FARM AND HOUSEHOLD ITEMS

Canning Fruit and Vegetables.

This is the season of the year in which fruit and vegetables abound, and all prudent housewives will lay in a store for winter use.

Many more would enjoy the luxury of canned fruit and vegetables if they knew how simple the process is.

This jugging up of fruits and vegetables, has the advantage of being much cheaper than the common canning process.

Check-Reins.

Mr. Agnell has issued a most valuable and interesting pamphlet on treatment of horses. The subject of check-reins is receiving a good deal of attention just now.

If a man has a hard day's work to do, if he wants to exert his muscles and sinews, he must have those muscles free and unconfined.

An American gentleman traveling in Europe, made notes concerning the use of check-reins, with the following result.

A fine graper is attached to the Agricultural Department at Washington. It is 150 feet in length, 30 feet wide, with glass roof and sides, with ample ventilation by means of hinged sashes.

Tumor of 12 Years' Growth Cured by Radway's Resolvent.

REVERLY, Mass., July 16, 1868. Dr. RADWAY—I have had Ovarian Tumor in the ovaries and lower part of the uterus since I was 16 years old. I tried every thing that was recommended; but nothing helped me. I saw your Resolvent, and thought I would try it; but had no faith in it, because I had suffered for twelve years. I took six bottles of the Resolvent, and one box of Radway's Pills, and two bottles of your Balm for Rheumatism, and there is not a sign of tumor left. I am now fat, and I feel better, smarter, and happier than I have for twelve years. The worst tumor was in the left side of the lower part of the uterus. I write this for the benefit of others.
