The Mail Service has been very irregular during the week past, owing to the sickness among the horses. On Tuesday the Stage did not run and the mail from this borough was sent to the Railroad by private conveyance.

Epizooty.—The horse epidemic, is prevailing pretty generally throughout this county, though usually in rather a light form. The first cases that appeared in the county, we think were in Madison twp., and the manner in which it spread proves conclusively that the disease is not contagious, but is in the air.

In Trouble.—A couple of young men named Houck, of this place, employed on one of Henry & Co.'s boats, were arrested and lodged in jail, at Middleburg, Snyder county, for the robbery of a store, in Selinsgrove, a few days ago.

Suicide.—A man named William Sowers, of Penn township, Cumberland co., looped a rope to his neck and hung himself from the limb of a white oak tree on Sunday last.

Church Notices. Presbyterian Church—Preaching hereafter in the new audience room every Sabbath, at 11 a. m., and 6 1/2 p. m.

Who Pays the Costs!—At every term of court, speculation is indulged as to "who pays the costs" in actions at law. The following will give the desired information.

- 1. If the grand jury return a bill "ignoramus" in a case other than felony, and order the prosecutor to pay the costs, and the prosecutor having been sentenced by the court to pay them, is committed, and then discharged according to law, without having paid them, the county is not liable to costs. 2. Nor is the county liable if the bill be found "a true bill," and the defendant having been tried and acquitted, and ordered by the petit jury to pay them, and is committed, and discharged according to law, the costs not being paid. 3. Nor if the defendant is acquitted and the prosecutor ordered by the petit jury to pay the costs, who, after being sentenced by the court to pay them, is committed and discharged by law, the costs being unpaid. 4. Where a defendant indicted for a misdemeanor is acquitted by the petit jury, and the jury does not determine whether the county, the prosecutor or the defendant shall pay the costs of prosecution, as they are required to do by the act of 8th of December, 1864, the costs are not to be paid by the county. 5. When an indictment has been returned "a true bill" the prosecuting attorney cannot enter nolle prosequi without the consent of the court and charge the county with the costs of the prosecution. In the following cases the county is liable to pay the costs:

- 1. Where a defendant is convicted by a jury and is legally discharged without having paid the costs. 2. When in cases of surety of the peace the court directs the county to pay the costs. 3. When the grand jury ignore a bill and direct the county to pay the costs, and when the petit jury acquit the defendant and direct the county to pay the costs. 4. In cases of felony, when the grand jury ignore the bill, and when the defendant is acquitted by the petit jury. 5. In all cases when the defendant is found guilty and sentenced to pay a fine and costs of prosecution or give security to pay the same within ten days or go to jail, and defendant goes to jail and comes out under the bond act, the county is liable.—Patriot.

Duncannon Letter.

The epizootic has made its appearance here Mr. Wm. Pennel's horses are all affected, Sheriff Shively's are also, and one of Dr. Swartz's. We believe it has not yet reached the Duncannon Iron Co.'s stables. Last night sometime a canal boat loaded with boards and shingles went over the dam above town, and several parties reaped a harvest from the same. Your correspondent could not learn particulars.

We have one wedding to report. At the residence of the bride's parents on Tuesday evening, Mr. Joshua N. Gladden to Miss Lizzie G. Sheller. We enjoyed the cake and wish them a happy journey through life. Money sold at Susquehanna Building Association from 36 1/2 to 38. The No. of shares was increased from 1500 to 2000.

Juniata Co.—From the Independent of last week we copy the following:

On Friday afternoon last Edward Mills, of Thompsontown, aged about 16 years, and engaged in learning the chairmaking trade with Wm. F. Snyder, in this place, had his left foot crushed by having it caught in the cog wheels of the horse power which propels Mr. Snyder's turning lathe and rip saws. It seems the young man was required to keep the horse moving that propels the machine while Mr. Snyder was engaged in sawing out chair stuff, and in performing his duty his foot came in contact with the wheels, stopping the machine, and not until assistance was rendered was he able to extricate himself.

