

Vinegar Bitters are not a vile Fancy Drink, made of Four Rum, Whiskey, Proof Spirits and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the native roots and herbs of California, free from all Alcoholic Stimulants.

No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

Dyspepsia or Indigestion. Headache, Pain in the Shoulder, Cough, Tightness of the Chest, Distress, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver and Visceral Organs, and in Bilious Diseases.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itches, Scalds, Pimples, Pusules, Boils, Carbuncles, Ring-worms, Scald-Head, Sores, Erysipelas, Itch, Scurf, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, use liberally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.

Grateful thousands proclaim WALKER'S BITTERS the most wonderful invigorant that ever sustained the sinking system.

Pin-Tape and other Worms. Lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist: "There is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No system of Medicine, no vermifuges, no anthelmintics, will free the system from worms like these Bitters."

Mechanical Diseases. Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, will be subject to paralysis of the Bowels. To guard against this take a dose of WALKER'S VINEGAR BITTERS once or twice a week as a Preventive.

Bilious, Remittent, and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Sacramento, Texas, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangement of the stomach and liver, and other abdominal viscera. There are always more or less obstructions of the liver, a weakness and irritable state of the stomach, and great torpor of the bowels, being clogged up with vitiated accumulations. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Nephritis, or King's Evil, White Scalds, Ulcers, Erysipelas, Swelled Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sores, Erysipelas, etc. In these, as in all other constitutional diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.

Dr. Walker's California Vinegar Bitters act on all these cases in a similar manner. By purifying the Blood they remove the cause, and by resolving away the effects of the inflammation (the tubercular deposits) the affected parts receive health, and a permanent cure is effected.

The properties of Dr. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic and Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Astringent, and Anti-Bilious.

The Aperient and mild Laxative properties of Dr. WALKER'S VINEGAR BITTERS are the best safeguard in all cases of eruptions and malignant fevers, their balsamic, healing, and soothing properties protect the humors of the face from the effects of the disease, and they are rendered disease-proof by this great invigorant.

Fortify the body against disease by purifying all its fluids with WALKER'S BITTERS. No epidemic can take hold of a system thus fortified. The liver, the stomach, the bowels, the kidneys, and the nerves are rendered disease-proof by this great invigorant.

Directions.—Take of the Bitters ten going to bed at night from a half to one and one-half wine-glasses. Eat good nourishing food, such as beef-steak, mutton-chop, venison, roast beef, and vegetables, and take outdoor exercise. They are composed of purely vegetable ingredients, and contain no opium.

HUMOROUS ITEMS

A loving swain in Maine dedicated a napkin ring "To my almost wife."

The drum major who ran away from Chickamauga, when reproached with cowardice, remarked, "I rather be a coward all my life than a corpse fifteen minutes!"

One of the belles of Peoria said to gentleman caller during the heated term: "The mosquitoes are terrible; I wish you could see my back." He meekly replied: "I wish I could."

"Sister," said one of the brethren at a love feast, "are you happy?" "Yes, deacon, I feel as though I was in Beelzebub's bosom." "Not in Beelzebub's bosom!" "Well, some of the patriarchs, I don't care which."

A lady made a complaint to Frederick the Great King of Prussia; "Your Majesty," said she, "my husband treats me badly." "That's none of my business," replied the King. "But he speaks ill of you," said the lady. "That," replied he, "is none of your business."

A New Fairfield man who failed to get a thirty-cent pine apple for a quarter of a dollar, wanted to know "whether we are breathing the pure air of freedom or being strangled with the fetid breath of a hellish despotism." The storekeeper said they were the only pine apples he had.

A Little boy on returning home from church, was asked by his mother to give the text. After a thoughtful pause the little fellow replied: "I don't hardly remember, but it was something about a hawk between two pigeons." The text was: "Why halt ye between two opinions?"

A Sunday school teacher who had almost become discouraged over the listlessness of her class, at last felt rewarded by an interesting look from a little girl. The reward was lost when the little creature touched a bracelet on her arm, and asked, "Teacher, are them threaded on 'lastic'?"

A fond husband boasted to a friend: "Tom, the old woman came near calling me honey last night." "Did she, Bill; what did she say?" "She said, 'Well, old Beeswax, come to supper.'"

An Iowan, going to a friend to get him to write a notice of his wife's desertion the latter wrote, "My wife having left my bed and board—" when the husband exclaimed, "Stop! stop! There's the trouble. She didn't leave my bed, but carried it with her."

A fellow returned home a borrowed horse to the owner with a note, saying: "I return by the bearer your Horse. You see I spell him with a capital H because he starts off so capittally," and he received in reply this: "Horse all right. I spell him with a capital E because, however capittally he may start off, he comes to a stop with the greatest ease."

A young Briton lately lost a large sum [by betting on spiders. He wagered that a spider which he would produce would cross a plate quicker than a spider to be produced by a friend. Each spider was to have its own plate. His spider, however, on being started, would not stir, whilst its rival ran with immense speed. The bet was consequently lost; and the loser soon found out the reason why—his friend had a hot plate.

A Hampshire wag put the following advertisement in a weekly paper: "Who wants to buy a new milch cow, that is every way kind, only five years old, and gives fifteen quarts of milk to a milking? Jack Rodgers." The next week Mr. Rodgers received not less than fifty applications through the paper for the cow, which were answered thus: "If I hear of any such cow, I will let you know immediately. Yours, truly, J. Rodgers."

A little boot-black picked up a five cent nickel on the sidewalk the other day and was crowing over his prize, when a burly carman demanded it, saying that he had just dropped it.

"Your five-cent piece had no hole in it!" said the boy definitely.

"Yes, it had," said the rogue of a claimant.

"Well, this one ain't!" said the boy, as he walked off in triumph, leaving the opponent to be jeered by the crowd.

A Quaker married a woman of the Church of England, and after the ceremony the vicar asked for the fees, which he said were a crown. The Quaker, astonished at the demand, said if he would show him any text in the Scriptures which proved his fees were a crown, he would give it to him; upon which the vicar directly turned to the twelfth chapter of Proverbs, fourth verse, where it said, "A virtuous woman is a crown to her husband." Thou art right, replied the Quaker, in thy assertion; Solomon was a wise man; there is thy fee.

Badly Off. A Western editor relates that he once stopped at a restaurant in Washington, and noticing that the waiter was uncommonly sober, asked him if he was sick. "Yes," very curtly, "I is." "What's the matter?" "Why, sir, Washin'ton's the was place ever I see. When it's dry you can't see where you're gwine, and when it's wet you can't go."
