

Vinegar Bitters are not a vile Fancy Drink, made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, drenched, spiced, and sweetened to please the taste, called "Tonic," "Appetizer," "Restorer," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants.

For Dyspepsia or Indigestion. Headache, Pain in the Shoulder, Cough, Tightness of the Chest, Bile, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia. In these complaints it has no equal, and one bottle will prove a better guarantee of its merits than a lengthy advertisement.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases. Eruptions, Tetter, Salt-Rheum, Itches, Spots, Pimples, Pustules, Carbuncles, Ring-worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim WINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.

Pin-Tape, and other Worms, lurking in the system of many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not until the healthy elements of the system are that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no verminicide, no anthelmintic, will free the system from worms like these Bitters."

Mechanical Diseases. Persons engaged in Painful and Mineral, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week, as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulate the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Tuberulous Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc., etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by restoring away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, and Anti-Bilious.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the faces. Their diuretic properties allow pain in the nervous system, stomach, and bowels, either from inflammation, wind, colic, cramps, etc. Their Counter-Irritant influence extends throughout the system. Their Diuretic properties act on the Kidneys, correcting and regulating the flow of urine. Their Anti-Bilious properties stimulate the liver, in the secretion of bile, and its discharges through the biliary ducts, and are superior to all remedial agents, for the cure of Bilious Fever, Fever, and Ague, etc.

Fortify the body against disease by purifying all its fluids with WINEGAR BITTERS. No epidemic can take hold of a system thus fortified. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters on going to bed at night from a half to one and one-half wine-glassful. Eat good nourishing food, such as beef-steak, mutton chop, venison, roast beef, and vegetables, and take out-door exercise. They are composed of purely vegetable ingredients, and contain no spirit.

A portrait of Squire — taken November 6th, at 7 o'clock A. M. Ha! Ha! My pig's all right. There is a man so mean in New York, that he wishes the landlord to reduce the price of board because he has had two teeth extracted. A newly married couple riding in a carriage was overturned, whereupon a stand-by said it was a shocking sight—"Yes," said a gentleman, "to see those just wedded, to fall out! so soon."

Old Scotch lady: "Take snuff, sir?" Gentleman (with large nasal promontory, indignantly): "Do I look like a snuffer?" Old lady: "Well, I can't just say you do, though I maun say ye hae grand accommodations." A fresh arrival from England went one day to a livery stable, and expressed a wish for a carriage. The man in attend-ance asked if she would like a buffalo. The cockney seemed startled, and stammered out: "Well, I think I'd rather 'ave a 'oss."

In a crowded tavern, a judge and an Irishman were obliged to room together. "Now, Pat," said the judge, "you would have had to have staid a long time in Ireland before you would have slept with a judge." "Ay, ay, sir!" answered Pat, "an' yer honor would have to have staid a long time in Ireland afore you'd been a judge."

"John, did you leave Mr. Jones' umbrella at his house?" "No, ma," said John. "And why did you not say so? Didn't I tell you to?" "Yes, ma," said John; "but didn't you tell me a little while ago, to keep something for a rainy day? and what better thing can I keep than an umbrella?"

The Providence Herald has the following: "A passenger by the Metis, who floated around all night, and reached land at last with vivid thoughts of his wife's anxiety, rushed to the nearest telegraph office and sent this message: "Dear P., I am saved. Break it gently to my wife!"

An Irishman went, for the first time to a play. Just as the drop curtain descended, after the first act, an engine in the basement exploded and the Colt was blown through the roof, alighting in the next square. His first remark after coming to his senses, was, "and what the devil will they play next?"

The following note was written to a schoolmate by a girl who had been absent for several days: "Dear Susie—I shan't attend school again until I get some new cuffs, collars and jewelry. Dear Mama agrees with me that it is my Dooty to take the shine out of that Upstart Mamy Jones, and I'll do it if I never learn nothing."

The reign of the servant girls have commenced. A gentleman of the city sent to the intelligence office to obtain a "young lady" to look on while his wife did the work. The fair creature who was offered for the place after asking some fifty questions about whether they had "tubs set," whether the "kitchen was downstairs," etc., asked how many evenings she could have "out." "Well," said the gentleman, "I don't see how we can let you have more than seven." "How many children have you?" said the hand-maiden. "Only one boy eight years old, but we will drown him if you think he'd be in the road."

Found One. A tall, rather green-looking fellow walked into a New York saloon where they were talking politics upon a high key, and stretching himself up to his full height, exclaimed in a loud voice, "Where are the Democrats now? Show me a democrat, gentlemen, and I will show you a liar." In an instant a man stood before the inquirer in a warlike attitude, and exclaimed, "I am a Democrat, sir."

"You are?" "Yes, sir, I am!" "Well, just you step around the corner with me, and I'll show you a fellow who said I couldn't find a Democrat in the ward! Ain't he a liar I should like to know?"
