid illuminator now known.

3D, Because it is more economical, in the long run, than any of the dangerous oils and fluids now in too common use.

4TH, Because it is intensely BRILLIANT, and therefore economical, giving the greatest possible light at the least expenditure to the consumer. Its present standard of SAFETY AND BRILLIANCY will always be maintained,—for upon this the proprietor depends for sustaining the high reputation the STELLAR OIL now enjoys.

To prevent the adulteration of this with the explosive compounds now known under the name of kerosene, &c., it is put up for family use in Five Gallon cans, each can being sealed, and stamped with the trade-mark of the proprietor; it cannot be tampered with between the manufacturer and consumer. None is genuine without the TRADE-MARK.

STELLAR OIL is sold only by weight, each can containing five gallons of six and a half pounds each, thus securing to every purchaser full measure. It is the duty and interest of all dealers and consumers of illuminating oil to use the STELLAR OIL only, because it alone is known to be safe and reliable.

All orders should be addressed to

HUMOROUS.

Slightly Mixed. DEARSIR:—I now take my seat and

sit down to take this opportunity to inform you that I am "Daddy," that is, I suppose I am for Abbie has got a nice, fat baby, and we hope these few lines will find you enjoying the same great blessing. Now this is strictly a business letter. Firstly as I said before, Abbie has got as nice a baby as ever made up faces. Nextly, I have swapped away old Buckskin, and I think I have got a pretty nice horse; it is a little girl and weighs nine pounds (I mean the baby), and is just as fat as butter, and has got a strong pair of lungs she is red and got a bob-tail (the horse I mean) and white stripe in her face, and is a good driver, she has got blue eyes and a dimple on her chin (I mean the baby now), and just the prettiest mouth that ever was (of course) and judging from her teeth, I should think she was about six years old (I mean the horse now); she is sound, smooth and kind (I mean the horse or baby either now), and the doctor says she is the fairest he ever saw, without any exception (he means the baby); I got about twenty-five dollars to boot (not on the baby, though, for the boot was on the other foot, and two or three sizes larger, as near as I can find out. I am going to harness the horse now and go after mother; she was born last Wednesday night, twenty minutes past nine (I hope you don't think I mean mother or the horse, I mean the baby.) She is getting along nicely, and if she don't have any bad luck she will get along fuatrae. She is rather windy and they say that is a sign of colic (I mean the baby.) I hope it is, for the nurse says colicky babies never die. She talks about her doze (no), as she takes snuff (the nuss I mean.)

There, I have been reading this over and I see plainly that I ain't fit to write. The amount of it is I am frustrated. I am daddy, and that accounts for it, so you must excuse me this time.

Yours, SAM DADDY.

The subject of impression at first sight was being talked over at the tea-table when the lady whose duty it was to preside said: "She always formed an idea of a person at first sight, and generally found it to be correct." "Mamma," said the youngest son, in a shrill voice, that attracted the attention of all present. "Well my dear, what is it?" replied the good mother. "I want to know what was your opinion when you first saw me?" The question gave a sudden turn to the conversation.

A country girl came to Bloomfield the other day, and for the first time saw the immense appendage hung to the back of a new-fashioned dress. She took a square look at it, liked it, and determined to have one. So, going into a store, she asked the clerk to show her some of his "hump cloth." The clerk was embarrassed, but, after consulting with the proprietor, the young lady got her hump cloth and departed happy.

One of our exchanges says that a dancing master in New York, has introduced the "Kiss Cotillion," in which the gentleman always kisses the lady as they "swing the corners." We are not much on the dance, but would like to swing a few corners most awful well.

Two men were employed in putting up a stove for a Danbury lady the other day, and during a heavy lift one of them told the other to "spit on his hands." Both were nonplussed by the lady hastily, exclaiming, "O, don't do that; here's a spittoon."

"Can you tell me Billy, how it is that the rooster always keeps his feathers so smooth?" "No!" "He always carries his 'comb' with him."

A Band which serenaded a young couple in one of our suburban towns, the other evening, selected a peculiarly happy and flattering piece entitled "The Monkey Married the Baboon's Sister."

A Fellow who was throwing up from the effect of too much corn juice, was asked by a passer by if he was sick, when he became angry, and replied: "Sick? You—fool, do you suppose I'm doing all this for fun?"

"What can be more harrowing to your soul than the thought of wasted opportunities?" asked a teacher of a boy bright. "A peg in my boot harrows my sole more'n anything else," replied the bright boy.

An individual at Wheeling is said to have hanged himself the other day, because dinner was not ready when he came home, in order, as he said, to give "warning to tardy house-keepers."

The mother of an unmanageable Irish boy thus excused him to the police:—"Sure, Patsy isn't a bad boy at all, but he's only troubled with a rush of mind to the brain."

An Iowa clergyman has four boys, and the youngest is named Doxology, because he was the last of the hims.
