LOCAL DEPARTMENT.

MONTHLY CALENDAR for October 1872, showing days of the week and dates.

A Call Accepted.—Rev. C. F. Hoffmeier, Reformed minister of the Liverpool charge, has accepted a call from the Troutville charge, Clearfield Co., consisting of four congregations, and the prospect is of having but two congregations in the charge.

Duncannon Convention.—The meeting of the Sunday School association of the county, commencing at Duncannon, on this Tuesday at 2 P. M. in the Presbyterian church, continues to Wednesday, evening, closing with a Sabbath School mass meeting.

Day of Universal Prayer in Perry County. Next Sabbath, Oct. 20th, and Monday 21st being the days of Universal Prayer for Sabbath schools throughout the Christian World, and the Duncannon Convention on Tuesday and Wednesday of this week being unable to take action in time for publication it is requested by the Executive committee of the county Association that all Sabbath schools and all teachers and parents observe the days in accordance as far as possible with the programme of the London Union viz. Private prayer by teachers and parents at beginning and close of day, and on Monday morning and meeting the school for prayer during Sabbath.

Presbyterian Church.—In accordance with the above there being no preaching in the Presbyterian church next Sabbath a Prayer meeting of the school congregation will be held at 11 A. M. on Sabbath, to which all in town are invited who have no service at that time elsewhere. The meeting following the congregation one will be announced on that occasion.

Terrible Accident.—On Tuesday last Mr. John Sheaffer son of Wm. Sheaffer, of Carroll twp., met with a terrible accident while out gassing. He was standing on a log trying to get a log, and as he had seen a moose before, with his gun in his hand, when it slipped off the log, and was discharged, the ball lodges in the lower abdomen, cutting off the arteries and lodging near the back bone. Mr. Sunday, was near him at the time and hearing the discharge went to where he was lying and supposing him to be about dying, started for help. When he was gone Mr. Sheaffer recovered his consciousness and walked to the residence of Mr. J. W. Soule, nearly half a mile distant, where he was kindly cared for until death relieved him of his sufferings.

He died on the following day, at about 2 o'clock, after which his body was brought to his late residence in this town, from where the funeral took place on Friday morning. Mr. Sheaffer was an industrious and worthy mechanic, and was employed at the foundry, in this borough. He leaves a widow and three young children.

A singular fact in connection with this case was the presentiment of coming injury which was felt by his cousin of whom he had borrowed the gun. So strong was this feeling that he tried to induce John not to go and insisted upon his voting before going. This feeling even had its effect on the deceased, and he refused to climb a tree for chestnuts, giving as a reason to the young man with him, the fear expressed by his cousin that some accident would happen to him before he returned.

Church Notices. Preaching in the M. E. Church next Sunday at 10 1/2 o'clock A. M. Prayer meeting on Thursday evening. Preaching in the Reformed church next Sabbath at 10 o'clock. Prayer meeting on Thursday evening.

We know of no better remedy to recommend for your use for all Pains than Pain Cure Oil. Don't fail to try it.

Sheriff's Sales.—On Friday last the following mentioned properties were sold by the Sheriff:

A tract of land situated in Saville twp., containing 100 acres having thereon a two story house and out buildings, sold to C. J. T. McIntire, Esq., for \$510.

Defendants interest in a tract of land situated in same twp., containing 84 acres, having thereon a log house and out buildings, seized as the property of A. M. Miller, and sold to C. J. T. McIntire, Esq., for \$380.

A lot of ground situated in Landisburg, containing one half acre seized as the property of Elijah and Addie Wingert, sold to Wm. A. Sponsler, Esq., for \$255.

A tract of land situated in Centre twp., containing 100 acres seized as the property of John Reeder, and having thereon a two story log house and out buildings, sold to W. A. Sponsler, Esq., for \$978.

A lot of ground situated in Duncannon, having thereon a two story house and other buildings, seized as the property of A. S. McClure, sold to Martin Foster for \$910.

Three lots of ground situated in the borough of Marysville, each lot being 50x100 feet seized as the property of A. Tyler, and sold to Thomas Morley, for \$305.

A lot of ground in Liverpool borough, having thereon a frame house and outbuildings, seized as the property of Jacob Ritter and D. O. Ritter, sold to E. D. Owen, for \$1,215.

An Opinion.—A searcher after political truth asks us, "Is it your honest opinion that Horace Greeley will be elected President?" We have given this subject a great deal of anxious thought, and it is now perfectly clear to us that Greeley will surely be elected, unless it should happen that Grant receives the largest number of votes. We do not like to form these conclusions hastily, or to express such decided opinions without mature deliberation. But we are willing to stick to this. Greeley's election seems to depend, in a very remarkable and mysterious manner, upon the defeat of his antagonist, and he can only be defeated in one way, namely, by being beaten. If Grant is not beaten, Greeley will not be elected; and if our correspondent wishes to obtain really accurate information concerning Greeley's success, all he has to do is to ascertain if Grant will be beaten, and he has the whole thing, in a certain sense, in his own hands. We hardly ever give information on political subjects, but when we do, we can be relied on for accuracy.

