LOCAL DEPARTMENT.

MONTHLY CALENDAR AUGUST. Table with columns for days of the month and days of the week.

Bushmeeting.—A Bushmeeting conducted by Rev. J. Cooper, of the Church of God, will commence at Pine Grove Church, Miller township, on Friday, August the 23rd.

Lutheran Service will be had in the Church in this borough on Saturday evening, August 31st; in Markleville on September 1st, at 10 o'clock a. m.; in Shuman's church at 2 1/2 p. m., and at Mansville in the evening of that day.

Barn Blown Down.—A severe storm passed over portions of this county on Tuesday evening last, doing some damage. A barn belonging to Samuel Clouser, in Miller township was blown down and a valuable horse which was in the building at the time was killed.

A Narrow Escape.—On last Wednesday forenoon Mr. Henry Bensen, of this borough came near meeting a fatal accident at the rail road crossing near Newport.

Fire.—On Thursday morning last an alarm of fire was raised, and on hurrying to the scene of the conflagration, we found it to be Col. B. P. Bealor's stable, on the rear of the lot occupied by J. J. Bair, at Newport.

Thrashing Machine Accident.—The Waynesboro Record says: Mr. Andrew Senger of this vicinity met with a serious accident on Friday last. He was engaged in thrashing his wheat crop with one of the old-time machines, when a strap broke which so increased the speed of the horses as to cause the fly-wheel to burst, a piece of timber striking him on the head and face inflicting a frightful wound.

Shocking Accident.—On Monday evening the 5th inst., Maria Wilt wife of John Wilt, residing in the north part of Cone-wago township, was kindling the fire and as it did not burn immediately she took the coal oil can and poured some coal oil on it, which immediately caught fire and exploded tearing the whole bottom out of the can and setting her clothes on fire and before it could be extinguished some parts of her body were burned to a crisp.

Killed.—A man named John Dipple, a potter in Lewistown, was killed by the second Union freight west, on Monday evening of week before last. He was walking on the track a short distance above Lewistown to the place where he procures his clay, when he was struck by the engine of the above train. His right arm was crushed from the elbow to the shoulder, and serious injuries to the back portion of the head, which caused his death in a few hours.

Pain Cure Oil will cure Fever Sore. That is a great deal to say, but the proprietors will give \$100 for one they cannot cure if the Oil is used as directed.

Court Proceedings.—SECOND WEEK.—Nearly the entire week was occupied in the trial of the suit of Thomas P. Cochran, Morgan Davis and Seyfert, McMannes & Co., vs. James Lanagan and Ralf Waitman. This suit was brought to virtually determine a line on land between Jonathan Black and Perry Kremer, the land having been leased to the parties in this suit for taking out ore. The pliffs. asserted that the dfts. has largely encroached on their lease, while the dfts. admitted that by mistake they had gone a little over the line. The jury found that the line claimed by the dfts. was correct, and gave judgment for pliff. for the amount of ore taken beyond the line. Sponsler and Graham for pliffs. Barnett and McIntire, def'ts.

Wm. Goodman for the use of Samuel Buck trustee of George Shuman and now for the use of Rebecca Shuman Administratrix of Geo. Shuman deceased, vs. Wm. Bolinger, pliff. took a non suit.

State Bank (Bearer) vs. Peter Sheaffer (Drawer). When this case was called for trial defendant confessed judgment in favor of pliff for the sum of \$265.00 with stay of execution for sixty days.

State Bank (Bearer) vs. Daniel Losh (Drawer). Def't. confessed judgment in favor of pliff. for the sum of \$175.00

In the matter of the petition of about 70 citizens, to decree a change of place to hold the general elections in Sandy Hill district, from a building of John Bixler's to a house near Samuel L. Hollenbough's store—the court has no power to act in the premises, as it is necessary that John Bixler, the owner, should join in the petition, according to the Act of 15th April, 1869.

In the matter of petition of citizens for a view of site for a bridge across Buffalo creek, at Emanuel Smith's fording, in Tuscarora township, James L. Diven, Robert Gibson, John Stambaugh, Creigh Patterson, John A. Wilson and George Wagoner are appointed, according to an Act, entitled "An Act to regulate proceedings in relation to the erection and repairing of bridges in the county of Perry, and repealing all former Acts inconsistent therewith," passed the 12th day of March, 1872.

In digging a well for Dr. Charles Huston, Coatesville, Chester county, when forty feet below the surface the workmen struck a stratum of black swamp mud. In this was found imbedded a piece of wood in a perfect state of preservation. The piece showed no signs of decay, yet from the depth it was found it must have been there for centuries. The water was struck just below this stratum.

Fruit Jars.—An assortment of Glass Fruit Jars will be found at F. Mortimer's. Prices low.

For the Bloomfield Times.

Mr. Editor.—On Sunday morning Aug. 11th, three chaps left Centre as large as life, in a bran new top buggy for the Green Park Camp, and were driving along nicely, some with their legs crossed and on reaching the bridge at Loysville, the horse took fright and upset the buggy. The vehicle was dragged some 25 or 30 yards with the chaps in and under it, one of them says he gathered himself from along side of a wood pile. There were no serious injuries, but legs and arms were bruised some, and it was a little hard on linen and alpaca coats. The buggy was somewhat mutilated, but the three chaps fixed themselves up and took the first train for camp, on foot. We think the horse was scared at a large "Pain Cure Oil" sign and a bottle or so was needed for rubbing the bruises.

It is a mark of the unsuccessfully man, that he invariably locks his stable door when horse has been stolen. This sort of wisdom never thinks about bodily health until it is gone. But just as much as any disease has become seated, the power of the system to resist and throw it off is weakened; hence time is all important. For dyspepsia, all diseases of the liver, stomach, skin and kidneys, and all that begin in vitiated blood, do not wait until the trouble is confirmed, but attack it by a timely use of Dr. Walker's California Vinegar Bitters.—30 d 4w
