

A Strange Case of Mistaken Identity.

A case of mistaken identity, attended with very serious results, occurred in Allegheny on Saturday evening. A man named Shiner, who lives on Adams street, had forbidden his daughter from keeping company with a young man who was paying attentions to her.

As soon as she received the wounds the young woman screamed and fainted. The cries attracted an immense crowd, but even before the crowd gathered Mr. Shiner discovered that the young woman was not his daughter, but Miss Rarick.

Three Men Burned to Death in the Oil Region.

The Titusville Herald says: The people of St. Petersburg and vicinity were thrown into a state of great excitement early yesterday morning by the intelligence that a fatal accident had taken place on the Filman farm, near Turkey Run.

It seems that five men were at a well on the Filman farm, either as drillers or lookers-on, when the tools struck through into a crevice of the sand rock, and an immense volume of gas was liberated from its long imprisonment, and rushed with great force up through the well and almost instantly communicated with the fire under the boiler.

Shrewd Trick of a Lunatic.

The Trenton Emporium tells this: Last week a man was brought to this city for the purpose of being placed in the lunatic asylum, but on arriving at that institution the parties having him in charge found that there was no room for the patient.

Early on the next morning a gentleman who slept in the next room heard a knocking on the wall, and went to the door of the room to inquire what was the matter, when a gentlemanly voice informed him that he had mislaid his key, and asked him to let him out.

The U. B. Mutual Aid Society of Pennsylvania.

Present the following plan for consideration to such persons who wish to become members:

The payment of SIX DOLLARS on application, FIVE DOLLARS annually for FOUR years, and thereafter TWO DOLLARS annually during life, with pro-rata mortality assessment at the death of each member, which for the First Class is as follows:

Table with columns: Age, Assessment, etc. for various age groups from 15 to 72.

Will entitle a member to a certificate of ONE THOUSAND DOLLARS, to be paid at his death to his legal heirs or assigns, whenever such death may occur.

A member, or his heirs, may name a successor: but if notice of the death of a member to the Secretary is not accompanied with the name of a successor, then the Society will put in a successor and fill the vacancy, according to the Constitution of the Society.

Should the member die before his four payments of five dollars are made, the remaining unpaid part will be deducted from the one Thousand Dollars due his heirs; his successor will then pay only two dollars annually during his lifetime, and the mortality assessments.

Male and Female from fifteen to sixty-five years of age, of good moral habits, in good health, hale, and sound of mind, irrespective of creed, or race, may become members. For further information, address W. CHAUMER, W. CHAUMER, LEBANON, PA.

\$4,000 TO BE CREDITED TO MUTUAL POLICY HOLDERS.

The Pennsylvania Central Insurance Company having had its loss during the past year, the annual assessment on Mutual Policy-holders will not exceed 60 per cent. on the usual one year cash rates, which would be equal to a dividend of 40 per cent., as calculated in stock companies, or a deduction of 2 per cent. on the notes of the usual assessment; and as the Company has over \$200,000 in premium notes, the whole amount credited to mutual policy-holders, over cash rates, will amount to \$4,000. Had the same policy-holders insured in a stock company, at the usual rate, they would have paid \$4,000 more than it has cost them in this Company. Yet some of our neighbor agents are running about crying "Fraud! Fraud!" and declare that a mutual company must fail. But they don't say how many worthless stock companies are represented in Perry County to-day.

It is a well-known fact that a Mutual Company cannot break. JAMES H. GRIER, Sec'y of Penn'a Central Insurance Co.