A man named Roland, residing near Lewistown, was killed by a freight train at Bixler's station, about two miles below Lewistown on Thursday afternoon last. It seems Mr. R. had been traveling in the west for some time past and on returning home he got aboard the Pacific Express at Pittsburg intending to get off at Lewistown, but the train not stopping at that station he was brought through to Mifflin, arriving here at 10 o'clock a. m. on the morning of the accident. Anxious to get back to Lewistown, and there being no passenger train going west until 3:38 p. m., he had started to walk and had reached Bixler's station where he was struck by the engine of the local freight east, and was so badly hurt that he died in about an hour after the accident. His remains were brought to Patterson. Esquire Middagh summoned a jury and an inquest was held and verdict rendered in accordance with the above facts. In the evening one of the deceased's sons arrived on the Cincinnati Express and identified the corpse of the man who was killed as his father. The remains of the deceased were taken to Lewistown for interment.

Brief Items.

- Quite a sprinkling of snow fell here on Saturday last. Teachers of Juniata county will institute at Perysville, on Monday, the 25th inst. Northumberland county folks are demanding a new jail. The horse disease in many places, seems to be the regular lung fever and is quite fatal. Pennsylvania Eldership of the church of God just closed its sessions at Mechanicsburg. A letter from Selins Grove says: "So many horses are sick in this place that I find it impossible to hire a team for a drive." "The hog committee" have begun their usual fall inspections. A full board was on hand for duty last Sunday. Experience in this vicinity proves that the mules are not exempt from the horse epidemic. The disease is as prevalent among them as among the horses. Is it right for a christian community to show more "bustle" on Sunday than any other day in the week? And yet such is the case in this town.

SALES.—We call attention to the following sales, bills for which have been printed at this office. Saturday, Nov. 23rd, Levi Sellers on the farm of Eliza Rathon in Wheatfield township, will sell Horses, Cows, Young Cattle, Wagons, Buggy &c. Monday Nov. 25th, E. T. Simons, near Markersville, will sell Live Stock, Farming implements and Household furniture. "Industries of the United States." This is the title of a book which combines a whole library within its covers. It gives a short and comprehensive account of every branch of industry in this country. It tells the process of manufacture, and if a patent article, who invented and who has improved it. It is a book which is of great value to every person who desires to obtain general information. It contains 1200 pages and is well bound in cloth, and can be had for nothing as will be seen by reference to our offer for Clubs.

PETERSON'S MAGAZINE for December is on our table in advance, and is a perfect gem.—This is, without doubt, the best of the really good lady's books. Yet the price is only two Dollars, or a dollar less than magazines of its class. No wonder it has the largest circulation in the world. To clubs it is cheaper still. Thus, five copies are sent for eight dollars, or eight copies are sent for twelve dollars, or twelve copies for seventeen dollars. To the person getting up either of these clubs an extra copy is given as a premium, and also a superb Five Dollar engraving for framing, "Christ Weeping Over Jerusalem." Specimens of the magazine are sent gratis; so write for one, and see for yourselves. Now is the time to subscribe, or to get up clubs for 1873. Address Charles J. Peterson, 306 Chestnut St., Philadelphia, Pa.

BALLOU'S MAGAZINE for December.—This interesting monthly for December is issued, and looks as bright and good as a twenty dollar piece just from the mint. It has new types and some new features which will commend themselves to the readers and patrons of Ballou's, known all over the country as the cheapest and best publication of the kind in the United States. In it can be found matter that entertains all, old and young; while the coming year the subscribers will receive a pretty Chromo as a Christmas present. This will be a temptation to every one, and we hope thousands will avail themselves of it. In the December number, we notice the usual splendid variety of reading matter and fine illustrations. Subscription only \$1.50 per year, and 15 cents single copies. For sale all over the country. Address Thomas & Talbot, 63 Congress Street, Boston.

Elwood Zell, 17 South 6th Street, Philadelphia, at \$2.00 per year.