A Horse Thief.—On Monday, Sep. 30th, a man calling himself John Mahugh hired a horse at John's livery stable in this place, stating that he was going to Whitestown to collect some money, and would be absent half a day. When at Hunter's Run he inquired for the Pine Grove road, but went on to Whitestown, where he traded the saddle, which he got at the livery stable and went on into Maryland with the horse. Mr. Johns having learned the above facts reported them to constable Wise and the two pursued the thief, and captured him at Cashtown, Adams county, on Wednesday last week, and on the following day lodged him in the Carlisle jail. His chances for a sojourn in the city are very flattering.—Mountain Echo.

Brief Items. A freight conductor on the P. R. R. named J. H. Crawford, was instantly killed at Harrisburg, by being run over by an engine on Friday night.

Juniata county gave Bucklew, a majority of 887 and Cumberland county, gave him a majority of 438.

On Saturday morning ice, fully an eighth of an inch thick was found in many places in this vicinity.

A Chester county man, is the happy owner of a legged pig, and fortunately the arrangement of the legs are such that the pig will furnish four hams.

Dr. Scheppe has abandoned the will in the case of Miss Stelnecke in the Baltimore courts, and has claimed the estate as her husband. He inherits more as heir-at-law than by will.

A special court will be held here, commencing on the 25th of November. A venire of thirty-six jurors has been ordered. This court will be presided over by Judge Bucher, as the cases tried will be those in which Judge Junkin, was interested.

The law forbidding the sale of liquor on election day, worked to a charm. Not a drunken man was seen in town during the day.

Chestnuts are unusually plenty this season, the price at present being 6 cents per quart.

The restaurant kept by C. Parker, in the borough of Patterson, was entered on Friday evening a week, by crawling in at a back window, while Mr. Parker was at supper, and the money drawer and contents—about eight dollars—were carried away.

Some fellow suggests that the country is going to the "dogs" because the choice for next President, rests between a type setter and a West Pointer.

Carlisle is again troubled with the small pox. Several new cases were reported last week.

Good Building Brick.—The subscriber has now on hand at his yard in Tyrone twp., near the Poor House, over one hundred thousand bricks. The bricks are of superior quality and will be sold at the lowest market price, delivered to any point in the county. JACOB T. KLING.

Chaw's and Dress Goods.—A variety of styles suited for fall wear, and some new styles of Dress Goods, have just been received by F. MORTIMER. Call and see them.

Tribute of Respect. At a meeting of the Bloomfield Cornet Band the following resolutions on the death of one of the members—John B. Sheaffer—were adopted:

Whereas the saying that "Whom the gods love die young" has received an other illustration in the death of our late brother, John B. Sheaffer. Resolved, That although we cannot restore the dead to life again and enjoy his fellowship, we still feel it our duty to give place in our memory to the noble character and good principles of the deceased, and to bear testimony to the deep sorrow and regret which his death has occasioned to all who knew him.

Resolved, That our association with the deceased has been such as to endear him to us all and to keep his memory ever fresh and sacred within our hearts.

Resolved, That we hereby extend to the family and friends of the deceased our tenderest sympathies for their sad bereavement, and would commend them to the cheering thought that their loss is his eternal gain.

Resolved, That these resolutions be published in some of the county papers.

A Useful Thing in the House. One of the most useful books to have in the house is BALLOU'S MONTHLY MAGAZINE, the November number of which is just out, and for sale at any depot in the country. It is as interesting as it is rare—grave and gay, lively and severe. It is just what cheers a fire of a winter evening, and now that the publishers of BALLOU'S MAGAZINE propose to give a pretty little chromo to every subscriber the coming year, we may expect to see the publication increase rapidly in circulation, even 300,000 not being too much for such a cheap and good monthly. Such a selection of stories cannot be found in any other serial in this country. Besides, it has a juvenile department which is most interesting and instructive. Send a three cent stamp for specimens and premium lists and you will regret it. Published by Thomas & Talbot, 63 Congress Street, Boston. \$1.50 per year, or 15 cents single copies.

Very respectfully yours, RAY YIRDELL & Co.

Alfred Speer, Esq., Virden, Ill., Oct. 17.

\$500,000 IN BANK! GRAND GIFT CONCERT. Postponed to December 7, 1872.

THE SECOND GRAND GIFT CONCERT in aid of the Public Library of Kentucky, amounting to \$500,000, has been postponed to DECEMBER 7, 1872, because the accumulation of orders the few days before the drawing made it physically impossible to fill them without a few days' delay, and as a short postponement was inevitable, it was determined to defer it to a time that would make a full drawing sure by the sale of all the tickets.

The money necessary to pay in full all the offered gifts is now upon deposit in the Farmers and Drovers' Bank, as will be seen by the following certificate of the Cashier:

Farmers and Drovers' Bank, Louisville, Ky., Sept. 25, 1872. This is to certify that there is now on deposit in this bank over half a million of dollars to the credit of the GIFT Concert fund, \$500,000 of which is held by this bank as Treasurer of the Public Library of Kentucky to pay off all gifts that are awarded at the drawing.

R. S. VEACH, Cashier. 1,000 Prizes, amounting to \$500,000 IN CASH, will be awarded, the highest prizes being \$100,000, \$25,000, and down in regular gradation to \$100, which is the lowest.

The drawing will positively and unequivocally take place December 7. Agents are peremptorily required to close sales and make returns November 25, in order to give ample time for the final arrangements.
